Was this item passed through the appropriate committee? Yes	

Summary:

This resolution seeks approval for the purchase of one QuantStudio 5 Real-Time PCR System for the Kane County Forensics Lab. The most responsive bidder (Bid #26-046-TL) and sole source for this essential DNA analytic system plus two-year additional service contract was Thermo Fisher Scientific (Life Technologies) of Pleasanton, CA, with a bid of \$100,651.58. This was a planned purchase for the lab with federal grant funds that are included in the Kane County Coroner's FY27 budget.
