Budget Information:

Was this item budgeted? No	Appropriation Amount: \$155,158.67
If not budgeted, explain funding source:	

Fund #358 - the FEMA PA Administration Fund, was created as a separate special revenue fund to account for expenses, primarily consulting services provided by Ernst & Young LLP, related to the administration of Federal Emergency Management Agency Public Assistance Program applications and was funded by a transfer of \$250,000 from the County's General Fund. The processing of FEMA related transactions has ended and \$155,158.67 remains in Fund #358, which can now be returned to the County's General Fund – General Account #001.
