DRUG FREE WORKPLACE POLICY

I. STATEMENT OF POLICY

Artlow Systems acknowledges the problem of substance abuse (including alcohol) in our society. Furthermore, we see substance abuse as a serious threat to our staff and customers. We are addressing this problem by introducing a new substance abuse policy to ensure that Artlow Systems will have a drug-free workplace.

While Artlow Systems understands that employees and applicants under a physician's care are required to use prescription drugs, abuse of prescribed medications will be dealt with in the same manner as the abuse of illegal substances.

The ultimate goal of this policy is to balance our respect for individual privacy with our need to keep a safe, productive, drug-free environment. Our intention is to prevent substance abuse. We would like to encourage those who use drugs or abuse alcohol to seek help in overcoming their problem. In this way, fully rehabilitated abusers who remain drug free can return to work as employees in good standing.

II DEFINITIONS

A. "Legal Drug" - Prescribed drug or over-the-counter drug which has been legally obtained and is being used solely for the purpose for which it was prescribed or manufactured.

B. "Illegal Drug" - Any drug (a) which is not legally obtainable, (b) which may be legally obtainable but has not been legally obtained, or © which is being used in a manner or for a purpose other than as prescribed.

C. "Alcohol" - Any beverage that is considered an intoxicating agent.

D. "Reasonable Suspicion" - Under workers' compensation you can only test for a "reasonable suspicion" that drugs were involved and not test for every accident. NIOAS rules have requirements that also must be followed. Additionally, Section 440.102(1)(n) provides additional language relating to the "reasonable suspicion". Also, just because someone tests positive for drugs is not enough to defeat a workers' compensation claim. The claimant has the opportunity to prove that the use of drugs did not cause the injury and that there is no "reasonable hypothesis" that the use of drugs or alcohol caused the injury. If the claimant proves this, they will be entitled to benefits.

1. Observed drug abuse or alcohol use during work hours on company premises.
2. Apparent physical state of impairment.
3. Incoherent mental state.
4. Marked changes in personal behavior that are otherwise unexplainable.
5. Deteriorating work performance that is not attributable to other factors.
6. Accidents or mishaps in which injuries or property damage occurs.
7. Any actions that provide reasonable cause to believe the employee may be under the influence of illegal drugs or alcohol.

III POLICY AND WORK RULE

Artlow Systems policy is to employ a work force free from use of illegal drugs and abuse of alcohol, either on or off the job. Any employee determined to be in violation of this policy is subject to disciplinary action, which may include termination, even for the first offense.

It is a standard of conduct of employees of Artlow Systems that employees shall not use illegal drugs or abuse alcohol. In order to maintain this standard, the company shall establish and maintain the programs and rules set forth below.

A. GENERAL PROCEDURES

An employee reporting for work visibly impaired or unable to properly perform required duties because of alcohol or illegal drug use will not be allowed to work.

The employee's supervisor should first seek another supervisor's opinion to confirm the employee's status. Then the supervisor should consult privately with the employee to determine the cause of the observation, including whether substance abuse has occurred.

If, in the opinion of the supervisor, the employee is considered impaired, the employee should be sent to a medical facility for drug testing by taxi or other safe transportation alternative, depending on the determination of the observed impairment, accompanied by the supervisor or another employee if necessary. An impaired employee will not be allowed to drive.

170 S. Gary Avenue • Carol Stream, IL 60188 • (630) 653-8111 • 1(800) 5-ARTLOW • Fax (630) 653-8171

B. Pre-employment Drug Abuse Testing

Artlow Systems will conduct pre-employment drug testing examinations designed to prevent hiring individuals who use illegal drugs or individuals whose use of legal drugs indicates a potential for impaired or unsafe job performance

C. Current Employee Drug and Alcohol Abuse Testing

Artlow Systems will maintain drug testing practices to identify employees who use illegal drugs or abuse alcohol, either on or off the job. It shall be a condition of continued employment for all employees to submit to a drug test when:

1. When there is a reasonable suspicion to believe that an employee is using or has used illegal drugs or is abusing or has abused alcohol.

2. When the employee is involved in any mishap or accident in which injury to himself or herself or other persons or damage to property has occurred (an employee who tests positive for substance abuse at the time of treatment for work -related injury risks forfeiture or workers' compensation benefits and may be liable for his or her own medical treatment for the injury.

3. Upon return from extended absences.

Safety Policy Statement

It is the policy of Artlow Systems, Inc. that injury and illness prevention shall be considered of primary importance in all phases of operations and administration.

It is the intention of the company's top management to provide safe and healthy working conditions and to establish and insist upon safe practices at all times by all employees.

The prevention of injury and illness is an objective affecting all levels of the organization and its activities. It is therefore, a basic requirement that each supervisor make the safety of employees an integral part of his or her regular management function. It is equally the duty of each employee to accept and follow established safety regulations and procedures.

Every effort will be made to provide adequate training to employees. However, if an employee is ever in doubt how to do a job safely, it is their duty to ask a qualified person for assistance.

Employees are expected to assist management in injury and illness prevention activities. Unsafe conditions must be reported. Fellow employees that need help should be assisted. Everyone is responsible for the housekeeping duties that pertain to their jobs.

Any injury that occurs on the job, even a slight cut or strain, must be reported to management as soon as possible. In no circumstance, except an emergency, should an employee leave a shift without reporting an injury that occurred.

When you have an injury and illness, everyone loses; you, your family, your fellow workers, and the company. Please work safely. It's good for everyone.

TIPS VENDOR AGREEMENT

TIPS RFP 240301 Furniture, Furnishings, and Services

The following Vendor Agreement ("Agreement") creates a legal agreement between The Interlocal Purchasing System ("TIPS"), a government purchasing cooperative and Department of Texas Region 8 Education Service Center and (INSERT ENTITY NAME):

Tayco Office Furnishings Inc.

(ENTER ENTITY NAME]

its owners, agents, subsidiaries, and affiliates (together, "Vendor") (individually, "Party", and collectively the "Parties") and this agreement shall exclusively govern the contractual relationship ("Agreement") between the Parties.

TIPS, a governmental entity and a national purchasing cooperative seeks to provide a valuable and necessary solution to public entities and qualifying non-profits by performing the public procurement solicitation process and awarding compliant contracts to qualified vendors. Then, where the law of a customer's jurisdiction allows, instead of public entities and qualifying non-profits expending time, money, and resources on the extensive public procurement process, the use of TIPS allows public entities to quickly select and purchase their preferred products or services from qualified, competitively evaluated vendors through cooperative purchasing.

1. **Purpose.** The purpose of this Agreement is to identify the terms and conditions of the relationship between TIPS and Vendor. Public entities and qualifying non-profits that properly join or utilize TIPS ("TIPS Members") may elect to "piggyback" off of TIPS' procurements and agreements where the laws of their jurisdiction allow. TIPS Members are not contractual parties to this Agreement although terms and conditions of this Agreement may ensure benefits to TIPS Members.

2. **Authority.** The Parties agree that the signatories below are individual authorized to enter into this Agreement on behalf of their entity and that they are acting under due and proper authority under applicable law.

3. **Definitions.**

    a. **TIPS Pricing:** The specific pricing, discounts, and other pricing terms and incentives which Vendor submitted and TIPS approved for each respective TIPS Contract awarded to Vendor and all permissible, subsequent pricing updates submitted by Vendor and accepted by TIPS, if any.

    b. **Authorized Reseller:** A reseller or dealer authorized and added by a Vendor through their online TIPS Vendor Portal to make TIPS sales according to the terms and conditions herein.

4. **Entire Agreement.** This Agreement resulted from TIPS posting a "TIPS Solicitation" (RFP, RCSP, RFQ, or other) and Vendor submitting a proposal in response to that posted TIPS Solicitation for evaluation and award. The Parties agree that this Agreement consists of the provisions set forth herein and: (1) The TIPS solicitation document resulting in this Agreement; (2) Any addenda or clarifications issued in relation to the TIPS solicitation; (3) All solicitation information provided to Vendor by TIPS through the TIPS eBid System; (3) Vendor's entire proposal response to the TIPS solicitation including all accepted required attachments, acknowledged notices and certifications, accepted negotiated terms, pricing, accepted responses to questions, and accepted written clarifications of Vendor's proposal, and; any properly included attachments to this Agreement. All documentation and information listed is hereby incorporated by reference as if set forth herein verbatim. In the event of conflict between the terms herein and one of the incorporated documents the terms and conditions herein shall control.

5. **Vendor's Specific Warranties, Terms, and License Agreements.** Because TIPS serves public entities and non-profits throughout the nation all of which are subject to specific laws and policies of their jurisdiction, as a matter of standard practice, TIPS does not typically accept a Vendor's specific "Sale Terms" (warranties, license agreements, master agreements, terms and conditions, etc.) on behalf of all TIPS Members. TIPS may permit Vendor to attach those to this Agreement to display to interested customers what terms may apply to their Supplemental Agreement with Vendor (if submitted by Vendor for that purpose). However, unless this term of the Agreement is negotiated and modified to state otherwise, those specific Sale Terms are not accepted by TIPS on behalf of all TIPS Members and each Member may choose whether to accept, negotiate, or reject those specific Sale Terms, which must be reflected in a separate agreement between Vendor and the Member in order to be effective.

6. **Vendor Identity and Contact Information.** It is Vendor's sole responsibility to ensure that all identifying vendor information (name, EIN, d/b/a's, etc.) and contact information is updated and current at all times within the TIPS eBid System and the TIPS Vendor Portal. It is Vendor's sole responsibility to confirm that all e-correspondence issued from tips-usa.com, ionwave.net, and tipsconstruction.com to Vendor's contacts are received and are not blocked by firewall or other technology security. Failure to permit receipt of correspondence from these domains and failure to keep vendor identity and contact information current at all times during the life of the contract may cause loss of TIPS Sales, accumulating TIPS fees, missed rebid opportunities, lapse of TIPS Contract(s), and unnecessary collection or legal actions against Vendor. It is no defense to any of the foregoing or any breach of this Agreement that Vendor was not receiving TIPS' electronic communications issued by TIPS to Vendor's listed contacts.

7. **Initiation of TIPS Sales.** When a public entity initiates a purchase with Vendor, if the Member inquires verbally or in writing whether Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether the Member is seeking a TIPS purchase. Once verified, Vendor must include the TIPS Contract Number on all purchase communications and sales documents exchanged with the TIPS Member.

8. **TIPS Sales and Supplemental Agreements.** The terms of the specific TIPS order, including but not limited to: shipping, freight, insurance, delivery, fees, bonding, cost, delivery expectations and location, returns, refunds, terms, conditions, cancellations, order assistance, etc., shall be controlled by the purchase agreement (Purchase Order, Contract, Invoice, etc.) (hereinafter "Supplemental Agreement") entered into between the TIPS Member Customer and Vendor only. TIPS is not a party to any Supplemental Agreement. All Supplemental Agreements shall include Vendor's Name, as known to TIPS, and TIPS Contract Name and Number. Vendor accepts and understands that TIPS is not a legal party to TIPS Sales and Vendor is solely responsible for identifying fraud, mistakes, unacceptable terms, or misrepresentations for the specific order prior to accepting. Vendor agrees that any order issued from a customer to Vendor, even when processed through TIPS, constitutes a legal contract between the customer and Vendor only. When Vendor accepts or fulfills an order, even when processed through TIPS, Vendor is representing that Vendor has carefully reviewed the order for legality, authenticity, and accuracy and TIPS shall not be liable or responsible for the same. In the event of a conflict between the terms of this TIPS Vendor Agreement and those contained in any Supplemental Agreement, the provisions set forth herein shall control unless otherwise agreed to and authorized by the Parties in writing within the Supplemental Agreement.

9. **Right of Refusal.** Vendor has the right not to sell to a TIPS Member under the awarded agreement at Vendor's discretion unless otherwise required by law.

10. **Reporting TIPS Sales**. Vendor must report all TIPS Sales to TIPS. If a TIPS sale is initiated by Vendor receiving a TIPS Member's purchase order from TIPS directly, Vendor may consider that specific TIPS Sale reported. Otherwise, with the exception of TIPS Automated Vendors, who have signed an exclusive agreement with TIPS regarding reporting, all TIPS Sales must be reported to TIPS by either: (1) Emailing the purchase order or similar purchase document (with Vendor's Name, as known to TIPS, and the TIPS Contract Name and Number included) to TIPS at tipspo@tips-usa.com with "Confirmation Only" in the subject line of the email within three business days of Vendor's acceptance of the order, or; (2) Within 3 business days of the order being accepted by Vendor, Vendor must login to the TIPS Vendor Portal and successfully self-report all necessary sale information within the Vendor Portal and confirm that it shows up accurately on your current Vendor Portal statement. No other method of reporting is acceptable unless agreed to by the Parties in writing. Failure to report all sales pursuant to this provision may result in immediate cancellation of Vendor's TIPS Contract(s) for cause at TIPS' sole discretion. Please refer to the TIPS Accounting FAQ's for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com.

11. **TIPS Administration Fees.** The collection of administrative fees by TIPS, a government entity, for performance of these procurement services is required pursuant to Texas Government Code Section 791.011 et. seq. The administration fee ("TIPS Administration Fee") is the amount legally owed by Vendor to TIPS for TIPS Sales made by Vendor. The TIPS Administration Fee amount is typically a set percentage of the amount paid by the TIPS Member for each TIPS Sale, less shipping cost, bond cost, and taxes if applicable and identifiable, which is legally due to TIPS, but the exact TIPS Administration Fee for this Contract is published in the corresponding solicitation and is incorporated herein by reference. TIPS Administration Fees are due to TIPS immediately upon Vendor's receipt of payment, including partial payment, for a TIPS Sale. The TIPS Administration Fee is assessed on the amount paid by the TIPS Member, not on the Vendor's cost or on the amount for which the Vendor sold the item to a dealer or Authorized Reseller. Upon receipt of payment for a TIPS Sale, including partial payment (which renders TIPS Administration Fees immediately due), Vendor shall issue to TIPS the corresponding TIPS Administration Fee payment as soon as possible but not later than thirty-one calendar days following Vendor's receipt of payment. Vendor shall pay TIPS via check unless otherwise agreed to by the Parties in writing. Vendor shall include clear documentation with the issued payment dictating to which sale(s) the amount should be applied. Vendor may create a payment report within their TIPS Vendor Portal which is the preferred documentation dictating to which TIPS Sale(s) the amount should be applied. Failure to pay all TIPS Administration Fees pursuant to this provision may result in immediate cancellation of Vendor's TIPS Contract(s) for cause at TIPS' sole discretion as well as the initiation of collection and legal actions by TIPS against Vendor to the extent permitted by law. Any overpayment of participation fees to TIPS by Vendor will be refunded to the Vendor

within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date that TIPS received the payment will render the overpayment non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect TIPS Administration Fees due to TIPS pursuant to this Agreement.

12. **Term of the Agreement.** This Agreement with TIPS is for approximately five years with a one-year, consecutive option for renewal as described herein. Renewal options are not automatic and shall only be effective if offered by TIPS at its sole discretion. If TIPS offers a renewal option, the Vendor will be notified via email issued to Vendor's then-listed Primary Contact. The renewal option shall be deemed accepted by Vendor unless Vendor notifies TIPS of its objection to the renewal option in writing and confirms receipt by TIPS.

    Actual Effective Date: Agreement is effective upon signature by authorized representatives of both Parties. The Effective Date does not affect the "Term Calculation Start Date."

    Term Calculation Start Date: To keep the contract term consistent for all vendors awarded under a single TIPS contract, Vendor shall calculate the foregoing term as starting on the last day of the month that "Award Notifications" are anticipated as published in the Solicitation, regardless of the actual Effective Date.

    Example of Term Calculation Start Date: If the anticipated "Award Date" published in the Solicitation is May 22, 2023, but extended negotiations delay award until June 27, 2023 (Actual Effective Date), the Term Calculation Start Date shall be May 31, 2023, in this example.

    Contract Expiration Date: To keep the contract term consistent for all vendors awarded under a single TIPS contract, the term expiration date shall be five-years from the Term Calculation Start Date.

    Example of Contract Expiration Date: If the anticipated "Award Date" published in the Solicitation is May 22, 2023, but extended negotiations delay award until June 27, 2023 (Actual Effective Date), the Term Calculation Start Date shall be May 31, 2023, and the Contract Expiration Date of the resulting initial "five-year" term, (which is subject to an extension(s)) will be May 31, 2028 in this example.

    Option(s) for Renewal: Any option(s) for renewal shall begin on the Contract Expiration Date, or the date of the expiration of the prior renewal term where applicable and continue for the duration specified for the renewal option herein.

    Example of Option(s) for Renewal: In this example, if TIPS offers a one-year renewal and the Contract Expiration Date is May 31, 2028, then the one-year renewal is effective from May 31, 2028 to May 31, 2029.

    TIPS may offer to extend Vendor Agreements to the fullest extent the TIPS Solicitation resulting in this Agreement permits.

13. **TIPS Pricing.** Vendor agrees and understands that for each TIPS Contract that it holds, Vendor submitted, agreed to, and received TIPS' approval for specific pricing, discounts, and other pricing terms and incentives which make up Vendor's TIPS Pricing for that TIPS Contract ("TIPS Pricing"). Vendor confirms that Vendor will not add the TIPS Administration Fee as a charge or line-item in a TIPS Sale. Vendor hereby certifies that Vendor shall only offer goods and services through this TIPS Contract if those goods and services are included in or added to Vendor's TIPS Pricing and approved by TIPS. TIPS reserves the right to review Vendor's pricing update requests as specifically as line-item by line-item to determine compliance. However, Vendor contractually agrees that all submitted pricing updates shall be within the original terms of the Vendor's TIPS Pricing (scope, proposed discounts, price increase limitations, and other pricing terms and incentives originally proposed by Vendor) such that TIPS may accept Vendors price increase requests as submitted without additional vetting at TIPS discretion. Any pricing quoted by Vendor to a TIPS Member or on a TIPS Quote shall never exceed Vendor's TIPS Pricing for any good or service offered through TIPS. TIPS Pricing price increases and modifications, if permitted, will be honored according to the terms of the solicitation and Vendor's proposal, incorporated herein by reference.

14. **Indemnification of TIPS.** **VENDOR AGREES TO INDEMNIFY, HOLD HARMLESS, AND DEFEND TIPS, TIPS MEMBERS, TIPS OFFICERS, TIPS EMPLOYEES, TIPS DIRECTORS, AND TIPS TRUSTEES (THE "TIPS INDEMNITEES") FROM AND AGAINST ALL CLAIMS AND SUITS BY THIRD-PARTIES FOR DAMAGES, INJURIES TO PERSONS (INCLUDING DEATH), PROPERTY DAMAGES, LOSSES, EXPENSES, FEES, INCLUDING COURT COSTS, ATTORNEY'S FEES, AND EXPERT FEES, ARISING OUT OF OR RELATING TO VENDOR'S PERFORMANCE UNDER THIS AGREEMENT (INCLUDING THE PERFORMANCE OF VENDOR'S OFFICERS, EMPLOYEES, AGENTS, AUTHORIZED RESELLERS, SUBCONTRACTORS, LICENSEES, OR INVITEES), REGARDLESS OF THE NATURE OF THE CAUSE OF ACTION, INCLUDING WITHOUT LIMITATION CAUSES OF ACTION BASED UPON COMMON, CONSTITUTIONAL, OR STATUTORY LAW OR BASED IN**

WHOLE OR IN PART UPON ALLEGATIONS OF NEGLIGENT OR INTENTIONAL ACTS OR OMISSIONS ON THE PART OF VENDOR, ITS OFFICERS, EMPLOYEES, AGENTS, AUTHORIZED RESELLERS, SUBCONTRACTORS, LICENSEES, OR INVITEES. NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED TO BY TIPS. APART FROM THIS INDEMNIFICATION PROVISION REQUIRING INDEMNIFICATION OF THE TIPS INDEMNITEES' ATTORNEY'S FEES AS SET FORTH ABOVE, RECOVERY OF ATTORNEYS' FEES BY THE PREVAILING PARTY IS AUTHORIZED ONLY IF AUTHORIZED BY TEX. EDUC. CODE § 44.032(F).

15. **Indemnification and Assumption of Risk – Vendor Data.** **VENDOR AGREES THAT IT IS VOLUNTARILY PROVIDING DATA (INCLUDING BUT NOT LIMITED TO: VENDOR INFORMATION, VENDOR DOCUMENTATION, VENDOR'S PROPOSALS, VENDOR PRICING SUBMITTED OR PROVIDED TO TIPS, TIPS CONTRACT DOCUMENTS, TIPS CORRESPONDENCE, VENDOR LOGOS AND IMAGES, VENDOR'S CONTACT INFORMATION, VENDOR'S BROCHURES AND COMMERCIAL INFORMATION, VENDOR'S FINANCIAL INFORMATION, VENDOR'S CERTIFICATIONS, AND ANY OTHER VENDOR INFORMATION OR DOCUMENTATION, INCLUDING WITHOUT LIMITATION SOFTWARE AND SOURCE CODE UTILIZED BY VENDOR, SUBMITTED TO TIPS BY VENDOR AND ITS AGENTS) ("VENDOR DATA") TO TIPS. FOR THE SAKE OF CLARITY, AND WITHOUT LIMITING THE BREADTH OF THE INDEMNITY OBLIGATIONS IN SECTION 14 ABOVE, VENDOR AGREES TO PROTECT, INDEMNIFY, AND HOLD THE TIPS INDEMNITEES HARMLESS FROM AND AGAINST ANY AND ALL LOSSES, CLAIMS, ACTIONS, DEMANDS, ALLEGATIONS, SUITS, JUDGMENTS, COSTS, EXPENSES, FEES, INCLUDING COURT COSTS, ATTORNEY'S FEES, AND EXPERT FEES AND ALL OTHER LIABILITY OF ANY NATURE WHATSOEVER ARISING OUT OF OR RELATING TO: (I) ANY UNAUTHORIZED, NEGLIGENT OR WRONGFUL USE OF, OR CYBER DATA BREACH INCIDENT AND VIRUSES OR OTHER CORRUPTING AGENTS INVOLVING, VENDOR'S DATA, PRICING, AND INFORMATION, COMPUTERS, OR OTHER HARDWARE OR SOFTWARE SYSTEMS, AND; (II) ALLEGATIONS OR CLAIMS THAT ANY VENDOR DATA INFRINGES ON THE INTELLECTUAL PROPERTY RIGHTS OF A THIRD-PARTY OR VENDOR.**

16. **Procedures Related to Indemnification.** In the event that an indemnity obligation arises, Vendor shall pay all amounts set forth in Section 14 and 15 above (including any settlements) and – if it has accepted its indemnity obligation without qualification – control the legal defense to such claim or cause of action, including without limitation attorney selection, strategy, discovery, trial, appeal, and settlement, and TIPS shall, at Vendor's cost and expense (with respect to reasonable out of pocket costs and expenses incurred by TIPS which shall be reimbursed to TIPS by Vendor), provide all commercially reasonable assistance requested by Vendor. In controlling any defense, Vendor shall ensure that all assertions of governmental immunity and all applicable pleas and defenses shall be promptly asserted.

17. **Indemnity for Underlying Sales and Supplemental Agreements.** Vendor shall be solely responsible for any customer claims or any disputes arising out of TIPS Sales or any Supplemental Agreement as if sold in the open-market. The Parties agree that TIPS shall not be liable for any claims arising out of Vendor's TIPS Sales or Supplemental Agreements, including but not limited to: allegations of product defect or insufficiency, allegations of service defect or insufficiency, allegations regarding delivery defect or insufficiency, allegations of fraud or misrepresentation, allegations regarding pricing or amounts owed for TIPS sales, and/or allegations regarding payment, over-payment, under-payment, or non-payment for TIPS Sales. Payment/Drafting, overpayment/over-drafting, under-payment/under-drafting, or non-payment for TIPS Sales between customer and Vendor and inspections, rejections, or acceptance of such purchases shall be the exclusive respective obligations of Vendor/Customer, and disputes shall be handled in accordance with the terms of the underlying Supplemental Agreement(s) entered into between Vendor and Customer. Vendor acknowledges that TIPS is not a dealer, subcontractor, agent, or reseller of Vendor's goods and services and shall not be responsible for any claims arising out of alleged insufficiencies or defects in Vendor's goods and services, should any arise.

18. **Confidentiality of Vendor Data.** Vendor understands and agrees that by signing this Agreement, all Vendor Data is hereby released to TIPS, TIPS Members, and TIPS third-party administrators to effectuate Vendor's TIPS Contract except as provided for herein. The Parties agree that Vendor Data is accessible by all TIPS Members as if submitted directly to that TIPS Member Customer for purchase consideration. If Vendor otherwise considers any portion of Vendor's Data to be confidential and not subject to public disclosure pursuant to Chapter 552 Texas Gov't Code (the "Public Information Act") or other law(s) and orders, Vendor must have identified the claimed confidential materials through proper execution of the Confidentiality Claim Form which is required to be submitted as part of Vendor's proposal resulting in this Agreement and incorporated by reference. The Confidentiality Claim Form included in Vendor's proposal and incorporated herein by reference is the sole indicator of whether Vendor considers any Vendor Data confidential in the event TIPS receives a Public Information Request. If TIPS receives a request, any responsive documentation not deemed confidential by you in this manner will be automatically released. For Vendor Data deemed confidential by you in this manner, TIPS will follow procedures of controlling statute(s) regarding any claim of confidentiality and shall not be liable for any release of information required by law, including Attorney General determination and opinion. In the event that TIPS receives a written request for information pursuant to the Public Information Act that affects Vendor's interest in any information or data furnished to TIPS by Vendor, and TIPS requests an opinion from the Attorney General, Vendor may, at its own option and expense, prepare comments and submit information directly to the Attorney General stating why the requested information is exempt from disclosure pursuant to the requirements of the Public Information Act. Vendor is solely responsible for submitting the memorandum brief and information to the Attorney General

within the time period prescribed by the Public Information Act. Notwithstanding any other information provided in this solicitation or Vendor designation of certain Vendor Data as confidential or proprietary, Vendor's acceptance of this TIPS Vendor Agreement constitutes Vendor's consent to the disclosure of Vendor's Data, including any information deemed confidential or proprietary, to TIPS Members or as ordered by a Court or government agency, including without limitation the Texas Attorney General. Vendor agrees that TIPS shall not be responsible or liable for any use or distribution of information or documentation by TIPS Members or as required by law.

19. **Vendor's Authorized Resellers.** TIPS recognizes that many vendors operate in the open market through the use of resellers or dealers. For that reason, TIPS permits Vendor to authorize Authorized Resellers within its Vendor Portal and make TIPS Sales through the Authorized Reseller(s). Once authorized by Vendor in the Vendor Portal, the Authorized Reseller(s) may make TIPS sales to TIPS Members. However, all purchase documents must include: (1) Authorized Reseller's Name; (2) Vendor's Name, as known to TIPS, and; (3) Vendor's TIPS Contract Name and Number under which it is making the TIPS Sale. Either Vendor or Reseller may report the sale pursuant to the terms herein. However, Vendor agrees that it is legally responsible for all reporting and fee payment as described herein for TIPS Sales made by Authorized Resellers. The TIPS Administration Fee is assessed on the amount paid by the TIPS Member, not on the Vendor's cost or on the amount for which the Vendor sold the item to a dealer or Authorized Reseller. The Parties intend that Vendor shall be responsible and liable for TIPS Sales made by Vendor's Authorized Resellers. Vendor agrees that it is voluntarily authorizing this Authorized Reseller and in doing so, Vendor agrees that it is doing so at its own risk and agrees to protect, indemnify, and hold TIPS harmless in accordance with Sections 14-17 above related to Authorized Reseller TIPS Sales made pursuant to this Agreement or purporting to be made pursuant to this Agreement that may be asserted against Vendor whether rightfully brought or otherwise. The Parties further agree that it is no defense to Vendor's breach of this Agreement that an Authorized Reseller caused Vendor of breach this Agreement.

20. **Circumvention of TIPS Sales**. When a public entity initiates a purchase with Vendor, if the Member inquires verbally or in writing whether Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether the Member is seeking a TIPS purchase. Any request for quote, customer communication, or customer purchase initiated through or referencing a TIPS Contract shall be completed through TIPS pursuant to this Agreement. Any encouragement or participation by Vendor in circumventing a TIPS sale being completed may result in immediate termination of Vendor's TIPS Contract(s) for cause as well as preclusion from future TIPS opportunities at TIPS sole discretion.

21. **State of Texas Franchise Tax.** By signature hereon, Vendor hereby certifies that Vendor is not currently delinquent in the payment of any franchise taxes owed to the State of Texas under Chapter 171 of the Texas Tax Code.

22. **Termination.**

A) Termination for Convenience. TIPS may, by written notice to Vendor, terminate this Agreement for convenience, in whole or in part, at any time by giving thirty (30) days' written notice to Vendor of such termination, and specifying the effective date thereof.

B) Termination for Cause. If Vendor fails to materially perform pursuant to the terms of this Agreement, TIPS shall provide written notice to Vendor specifying the default. If Vendor does not cure such default within thirty (30) days, TIPS may terminate this Agreement, in whole or in part, for cause. If TIPS terminates this Agreement for cause, and it is later determined that the termination for cause was wrongful, the termination shall automatically be converted to and treated as a termination for convenience.

C) Vendor's Termination. If TIPS fails to materially perform pursuant to the terms of this Agreement, Vendor shall provide written notice to TIPS specifying the default ("Notice of Default"). If TIPS does not cure such default within thirty (30) days, Vendor may terminate this Agreement, in whole or in part, for cause. If Vendor terminates this Agreement for cause, and it is later determined that the termination for cause was wrongful, the termination shall automatically be converted to and treated as a termination for convenience.

D) Upon termination, all TIPS Sale orders previously accepted by Vendor shall be fulfilled and Vendor shall be paid for all TIPS Sales executed pursuant to the applicable terms. All TIPS Sale orders presented to Vendor but not fulfilled by Vendor, prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. TIPS shall submit to Vendor an invoice for any outstanding TIPS Administration Fees and approved expenses and Vendor shall pay such fees and expenses within 30 calendar days of receipt of such valid TIPS invoice. Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS' sole discretion and that any Vendor may be removed from the TIPS program at any time with or without cause. This

termination clause does not affect TIPS Sales Supplemental Agreements pursuant to this term regarding termination and the Survival Clause term.

E) Vendor hereby waives any and all claims for damages, including, but not limited, to consequential damages or lost profits, that might arise from TIPS' act of terminating this Agreement.

23. Survival Clause. It is the intent of the Parties that this Agreement and procurement method applies to any TIPS Sale made during the life of this Agreement even if made on or near the Contract Expiration Date as defined herein. Thus, all TIPS Sales, including but not limited to: leases, service agreements, license agreements, open purchase orders, warranties, and contracts, even if they extend months or years past the TIPS Contract Expiration Date, shall survive the expiration or termination of this Agreement subject to the terms and conditions of the Supplemental Agreement between Customer and Vendor or unless otherwise specified herein.

24. Audit Rights. Due to transparency statutes and public accountability requirements of TIPS and TIPS Members, Vendor shall at their sole expense, maintain documentation of all TIPS Sales for a period of three years from the time of the TIPS Sale. In order to ensure and confirm compliance with this agreement, TIPS shall have authority to conduct audits of Vendor's TIPS Pricing or TIPS Sales with thirty-days' notice unless the audit is ordered by a Court Order or by a Government Agency with authority to do so without said notice. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with Vendor's TIPS Pricing, TIPS shall have the ability to conduct the audit internally or may engage a third- party auditing firm to investigate any possible non-compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format, and at the location acceptable to TIPS. TIPS agrees not to perform a random audit the TIPS transaction documentation more than once per calendar year, but reserves the right to audit for just cause or as required by any governmental agency or court with regulatory authority over TIPS or the TIPS Member. These audit rights shall survive termination of this Agreement for a period of one (1) year from the effective date of termination.

25. Conflicts of Interest. The Parties confirm that they have not offered, given, or accepted, nor intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, service to the other in connection with this Agreement. Vendor affirms that, to the best of Vendor's knowledge, this Agreement has been arrived at independently, and is awarded without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement. Vendor agrees that it has disclosed any necessary affiliations with Region 8 Education Service Center and the TIPS Department, if any, through the Conflict of Interest attachment provided in the solicitation resulting in this Agreement.

26. Volume of TIPS Sales. Nothing in this Agreement or any TIPS communication may be construed as a guarantee that TIPS or TIPS Members will submit any TIPS orders to Vendor at any time.

27. Compliance with the Law. The Parties agree to comply fully with all applicable federal, state, and local statutes, ordinances, rules, and regulations applicable to their entity in connection with the programs contemplated under this Agreement.

28. Severability. If any term(s) or provision(s) of this Agreement are held by a court of competent jurisdiction to be invalid, void, or unenforceable, then such term(s) or provision(s) shall be deemed restated to reflect the original intention of the Parties as nearly as possible in accordance with applicable law and the remainder of this Agreement, and the remainder of the provisions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated, unless such holding causes the obligations of the Parties hereto to be impossible to perform or shall render the terms of this Agreement to be inconsistent with the intent of the Parties hereto.

29. Force Majeure. If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement through no fault of its own then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon. Upon delivering such notice, the obligation of the affected party, so far as it is affected by such Force Majeure as described, shall be suspended during the continuance of the inability then claimed but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch. In the event that Vendor's obligations are suspended by reason of Force Majeure, all TIPS Sales accepted prior to the Force Majeure event shall be the legal responsibility of Vendor and the terms of the TIPS Sale Supplemental Agreement shall control Vendor's failure to fulfill for a Force Majeure event.

30. Immunity. Vendor agrees that nothing in this Agreement shall be construed as a waiver of sovereign or government immunity; nor constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to Region 8 Education Service Center or its TIPS Department. The failure to enforce, or any delay in the enforcement of, any privileges, rights, defenses,

remedies, or immunities available to Region 8 Education Service Center or its TIPS Department under this Agreement or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel.

31. **Insurance Requirements.** Vendor agrees to maintain the following minimum insurance requirements for the duration of this Agreement. All policies held by Vendor to adhere to this term shall be written by a carrier with a financial size category of VII and at least a rating of "A-" by A.M. Best Key Rating Guide. The coverages and limits are to be considered minimum requirements and in no way limit the liability of the Vendor(s). Any immunity available to TIPS or TIPS Members shall not be used as a defense by the contractor's insurance policy. Only deductibles applicable to property damage are acceptable, unless proof of retention funds to cover said deductibles is provided. "Claims made" policies will not be accepted. Vendor's required minimum coverage shall not be suspended, voided, cancelled, non-renewed or reduced in coverage or in limits unless replaced by a policy that provides the minimum required coverage except after thirty (30) days prior written notice by certified mail, return receipt requested has been given to TIPS or the TIPS Member if a project or pending delivery of an order is ongoing. Upon request, certified copies of all insurance policies shall be furnished to the TIPS or the TIPS Member. Vendor agrees that when Vendor or its subcontractors are liable for any damages or claims, Vendor's policy, shall be primary over any other valid and collectible insurance carried by the Member or TIPS.

General Liability:	$1,000,000 each Occurrence/Aggregate
Automobile Liability:	$300,000 Includes owned, hired & non-owned
Workers' Compensation:	Statutory limits for the jurisdiction in which the Vendor performs under this Agreement. If Vendor performs in multiple jurisdictions, Vendor shall maintain the statutory limits for the jurisdiction with the greatest dollar policy limit requirement.
Umbrella Liability:	$1,000,000 each Occurrence/Aggregate

32. **Waiver.** No waiver of any single breach or multiple breaches of any provision of this Agreement shall be construed to be a waiver of any breach of any other provision. No delay in acting regarding any breach of any provision shall be construed to be a waiver of such breach.

33. **Binding Agreement.** This Agreement shall be binding and inure to the benefit of the Parties hereto and their respective heirs, legal successors, and assigns.

34. **Headings.** The paragraph headings contained in this Agreement are included solely for convenience of reference and shall not in any way affect the meaning or interpretation of any of the provisions of this Agreement.

35. **Choice of Law and Venue.** This Agreement shall be governed by, construed, and enforced in accordance with the laws of the State of Texas. Any proceeding, claim, action, or alternative dispute resolution arising out of or relating to this Agreement or involving TIPS shall be brought in a State Court of competent jurisdiction in Camp County, Texas, or if Federal Court is legally required, a Federal Court of competent jurisdiction in the Eastern District of Texas, and each of the Parties irrevocably submits to the exclusive jurisdiction of said court in any such proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of the proceeding shall be heard and determined only in any such court, and agrees not to bring any proceeding arising out of or relating to this procurement process or any contract resulting from or and contemplated transaction in any other court. The Parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and freely bargained for agreement between the Parties irrevocably to waive any objections to venue or to convenience of forum.

36. **Relationship of the Parties.** Nothing contained in this Agreement shall be construed to make one Party an agent of the other Party nor shall either party have any authority to bind the other in any respect, unless expressly authorized by the other party in writing. The Parties are independent contractors and nothing in this Agreement creates a relationship of employment, trust, agency or partnership between them.

37. **Assignment.** No assignment of this Agreement or of any duty or obligation of performance hereunder, shall be made in whole or in part by a Party hereto without the prior written consent of the other Party. Written consent of TIPS shall not be unreasonably withheld.

38. **Minimum Condition and Warranty Requirements for TIPS Sales.** All goods quoted or sold through a TIPS Sale shall be new unless clearly stated otherwise in writing. All new goods and services shall include the applicable manufacturers minimum standard warranty unless otherwise agreed to in the Supplemental Agreement.

39. **Minimum Customer Support Requirements for TIPS Sales.** Vendor shall provide timely and commercially reasonable support for TIPS Sales or as agreed to in the applicable Supplemental Agreement.

40. **Minimum Shipping Requirements for TIPS Sales.** Vendor shall ship, deliver, or provide ordered goods and services within a commercially reasonable time after acceptance of the order. If a delay in delivery is anticipated, Vendor shall notify the TIPS Member as to why delivery is delayed and provide an updated estimated time for completion. The TIPS Member may cancel the order if the delay is not commercially acceptable or not consistent with the Supplemental Agreement applicable to the order.

41. **Minimum Vendor License Requirements.** Vendor shall maintain, in current status, all federal, state, and local licenses, bonds and permits required for the operation of the business conducted by Vendor. Vendor shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of goods or services under the TIPS Agreement. TIPS and TIPS Members reserve the right to stop work and/or cancel a TIPS Sale or terminate this or any TIPS Sale Supplemental Agreement involving Vendor if Vendor's license(s) required to perform under this Agreement or under the specific TIPS Sale have expired, lapsed, are suspended or terminated subject to a 30-day cure period unless prohibited by applicable statue or regulation.

42. **Minimum Vendor Legal Requirements.** Vendor shall remain aware of and comply with this Agreement and all local, state, and federal laws governing the sale of products/services offered by Vendor under this contract. Such applicable laws, ordinances, and policies must be complied with even if not specified herein.

43. **Minimum Site Requirements for TIPS Sales (*when applicable to TIPS Sale*).**

Cleanup: When performing work on site at a TIPS Member's property, Vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by the TIPS Member or as agreed by the parties. Upon completion of work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition.

Preparation: Vendor shall not begin a project for which a TIPS Member has not prepared the site, unless Vendor does the preparation work at no cost, or until TIPS Member includes the cost of site preparation in the TIPS Sale Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

Registered Sex Offender Restrictions: For work to be performed at schools, Vendor agrees that no employee of Vendor or a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are, or reasonably expected to be, present unless otherwise agreed by the TIPS Member. Vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the TIPS Sale at the TIPS Member's discretion. Vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.

Safety Measures: Vendor shall take all reasonable precautions for the safety of employees on the worksite, and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Vendor shall post warning signs against all hazards created by the operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

Smoking: Persons working under Agreement shall adhere to the TIPS Member's or local smoking statutes, codes, ordinances, and policies.

44. **Payment for TIPS Sales.** TIPS Members may make payments for TIPS Sales directly to Vendor, Vendor's Authorized Reseller, or as otherwise agreed to in the applicable Supplemental Agreement after receipt of the invoice and in compliance with applicable payment statutes. Regardless of how payment is issued or received for a TIPS Sale, Vendor is responsible for all reporting and TIPS Administration Fee payment requirements as stated herein.

45. **Marketing.** Vendor agrees to allow TIPS to use their name and logo within the TIPS website, database, marketing materials, and advertisements unless Vendor negotiates this term to include a specific acceptable-use directive. Any use of TIPS' name and logo or any form of publicity, inclusive of press release, regarding this Agreement by Vendor must have prior approval from TIPS which will not be unreasonably withheld. Request may be made by email to tips@tips-usa.com. For marketing efforts directed to TIPS Members, Vendor must request and execute a separate Joint Marketing Disclaimer, at marketing@tips-usa.com, before TIPS can release contact information for TIPS Member entities for the purpose of marketing your TIPS contract(s). Vendor must adhere to strict Marketing Requirements once a disclaimer is executed. The Joint Marketing Disclaimer is a supplemental agreement specific to joint marketing efforts and has no effect on the terms of the TIPS Vendor Agreement. Vendor agrees that any images, photos, writing, audio, clip art,

music, or any other intellectual property ("Property") or Vendor Data utilized, provided, or approved by Vendor during the course of the joint marketing efforts are either the exclusive property of Vendor, or Vendor has all necessary rights, license, and permissions to utilize said Property in the joint marketing efforts. Vendor agrees that they shall indemnify and hold harmless TIPS and its employees, officers, agents, representatives, contractors, assignees, designees, and TIPS Members from any and all claims, damages, and judgments involving infringement of patent, copyright, trade secrets, trade or services marks, and any other intellectual or intangible property rights and/or claims arising from the Vendor's (including Vendor's officers', employees', agents', Authorized Resellers', subcontractors', licensees', or invitees') unauthorized use or distribution of Vendor Data and Property.

46. **Tax Exempt Status of TIPS Members.** Most TIPS Members are tax exempt entities and the laws and regulations applicable to the specific TIPS Member customer shall control.

47. **Automatic Renewal Limitation for TIPS Sales.** No TIPS Sale may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated into a TIPS Sale Supplemental Agreement shall only be valid and enforceable when Vendor received written confirmation of acceptance of the renewal term from the TIPS Member for the specific renewal term. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. Any TIPS Sale Supplemental Agreement containing an "Automatic Renewal" clause that conflicts with these terms is rendered void and unenforceable.

48. **Choice of Law Limitation for TIPS Sales.** Vendor agrees that if any "Choice of Law" provision is included in any TIPS Sale agreement/contract between Vendor and a TIPS Member, that clause must provide that the "Choice of Law" applicable to the TIPS Sale agreement/contract between Vendor and TIPS Member shall be the state where the TIPS Member operates unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing a "Choice of Law" clause that conflicts with these terms is rendered void and unenforceable.

49. **Venue Limitation for TIPS Sales.** Vendor agrees that if any "Venue" provision is included in any TIPS Sale Agreement/contract between Vendor and a TIPS Member, that clause must provide that the "Venue" for any litigation or alternative dispute resolution shall be in the state and county where the TIPS Member operates unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing a "Venue" clause that conflicts with these terms is rendered void and unenforceable.

50. **Indemnity Limitation for TIPS Sales.** Texas and other jurisdictions restrict the ability of governmental entities to indemnify others. Vendor agrees that if any "Indemnity" provision which requires the TIPS Member to indemnify Vendor is included in any TIPS sales agreement/contract between Vendor and a TIPS Member, that clause must either be stricken or qualified by including that such indemnity is only permitted, "to the extent permitted by the laws and constitution of [TIPS Member's State]" unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing an "Indemnity" clause that conflicts with these terms is rendered void and unenforceable.

51. **Arbitration Limitation for TIPS Sales.** Vendor agrees that if any "Arbitration" provision is included in any TIPS Sale agreement/contract between Vendor and a TIPS Member, that clause may not require that the arbitration is mandatory or binding. Vendor agrees that if any "Arbitration" provision is included in any TIPS Sale agreement/contract between Vendor and a TIPS Member, that clause provides for only voluntary and non-binding arbitration unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing a "Arbitration" clause that conflicts with these terms is rendered void and unenforceable.

In Witness Whereof, the parties hereto, each acting under due and proper authority, have signed this Agreement.

36

Minimum Percentage Discount Offered to TIPS Members on all Goods and Services (READ CAREFULLY)

Please read thoroughly and carefully as an error on your response can render your contract award unusable.

TIPS Members often turn to TIPS Contracts for ease of use and to receive discounted pricing.

What is the minimum percentage discount that you can offer TIPS Members off of all goods and service pricing (whether offered through Pricing Form 1, Pricing Form 2, or in another accepted format) that you offer? Only limited goods/services specifically identified and excluded from this discount in Vendor's original proposal may be excluded from this discount.

Vendor must respond with a percentage from 0%-100%. The percentage discount that you input below will be applied to your "Catalog Pricing", as defined in the solicitation, for all TIPS Sales made during the life of the contract. You cannot alter this percentage discount once the solicitation legally closes. You will always be required to discount every TIPS Sale by the percentage included below with the exception of limited goods/services specifically identified and excluded from this discount in Vendor's original proposal. If you add goods or services to your "Catalog Pricing" during the life of the contract, you will be required to sell those new items with this discount applied.

Example: In this example, you enter a 10% minimum percentage discount below. In year-one of your TIPS Contract, your published "Catalog Pricing" (website/store/published pricing) for "Tablet A" is $100 and for "Tablet Set-Up Service" is $100. In this example, you must sell those items under the TIPS Contract at the proposed 10% discounted price of: "Tablet A" - $90, "Tablet Set-Up Service" - $90. In year two of your TIPS Contract, you update your "Catalog Pricing" with the market. You add "Tablet B" to your "Catalog Pricing" for $200 and have increased the price of "Tablet A" to $110 and the price of "Tablet Set-Up Service" to $110. In this example, after the "Catalog Pricing" update, you must still sell those items under the TIPS Contract at the proposed 10% discounted price of: "Tablet A" - $99, "Tablet Set-Up Service" - $99, and "Tablet B" - $180.00.

With the exception of limited goods/services specifically identified and excluded from this discount in Vendor's original proposal, if you cannot honor the discount on all goods and items now included or which may be added in the future with certainty, then you should offer a lesser discount percentage below.

What is the minimum percentage discount that you can offer TIPS Members off of all goods and service pricing (whether offered through Pricing Form 1, Pricing Form 2, or in another accepted format) that you offer?

60%

37	**Honoring Vendor's Minimum Percentage Discount** Vendor is asked in these Attribute Questions to provide a Minimum Percentage Discount offered to TIPS Members on all goods and services sold under the TIPS Contract. Points will be assigned for your response and scoring of your proposal will be affected. A "YES" answer will be awarded the maximum 10 points and a "NO" answer will be awarded 0 points. Does Vendor agree to honor the Minimum Percentage Discount off of their TIPS "Catalog Pricing" that Vendor proposed for all TIPS Sales made for the duration of the TIPS Contract? Yes, Vendor agrees
38	**Volume and Additional Discounts** In addition to the Minimum Percentage Discount proposed herein, does Vendor ever expect and intend to offer additional, greater, or volume discounts to TIPS Members? Point(s) may be assigned for your response in the category of "Pricing" during scoring and evaluation. No
39	**"Catalog Pricing" and Pricing Requirements** **This is a requirement of the TIPS Contract and is non-negotiable.** In this solicitation and resulting contract, "Catalog Pricing" shall be defined as: "The then available list of goods or services, in the most current listing regardless of date, that takes the form of a catalog, price list, price schedule, shelf-price or other viewable format that: A. is regularly maintained by the manufacturer or Vendor of an item; and B. is either published or otherwise available for review by TIPS or a customer during the purchase process; C. to which the Minimum Percentage Discount proposed by the proposing Vendor may be applied. If awarded on this TIPS Contract, for the duration of the contract, Vendor agrees to provide, upon request, their then current "Catalog Pricing." Or, in limited circumstances where Vendor has proposed the Percentage Mark-Up method of pricing in this proposal, proof of Vendor's "cost" may be accepted by TIPS in place of catalog pricing. YES

40

EXCEPTIONS & DEVIATIONS TO TIPS STANDARD TERMS AND CONDITIONS

Vendor agrees that, if awarded, Vendor's final TIPS Contract will consist of the provisions set forth in the finalized TIPS Vendor Agreement, Vendor's responses to these attribute questions, and: (1) The TIPS solicitation document resulting in this Agreement; (2) Any addenda or clarifications issued in relation to the TIPS solicitation; (3) All solicitation information provided to Vendor by TIPS through the TIPS eBid System; (3) Vendor's entire proposal response to the TIPS solicitation including all accepted required attachments, acknowledged notices and certifications, accepted negotiated terms, accepted pricing, accepted responses to questions, and accepted written clarifications of Vendor's proposal, and; any properly included attachments to the TIPS Contract. In the event of conflict between the terms of the finalized Vendor Agreement and one of the incorporated documents the terms and conditions which are in the best interest of governmental/qualifying non-profit TIPS Members shall control at TIPS sole discretion.

If Vendor responds, "No, Vendor does not agree" to this Attribute, after this solicitation legally closes and TIPS begins evaluating Vendor's file, TIPS will provide Vendor with a draft Word Document version of the Vendor Agreement and will be instructed to include all requested negotiations as redline edits for TIPS consideration. This is the only proper way to submit proposed deviations for TIPS consideration. TIPS reserves the right to accept, decline, or modify Vendor's requested negotiated terms. For this reason, answering "No, Vendor does not agree" may ultimately delay or prevent award.

Does Vendor agree with TIPS standard terms and conditions as presented in the TIPS solicitation document (RFP, RCSP, RFQ, or other) and the TIPS Vendor Agreement document?

Yes, Vendor agrees

41

No other method of reporting is acceptable unless agreed to by the Parties in writing. Failure to report all sales pursuant to this provision may result in immediate cancellation of Vendor's TIPS Contract(s) for cause at TIPS' sole discretion.

The TIPS Administration Fee amount is typically a set percentage of each TIPS Sale legally due to TIPS, but the exact TIPS Administration Fee for this Contract is published in the corresponding RFP or RCSP document. TIPS Administration Fees are due to TIPS immediately upon Vendor's receipt of payment, including partial payment, for a TIPS Sale.

By submitting a proposal, Vendor agrees that it has read, understands, and agrees to the published TIPS Administration Fee amount, calculation, and payment requirements. By submitting a proposal Vendor further confirms that all TIPS Pricing includes the TIPS Administration Fee and Vendor will not show adding the TIPS Administration Fee as a charge or line-item in any TIPS Sale.

Government Code § 2155.005)** **This is a requirement of the TIPS Contract and is non-negotiable.** By submission of this bid or proposal, Vendor certifies under penalty of perjury of the laws of the State of Texas that: (1) I am duly authorized to execute this proposal/contract on my own behalf or on behalf of the company, corporation, firm, partnership or individual (Vendor) identified herein; (2) In connection with this proposal, neither I nor any representative of Vendor has violated any provision of the Texas Free Enterprise and Antitrust Act, Tex. 46	**Limitation on Out-of-State Litigation - Texas Business and Commerce Code § 272** **This is a requirement of the TIPS Contract and is non-negotiable.** Texas Business and Commerce Code § 272 prohibits a construction contract, or an agreement collateral to or affecting the construction contract, from containing a provision making the contract or agreement, or any conflict arising under the contract or agreement, subject to another state's law, litigation in the courts of another state, or arbitration in another state. If included in Texas construction contracts, such provisions are voidable by a party obligated by the contract or agreement to perform the work. By submission of this proposal, Vendor acknowledges this law and ***if Vendor enters into a construction contract with a Texas TIPS Member*** under this procurement, Vendor certifies compliance.

47 **Required Confidentiality Claim Form**

This is a requirement of the TIPS Contract and is non-negotiable.

Vendor must execute this form by either signing and waiving any confidentiality claim, or designating portions of Vendor's proposal confidential. If Vendor considers any portion of Vendor's proposal to be confidential and not subject to public disclosure pursuant to Chapter 552 Texas Gov't Code or other law(s) and orders, Vendor must have identified the claimed confidential materials through proper execution of the Confidentiality Claim Form.
If TIPS receives a public information act or similar request, any responsive documentation not deemed confidential by you in this manner will be automatically released. For Vendor documents deemed confidential by you in this manner, TIPS will follow procedures of controlling statute(s) regarding any claim of confidentiality and shall not be liable for any release of information required by law, including Attorney General determination and opinion.

Notwithstanding any other Vendor designation of Vendor's proposal as confidential or proprietary, Vendor's submission of this proposal constitutes Vendor's agreement that proper execution of the required TIPS Confidentiality Claim Form is the only way to assert any portion of Vendor's proposal as confidential.

Article 3, Section 52 of the Texas Constitution states that "no debt shall be created by or on behalf of the State … " and the Texas Attorney General has opined that a contractually imposed obligation of indemnity creates a "debt" in the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Thus, contract clauses which require TIPS to indemnify Vendor, pay liquidated damages, pay attorney's fees, waive Vendor's liability, or waive any applicable statute of limitations must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas."

Mediation shall be held in either Camp or Titus County, Texas. Agreements reached in mediation will be subject to the approval by the Region 8 ESC's Board of Directors, authorized signature of the Parties if approved by the Board of Directors, and, once approved by the Board of Directors and properly signed, shall thereafter be enforceable as provided by the laws of the State of Texas.

Executive Summary

ES-05 Executive Summary – 24 CFR 91.200(c), 91.220(b)

1. Introduction

Every five years, Kane-Elgin HOME Consortium develops a Consolidated Plan, which establishes the priorities and goals for the allocation of funding from the U.S. Department of Housing and Urban Development (HUD) Development formula block grant programs: Community Development Block Grant and HOME Investment Partnership program. Funds from these programs are used to assist with a variety of housing and community development activities, including but not limited to, homeless services, new construction of affordable housing units, renovation and rehabilitation of existing affordable housing, provision of essential public services, and improvements to neighbor infrastructure. The Plan covers the geographic area of the County Consortium jurisdiction, which comprises 25 of the 30 municipalities in the County plus the unincorporated areas. The five municipalities not belonging to the Consortium prepare separate Consolidated Plans, work within the state program, or participate with a different consortium.

The Consolidated Plan is designed to help jurisdictions assess their affordable housing and community development needs, foster a community-wide dialogue about funding priorities, and to ultimately make data-driven and place-based investment decisions regarding federal

In addition to outlining the priorities and goals for program year 2025-2029 the Consolidated Plan outlines activities for Program Year 2025 that address these priorities. In the 2025 program year the consortium anticipates the availability of funding in the following amounts; $ $ 2,147,943.52 in Community Development Block Grant; $2,643,729 in HOME Partnership Program funds; and $241,434 in Continuum of Care funding. Details for each funding source are included in the table below.

2. Summary of the objectives and outcomes identified in the Plan Needs Assessment Overview

The goals of the CDBG and HOME programs are to provide decent housing, a suitable living environment for the cities' low and moderate income residents, and economic opportunities for low moderate income residents. The partners in the Kane-Elgin Consortium strive to accomplish these goals by maximizing and effectively utilizing all available funding resources to conduct housing and community development activities. These goals are further explained as follows:

*Providing decent housing means assisting those at risk of homelessness; preserving/developing additional affordable housing stock, and offering down payment and closing cost assistance for low and moderate income persons

*Providing a suitable living environment entails improving the safety and livability of neighborhoods.

*Expanding economic opportunities involves creating jobs that are accessible to low and moderate income persons.

The following outcome options help to identify the type of change/result that is sought by each activity:

*Availability/Accessibility: Activities that make services, infrastructure, housing, or shelter available or accessible to low- and moderate-income people, including persons with disabilities. *Accessibility does not refer only to physical barriers, but to making the affordable basics of daily living available and accessible to low- and moderate-income people.

*Affordability: Activities that provide affordability in a variety of ways in the lives of low- and moderate-income people. This can include the creation or maintenance of affordable housing, basic infrastructure hookups, or services including transportation or day care.

*Sustainability: Projects where the activity is aimed at improving communities or neighborhoods, helping to make them livable or viable by providing benefit to persons of low- and moderate-income or by removing or eliminating slum or blighted areas, through multiple activities or services that sustain communities or neighborhoods.

Progress toward Outcomes is measured with Output Indicators, as defined by HUD. Objectives are combined with Outcomes to produce an Outcome Statement. Outcomes are the "benefits" relating to a change in conditions, status, attitudes, knowledge, or behavior that result from the funded programs. Table #2 below provides more details related to the Consortium's priorities.

Draft

Table #2 Kane-Elgin Consortium 2025-2029 Priorities
Priority #1 Affordable Housing
Under the Affordable Housing priority, the Consortium will: • Increase homeownership opportunities for low and moderate-income households (less than or equal to 80% of area median income,) • Improve the quality, expand the supply, and/or increase the diversity of affordable rental units available to lower-income households (less than or equal to 80% of area median income). • Implement an owner occupied single-family dwelling rehabilitation program funded by both HOME and CDBG funds for low to moderate income households. • Provide first-time homebuyer assistance to low-income homeowners throughout the area. • Continue to further fair housing in the County through educating the public on fair housing laws.
Priority #2 Neighborhood Improvement
When appropriate, the county and city will strategically utilize their Federal funding to provide "gap" funding for critical, targeted, neighborhood improvement projects. Generally, there are four main focus areas of neighborhood improvement priority which could be targeted with Federal funds: • Sanitary and Storm water drainage systems, • Watermain replacement, • Neighborhood streets, curbs, and sidewalks • Neighborhood parks and playgrounds
Priority #3 Homeless Services
The Consortium will continue to work with the Continuum of Care for Kane County to support the availability of services and facilities that assist persons at risk of homelessness.

3. Evaluation of past performance

At the end of each program year the Kane-Elgin Consortium submits to HUD a Consolidated Annual Performance and Evaluation Report (CAPER). This document states the objectives and outcomes identified in each year's Annual Action Plan and includes an evaluation of past performance through measurable goals and objectives compared to actual performance. To date the Consortium has completed four program years. Table #3 shows the number and types of projects completed in program years 2021-2024.

Draft

Table #3 Kane-Elgin Consortium Accomplishments Program Years 2021 thru 2024		
Goal	**Outcome**	**Number assisted**
Creation of Affordable Owner Occupied Housing	Affordable Homeowner Housing Developed	12 Units
Creation of Affordable Owner Occupied Housing	Homeowner Housing Rehabilitated	17 Units
Creation of Affordable Rental Housing	Rental Units rehabilitated	23 Units
Homeless Services	Homeless Management Information System	2,465 Persons
Neighborhood Improvements	Neighborhood Infrastructure (i.e. streets or parks)	26,510 Persons

During this time frame the Consortium has made significant contributions to supply new and rehabilitated affordable housing units. This includes funding for the construction of affordable rental units for the elderly and families, rehabilitation and new construction of single-family housing units to promote homeownership, rehabilitation of owner-occupied homes, and assisting local jurisdictions with the updating of neighborhood infrastructure (including streets and parks). The Consortium was successful at investing resources to address priority needs, ensuring compliant implementation of projects and programs, and achieving anticipated outcomes.

The Consortium will continue to evaluate the performance of its partners, programs, and projects. Through regular ongoing monitoring, the Consortium will ensure activities are implemented effectively and that the funded activities are addressing community needs.

4. Summary of citizen participation process and consultation process

In the development of the 2025-2029 Consolidated Plan and the 2025 Annual Action Plan public outreach and citizen participation was instrumental. Prior to completing a draft of the plan the Consortium completed the following process of identifying priority housing and community development needs for 2025 thru 2029 and the 2025 projects that meet those needs. These steps included:

Draft

• 3 community meetings on the needs of homeless within Kane County in fall of 2024 (8 persons with lived experience, 15 community stakeholders)

• 1 community meeting with local landlords, housing developers and property owners in April of 2025 (63 attendees)

• Housing and Community Development Priority needs survey emailed to over 100 individuals with an interest in Housing and Community Development issues in Kane County. 18 responses.

• Homelessness and Housing needs survey emailed to79 individuals with an interest in Homelessness and Housing issues in Kane County. 46 responses.

• Community Development Commission public meeting discussing funding for priority housing and community development needs included in the 2025-2029 Consolidated Plan and 2025 Annual Action Plan.

• Kane-Elgin HOME Commission public meeting discussing funding for affordable housing priorities included in the 2025-2029 Consolidated Plan and 2025 Annual Action Plan.

Following the development and release of the draft plan two public meetings were held to garner feedback on the plans findings. In addition to the public hearings the plan released for 30 days of public review and written comment. Each of the steps described above was designed to offer residents and stakeholders the opportunity to comment on the 2025-2029 Consolidated Plan.

5. Summary of public comments

To be updated following completion of public comment period on 8/10/25.

6. Summary of comments or views not accepted and the reasons for not accepting them

To be updated following completion of public comment period on 8/10/25.

7. Summary

The 2025-2029 Consolidated Plan provides a framework through which the Kane-Elgin Consortium manages its federal entitlement programs related to housing and community development. Data were provided through HUD's eCon software system, utilizing American Community Survey data and other sources, to construct the needs assessment and market analysis. The Consortium worked with local service providers, local government partners, real estate professionals, and other concerned citizens to develop the strategic plan and annual action plan, both designed to address needs within the consortium as identified through the public participation process and needs assessment.

Summary:

The Workforce Development Department has an existing contract with Kerber, Eck & Braeckel LLP (KEB), of Springfield, IL to provide financial assistance while Workforce is in the process of filling its open Fiscal Manager position and train any new hire. The contract with KEB was for $120,000 and expires on December 31, 2025. Due to the backlog in processing transactions, catching up on reporting deadlines, and that the Fiscal Manager position is still open, more financial assistance has been required. Workforce is requesting that an amendment be processed to the existing contract to increase the contract amount from $120,000 to $150,000. The contract is funded entirely with grant funds.

March 5, 2025

Dear Madam Chair,

Kerber, Eck & Braeckel LLP (KEB) is pleased to submit this proposed scope of work to the Kane County Board to support essential functions in administering federal and state grants under the Workforce Innovation and Opportunity Act (WIOA) and pursuant to active Grant Agreements with the Illinois Department of Commerce and Economic Opportunity (DCEO).

KEB's scope of work pertains to fiscal management and oversight of WIOA grant funds. Any KEB services pertaining to non-WIOA grants will be subject to your direction, tracked separately and denoted for invoicing purposes.

This consulting assistance follows a prior engagement in 2021 to support Kane County Office of Community Reinvestment's implementation of a corrective action plan issued by DCEO.

This consulting assistance continues services that KEB provided to the Kane County Office of Community Reinvestment between April 2024 and December 2024, when we supported the transition of fiscal management staff to ensure compliance, meet reporting requirements and build the office's institutional knowledge of fiscal procedures.

This letter describes a specific scope of work, approach and fee estimate for supporting the Office of Community Reinvestment in processing invoices, reconciling funds, completing required reporting, and improving coordination between WIOA fiscal and program administrators and staff.

While the intended outcome is to ensure compliance with WIOA and state requirements, KEB's training, tools and sharing of best practices are intended to continue building capacity for fiscal and program administrators to report accurate information to DCEO, the Kane County Board and the Local Workforce Innovation Board (LWIB) so it can carry out its responsibilities to oversee WIOA grant funds.

The specific scope of work and approach follows.

Scope of Work and Approach

KEB will start by confirming our understanding of Kane County's priorities for the Office of Community Reinvestment over the next 30, 60 and 90 days. One known priority is to clear a backlog of cost claims to reimburse sub-recipients that have WIOA contracts with Kane County for service delivery in Local Workforce Innovation Area (LWIA) 5, which covers Kane, Kendall and DeKalb Counties.

Upon your approval, KEB will seek immediate and remote access to the following:

1. Kane County portal;
2. Kane County accounting system, including the ability to process invoices;
3. Local accounting drives and directories;
4. Current sub-recipient contracts and cost claims;
5. A new username and password to access the state's Grant Reporting System (GRS).

KEB will provide direct technical assistance as follows:

1. **Process cost claims for sub-recipients with contracts for WIOA service delivery.**
   Estimate 40 hours in the first month, with decreasing hours every month thereafter.
   a. KEB will work with Kane County management to confirm the current policy for sub-recipient reimbursements, reimbursement processes, reimbursement forms, and current accounts payable.
   b. KEB will work directly with service providers that have active contracts for WIOA service delivery. We will confirm current contract terms, obtain supportive documentation, and cure deficient cost claims to expedite payment of eligible expenses per their contracts.
   c. KEB will update Kane County Office of Community Reinvestment cost claims procedures, forms, and training material, as needed.
   d. KEB will train staff to build internal capacity, gradually transitioning responsibility of the process to designated staff.

2. **Complete monthly and quarterly reconciliation and reporting in the Grant Reporting System (GRS) for active WIOA grants.**
   Estimate 24 hours per month until the function can transition to Kane County staff.
   KEB will reconcile revenues, obligations and expenditures for all active grants for WIOA Program Year 2023 and Program Year 2024 to enable accurate data entry into GRS, which is essential for accurate accounting of funds available and meeting DCEO benchmarks.
   a. KEB will perform monthly crosswalk balancing for WIOA expenditures for Adult, Dislocated Worker and Youth programs.
   b. KEB will perform monthly reporting of expenditures by WIOA program into GRS by the 18th each month.
   c. KEB will perform monthly reporting of obligations across all WIOA active grants into GRS by the 30th every month.

d. KEB will help coordinate program and fiscal staff to complete Required Periodic Financial Reports and Required Periodic Performance Reports, per the Grant Agreement with DCEO.
    i. KEB will perform the fiscal quarterly reporting into GRS, which includes reconciling quarterly reports with monthly reports and/or close-out of any completed grants.
    ii. Kane County program staff will compile necessary data about participant-level outcomes per the Required Periodic Performance Reports. Then KEB will submit the combined Required Periodic Financial Reports and Required Periodic Performance Reports to DCEO by email.
e. KEB will train staff to build internal capacity, gradually transitioning responsibility of the process to designated staff.

3. **Complete monthly reporting to the Local Workforce Innovation Board (LWIB) and program/fiscal tracking of DCEO benchmarks.**
Estimate 8 hours in the first month, with 4 hours every month thereafter.
    a. KEB will support staff in applying an existing fiscal toolkit developed in 2021, using monthly GRS reporting to populate a dashboard of obligations, expenditures and DCEO benchmarks for WIOA Title IB grant funds available.
    b. KEB will train program and fiscal staff in understanding the benchmarks and the dashboard, which will inform future collaboration in tracking the status of funds.
    c. KEB will train designated staff or liaison to the Local Workforce Innovation Board (LWIB) to present the dashboard during regular LWIB meetings to support the board's oversight of DCEO benchmarks.
    d. KEB will periodically attend monthly managers' meetings of program and fiscal staff to highlight DCEO benchmark tracking and considerations for resource allocations.

4. **Complete Quarterly Rapid Response Reporting on the Trade Act Participant Report (TAPR).** KEB will perform TAPR reporting required by the U.S. Department of Labor, tracking the financial support provided to individuals enrolled in the Trade Adjustment Assistance (TAA) program as the result of a layoff event.
Estimate 8 hours for each quarterly reporting period, with 1 hour per month to track activity.
    a. KEB will reconcile participant-level data of obligations and expenditures for eligible TAA participants. This includes reconciling participant-level data in the Illinois Workforce Development System (IWDS) to Kane County accounts payable.
    b. Then KEB will complete and submit by email the TAPR reporting to the state Trade grant managers.
    c. KEB will update procedures, as needed.
    d. KEB will train staff to build internal capacity, gradually transitioning responsibility of the process to designated staff.

5. **Reconcile MOU shared costs and invoice support for cost-sharing agreements between WIOA partners.** KEB will perform and support designated staff in applying existing procedures to reconcile budgeted to actual costs in WIOA Program Year 2024 Memorandum

of Understanding (MOU), invoicing of actual funds owed by partners to Kane County.
Estimate 10 hours in the first month, followed by 4 hours per month thereafter except for 6 hours following a final reconciliation period for the end of a fiscal/program year.

a. KEB will reconcile budgeted to actual costs incurred by Kane County pursuant to the current MOU between WIOA partners for shared costs of the local workforce system.
b. Pending access Kane County accounting systems, KEB will prepare and administer invoices to all parties in the MOU for their agreed-upon allocation of shared costs.
c. KEB will train staff to build internal capacity, gradually transitioning responsibility of the process to designated staff.

6. **Ongoing staff training and procedures documentation.** KEB will continue to provide resources, templates, and best practices through an initial orientation of any new or existing staff, regular virtual meetings, written guidelines, updated procedures or other tools to build capacity and document institutional knowledge.
Estimate 10 hours per month for direct technical assistance and/or cross-training.
Estimate 48 hours to help onboard any new hires of key staff (e.g., fiscal director, WIOA administrator, board liaison, or manager responsible for finance functions) during the term of this agreement.

a. KEB will support the onboarding of new staff as positions are filled.
b. KEB will identify opportunities for cross-training of program and fiscal staff on an ongoing basis.

Summary:

The County is currently in the process of developing the 2026 Budget and as part of that process determining the amount of revenues available to be appropriated. The Illinois Department of Revenue (IDOR) has indicated that, for 2025 property tax extensions (payable in 2026), the Consumer Price Index to be used for computing the extension limitation and debt service extension base is 2.9%. The General Fund – General Account continues to operate with budget deficits, relying on a shrinking fund balance to pay for operating expenses. This resolution is for the County Board to provide ***direction only*** to incorporate a 2.9% property tax increase into the 2026 Budget and that this 2.9% increase be allocated to the General Fund – General Account.

PTELL – CPI for 2025 Extensions - Property Taxes Payable 2026

TO: County Assessors, Clerks and Tax Extenders in Counties Containing Taxing Districts Subject to the Property Tax Extension Limitation Law (PTELL)

FROM: Brad Kriener
Property Tax Division

DATE: 1/15/25

SUBJECT: CPI Change for 2025 Extensions (for property taxes payable in 2026) for Taxing Districts Subject to PTELL

The Consumer Price Index (CPI) "cost of living" or inflation percentage to use in computing the 2025 extensions (taxes payable in 2026) under PTELL is 2.9%

Section 18-185 of the Property Tax Code defines CPI as "the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor." This index is sometimes referred to as CPI-U. Section 18-185 defines "extension limitation" and “debt service extension base” as "...the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year..." (emphasis added).

For 2025 extensions (taxes payable in 2026), the CPI to be used for computing the extension limitation and debt service extension base is 2.9%. The CPI is measured from December 2023 to December 2024. The U.S. City Average CPI for December 2023 was 306.746 and 315.605 for December 2024. The CPI change is calculated by subtracting the 2023 CPI from the 2024 CPI. The amount is then divided by the 2023 CPI which results in 2.9% CPI. (315.605 – 306.746)/306.746 = 2.9%. The Statute indicates the lesser of 5% or the actual percentage increase, in this case 2.9% is the lesser amount.

Information on PTELL may be accessed through the department’s web site at tax.illinois.gov under the "Property Tax" link and the "Property Tax Extension Limitation Law (PTELL)" link under the “General Information and Resources” heading.

If you have any questions concerning the change in the consumer price index (CPI), please contact us at REV.PropertyTax@Illinois.gov.

III. Support Staff Selection Process

A. Develop Short-List of Firms

The County shall review all Statement of Qualifications received and will develop a short-list of firms to consider for this project. Should the County receive a Statement of Qualifications from only one (1) firm, the County will make a determination of whether the one firm is qualified. If it is

determined the one firm which submitted a Proposal is qualified to perform the requested work then negotiations with that firm may begin.

If it is determined that the one firm that submitted a Statement of Qualifications is not qualified to perform the required work then the same procedure will apply as if no firm submitted a Proposal. This procedure is noted in the next paragraph below.

Should no firms submit a Proposal the County may utilize one of the following options:
1. Re-advertise until a Statement of Qualifications is received from a qualified firm; or
2. Submit an inquiry directly to a firm or firms that have a satisfactory relationship for services with the County to determine if any of these firms are available and willing to perform the required work.

The final authority in approving use of either of the above options shall come from the Chairman of the Kane County Board.

In developing the short-list, the County will use qualification criteria as well as professional judgment to ensure the short-listed firms provide the "best fit" for the services being sought.

Some criteria that will be considered include:

1. Experience/qualifications of Lobbyist: Lobbyist's abilities and specific experience; proposed staff and specific staff experience; years in business, experience with contracts for services similar in scope. (This includes resumes of all staff to be assigned to County projects).
2. Quality and completeness of the Statement of Qualifications submitted.
3. Past performance of work completed for the County.
4. Commitment, either based on the firm's statement or from past experience, that the key staff noted will be the same staff performing the majority of the work, especially critical tasks required to complete the services sought.
5. Understanding of the project and functions of the County.

CRITERIA FOR EVALUATION AND SELECTION OF QUALIFIED PROFESSIONALS

All proposals submitted in response to the RFQ will be evaluated based on the following criteria:

CAPABILITY AND QUALIFICATIONS OF THE FIRM	**30%**
SUITABILITY AND QUALITY OF THE APPROACH/METHODOLOGY	**30%**
SCHEDULES, DELIVERABLES AND AVAILABILITY	**30%**
REFERENCES	**10%**

B. Procedure for Ranking Short-Listed Firms

The evaluation team will rank the Short-Listed firms in order of qualifications. The highest ranked firm will have a ranking assignment of #1; the next highest ranked firm shall have a ranking assignment of #2, and so on.

If it is the desire of the evaluation team, interviews of the highest-ranking firms will be conducted. The interview date and time will be designated by the County Board with a minimum of 1 week notice to the firms.

Typical interviews will include key members of the team that will be asked to address their understanding of the staff support needed in greater detail as well as their previous experience. Interviews are typically 20-30 minutes in duration. The ranking of the Short-Listed Firms may be adjusted based on performance during the interview.

C. Recommendation
After a ranking for each of the short-listed firms is completed using this QBS Process, Kane County will inform the highest ranked firm by phone or e-mail.

D. Initiate Negotiations

1. Upon notification from Kane County, contract negotiations shall begin with the highest ranked firm. Fee proposals of personnel will be addressed.
2. The County will invite the highest ranked firm to enter into a Consultant Services Agreement (CSA). Any exceptions to the CSA shall be included with the firms RFQ submittal. The CSA will be negotiated collectively with the highest ranked firm. Failure to reach consensus will result in the firm(s) not being considered further. Following the completion of this phase, County staff will recommend the firm for County Board approval.

ADDENDUM 1

Invitation to Bid: #23-004

Title: Lobbyist Services

The attention of all plan holders is called to the following questions received for the original bid solicitation:

Clarifications & Additional Information

Question: Specifically, our legal team had a question re: Section 12 of the included contract. Section 12 refers to "Section 6.1" of the Illinois Department of Human Rights Rules and Regulations. Our legal department visited this page -- https://dhr.illinois.gov/legal/rules-and-regulations.html -- and based on the numbering, they can't tell what "Section 6.1" is. Is this referenced Section 6.1 something else, perhaps directly in the Illinois Human Rights Act?

Answer: ***Please remove: Section 12*** **"Section 6.1" of the Illinois Department of Human Rights Rules and Regulations and replace with the following:**

EQUAL EMPLOYMENT OPPORTUNITY. The equal employment opportunity clause required by the in all bid specifications therefore furnished by the County to all Vendors, contractors and subcontractors.

The County of Kane, State of Illinois, represents that it and the employing agencies responsible to it, conform to the following:

We do not discriminate against any employee or applicant for employment because of race, creed, color, age, disability, religion, sex, national origin/ancestry, sexual orientation, marital status, veteran status, political affiliation, pregnancy, or any other legally protected status. We will take whatever action is necessary to ensure that applicants and employees are treated appropriately regarding all terms and conditions of employment. We will post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

We will, in all solicitations or advertisements for employees placed by or on behalf of the employing agencies, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, ancestry, age, sex, marital status, military status, sexual orientation, pregnancy or unfavorable discharge from military service. (Ordinance No. Res. No. 82-90, 6-10-80; Res. No. 81-79, 6-9-81; Res. No. 82-90, 6-8-82; Res. No. 05-303, 9-23-05). State law references—Illinois Human Rights Act, 775ILCS 5/1-101 et seq.

Question: Is it possible for consulting firms that don't do physical labor work for the county can be exempted from the insurance requirements? Our company will need a waiver.

Answer: Insurance is requested for all projects that may be conducted on County property. However, for purposes of this RFP, the County will remove the requirement for a $5,000,000.00 Umbrella Liability policy.

Please acknowledge receipt of this Addendum 1. Thank you for your interest in the Kane County procurement process.

RFQ# 23-004
Agreement for Lobbyist Services

This agreement is entered into and will be effective as of the date of the final execution of this contract, between the **COUNTY OF KANE** (the ***"County"***), a body corporate and politic existing under the laws of the State of Illinois, and a unit of local government under §1 of Article VII of the Illinois Constitution (Ill. Const., Art. VII, §1), and McGuireWoods. (the ***"Consultant"***). For and in consideration of the mutual promises set forth herein, the parties agree as follows:

The services to be provided by the Consultant (the ***"Work"***), are set forth in the attached RFQ 23-004.

§ 3. Term of this agreement
The term of this agreement will commence as of the date hereof and continue unless earlier terminated in accordance herewith until the Work is completed.

§ 4. Relationship of Parties

Firm Overview

McGuireWoods Consulting is a leader in developing innovative and strategic ways to serve our clients. Founded in 1998 as a full-service public affairs firm, our consultants provide federal, state and local government relations, national/multistate strategies, infrastructure and economic development, strategic communications and grassroots issue management services. We work in close partnership with our clients, providing seamless and savvy strategies to achieve public affairs objectives and increase federal- and state-level influence.

Unlike many public affairs firms with Washington offices, we have extensive state-level and national practice teams that complement our strong federal group and our professionals work together across all levels of government to optimize results for our clients. We have a broad and diverse array of relationships and contacts with key government officials and agencies, influential former officeholders and staffers, and organizations that impact both public policy and the regulatory process.

While we specialize in helping clients craft workable policy proposals, solve major public policy challenges and advocating our clients' positions on governmental issues, we bring distinct value through multifaceted message development and issue advocacy strategies that help convert the proposals into law. Our team includes registered state or federal lobbyists and consultants with media relations experience and/or expertise in grassroots mobilization, issue campaigns, and coalition building.

McGuireWoods Consulting also possesses the ability to tap the vast substantive knowledge of our McGuireWoods' attorneys. This makes for a potent combination that few firms can match. With the law firm, McGuireWoods Consulting uses client-focused teams to serve public, private, government, and nonprofit clients. We pride ourselves on partnering with clients by listening to their needs, understanding their businesses, and utilizing this knowledge base to provide efficient service.

No matter the issue, we will understand the policy debate, the political context, and the process in which matters of great importance to our clients will be decided.

How We Can Help You

Federal Government Relations

Founded in 1998, McGuireWoods Consulting LLC, subsidiary of the McGuireWoods law firm, is a full-service public affairs firm offering federal, state, and local government relations, infrastructure and economic development, strategic communications and grassroots mobilization services. Our federal public affairs team has significant experience developing and executing integrated public affairs solutions that yield measurable results for our clients. Members of our team skillfully employ tailored strategies and innovative approaches necessary to shape federal policy on behalf of our clients' business goals. We also monitor and engage the full spectrum of committees and agencies influencing the issue at hand to ensure that we garner bipartisan support. In addition, we proactively identify

where federal action could harm client interests, and then strategically deploy our team to build widespread support for positive initiatives to thwart proposals that jeopardize a sound policy environment. A nationally recognized team of skilled public affairs professionals, we understand the legislative process and leverage our substantive expertise across industries to protect our client's interests every step of the way. Our team offers clients the talents of a deep bench of former federal legislators, chiefs of staff, advisors, and government affairs professionals, who collectively draw upon their Capitol Hill experience and insights to meet our client's business needs.

Since congressionally directed funding – frequently referred to as earmarks – returned in 2021, McGuireWoods Consulting has helped several clients harness federal funding totaling millions of dollars. Successful projects range from program expansions for a higher education institution to significant infrastructure improvements for large county government.

Entities typically must submit funding requests to individual Congressional offices during the January – March timeframe to be considered for the congressionally directed spending process. Each office will have its own unique process and strategy for soliciting, approving, and submitting the Congressional Member's "wish list" of projects.

This is a competitive process, and Congressional offices receive hundreds of requests. Funding requests most likely to succeed are those submitted early, strategically crafted to fit the political and policy landscape, and accentuated through sustained Congressional engagement.

In addition, competitive grant opportunities are being released now from both the Bipartisan Infrastructure Law and Inflation Reduction Act. Members of our team have helped clients align Congressional support behind competitive grant opportunities available through these pieces of legislation.

Our team has also worked with local government clients to identify federal financing through loans and loan guarantees. In many cases, local government entities can receive sub-allocations from state governments. With offices in Washington, D.C., and across the country, our team is uniquely positioned to assist entities with securing such allocations.

Public Entities: Securing Federal Funds for 2023 and Beyond Starts Now

Now is the time for local governments, higher education institutions, development authorities and other public entities to best position yourself to harness the once-in-a-generation federal funding flowing out of Washington, D.C. The return of congressionally directed spending, the Bipartisan Infrastructure Law and the Inflation Reduction Act present public sector entities three unique opportunities to fund needed projects.

1. Congressionally Directed Spending is Here to Stay in Congress

In 2021, Congressional leaders announced the return of congressionally directed spending, or earmarks, after a decade-long moratorium. Consequentially, a diverse set of public entities were

granted license to petition individual lawmakers for government funding, in amounts ranging from tens of thousands of dollars to as high as the tens of millions. The incoming House Republican majority recently announced that they would continue the congressionally directed spending program, though process and approval may differ for the 118th Congress.

Examples of Entities Receiving Congressionally Directed Spending in 2022

- County Commissions
- Hospitals
- Local Transportation Departments
- City Governments
- Housing Authorities
- Community Colleges
- Fire, EMS Departments
- Aquariums
- Sheriffs' Offices
- School Districts
- Community Centers
- Rehabilitation Centers
- Landscape Restoration Projects
- State Universities
- Health Centers
- Family Services Providers

2. Bipartisan Infrastructure Law (BIL)

In November 2021, President Biden signed the Infrastructure Investment and Jobs Act (P.L. 117-58), formally enacting the Bipartisan Infrastructure Law (BIL). The BIL provides $973 billion over five years from Fiscal Year (FY) 2022 through FY 2026, including $550 billion in new investments for all modes of transportation, water, power and energy, environmental remediation, public lands, broadband and resilience.

3. Inflation Reduction Act (IRA)

Biden signed the Inflation Reduction Act of 2022 (IRA) into law in August 2022. The bill includes $790 billion in revenue and savings to fund federal deficit reduction and approximately $485 billion in new spending, which includes some $385 billion in new energy and climate-related programs over 10 years and $100 billion to pay for a three-year extension of the Affordable Care Act healthcare premium tax credits. Some examples of funding opportunities for public sector entities include:

- $760 million for grants to state, local, and tribal governments, and other entities to support accelerated siting of interstate electricity transmission lines;
- $7 billion for use through September 2024 in competitive grants to states, municipalities, and tribes for providing grants, loans, or other forms of financial assistance, as well as technical assistance, to enable low-income and disadvantaged communities to deploy or benefit from zero emissions technologies, including distributed technologies on residential rooftops, and to carry out other GHG emissions reduction activities;
- $3 billion for Neighborhood Access and Equity Grants to reconnect communities divided by existing infrastructure barriers, mitigate negative impacts of transportation facilities or construction projects on disadvantaged or underserved communities, and support equitable transportation planning and community engagement activities;
- $1 billion to cover cost of zero emission school buses, garbage trucks, and mass transit buses; and

- $1 billion for improving energy efficiency, water efficiency, or climate resilience of affordable housing. Public housing authorities can participate.

Relevant State of Illinois Experience

We either represent, or have represented: units of local governments; a state agency; institutions of higher education; multiple energy and alternative energy concerns; Fortune 500 companies; groups seeking tax credits, grants and state appropriations; economic development; a variety of vendors seeking to provide services to the State of Illinois, the City of Chicago and Cook County; trade associations; gaming entities; good government associations; the National Football League; aviation industries; telecommunications providers; health insurance and healthcare providers; and financial institutions.

Some specific client successes include (i) changing an unsound tax policy, thereby reducing a client's tax liability by more than $80 million annually, (ii) obtaining unanimous support in the Illinois Senate and House of Representatives for a tax credit to encourage restoration and preservation of historic structures in a specific municipality, (iii) assisting a client in becoming a private manager for the Illinois Lottery, (iv) organizing a grassroots and lobbying campaign to protect and restore college student grant funding in the state budget, (v) passing a tax incentive that encourages businesses to locate or expand operations in Illinois, (vi) persuading legislators to amend a bill and issue a client a license to operate an internet casino, (vii) passing legislation to reform and restructure Medicaid, (viii) passing legislation establishing criteria for property and sales tax exemptions for non-profit hospitals in an effort to bring clarity to an issue that was ambiguous, and (ix) persuading legislators to ban the sale of flavor tobacco wraps that were being marketed to children.

These successes are because the consultants at MWC have been trusted advisors to key legislators and constitutional officers under many administrations and have a vast network of bipartisan relationships in the executive and legislative branches. While relationships are important, the consultants at MWC also possess institutional knowledge and an understanding of the political realities that are at play in Illinois.

McGuireWoods Consulting's bipartisan team in Illinois is well-positioned to represent clients before the executive and legislative branches, local government across the state, in congress and federal agencies, and able to deliver direct lobbying services as well as grassroots and communications services that are part of a comprehensive public affairs strategy.

How We Can Help You

A successful lobbyist will possess two key qualities: relationships that matter and knowledge of the issue. MWC possess both. There was significant turnover in the recent election, resulting in a historic number of new Illinois legislators (7 new Senators and 21 new Representatives) as well as four new members of the Illinois congressional delegation. Our bipartisan team has forged relationships with most of these new members from their days on the campaign trail instead of waiting until after the election like most lobbyists.

MWC's relationships throughout Washington and Springfield are vast, but specific and local to Kane County our team has close ties to the following: Congressional Representatives Casten, Krishnamoorthi, Foster, and Underwood; State Representatives Moeller, Hirschauer, Hernandez, McLaughlin, Ugaste, Ness, Keicher, Hanson, and Kifowit; State Senators Castro, Villa, McConchie, DeWitte, Syverson, Rezin, and Holmes. Additionally, some of our team have relationships with local leaders in the county such as Chair Pierog, Sheriff Hain, and Board Members Berman, Bates, and Gumz.

On top of connections to legislators and congressmembers, our team works with federal agency staff as well as state agency directors and their teams. This includes, but is not limited to (and frequently is most relevant to local governments): US Dept. of Transportation, IL Dept. of Transportation, US Environmental Protection Agency, IL Environmental Protection Agency, US Housing and Urban Development, IL Housing Development Authority, IL Dept. of Commerce and Economic Opportunity, IL Dept. of Natural Resources, and US Army Corps of Engineers.

APPROVING A SUPPLEMENTAL APPROPRIATION FOR PLANK ROAD HIGHWAY SAFETY IMPROVEMENT PROJECT FROM ENGEL ROAD TO WAUGHON ROAD, KANE COUNTY SECTION NO. 19-00524-00-SP

WHEREAS, pursuant to Resolution No. 23-537, the Kane County Board previously appropriated the sum of Two Hundred Eighteen Thousand Four Hundred Twenty-Six and 87/100 Dollars ($218,426.87) for the Kane County Highway No. 22 (Plank Road) Highway Safety Improvement Project from Engel Road to Waughon Road (hereinafter the "Project"); and

WHEREAS, pursuant to Resolution No. 24-299, the Kane County Board previously appropriated an additional sum of Two Hundred Twenty Thousand Dollars ($220,000.00) for the Project. It was later determined the fund source was incorrect and thus these funds are not available; and

WHEREAS, during construction of the Project, it was determined that the plan quantity calculation for earth excavation was underestimated and after balancing the final quantities of all pay items of the Project, it is estimated an extra cost for construction of the Project of One Hundred Ninety-Four Thousand Nine Hundred Fifty-One and 12/100 Dollars $194,951.12; and

WHEREAS, the County deems it prudent to include in its estimated Project cost a contingency of $20,000.00 of the County's share of the Project for any net additions to the IDOT contract not offset by reduced quantities or unused pay items for a total appropriation request of $362,415.64.

NOW, THEREFORE, BE IT RESOLVED that the Kane County Board appropriate the additional sum of Three Hundred Sixty-Two Thousand Four Hundred Fifteen and 64/100 Dollars ($362,415.64) from Motor Fuel Tax Fund #302, Line Item #73000 (Road Construction), for a total County share of the Project appropriation not to exceed Five Hundred Eighty Thousand Eight Hundred Forty-Two and 51/100 Dollars ($580,842.51).

Summary:

On November 7th, 2023 bids were opened at IDOT in Schaumburg, IL. for the above-mentioned project to implement safety improvements for Plank Road.

The lowest qualified bid of $1,684,391.39 was submitted by Curran Contracting Company of Crystal Lake, IL. At the time of the IDOT contract award, staff thought the project was funded with Federal HSIP Safety funds of $1,502,369.00 resulting in an estimated County share of $182,022.39 plus contingency of $36,404.48, totaling $218,426.87. More recently it was determined the HSIP funds are capped at $1,318,500.00, resulting in a County share estimate at $365,891.39. As a result, the original appropriation request for Resolution # 23-537 was underestimated by $147,464.52.

Though on July 9, 2024, the County Board approved Resolution #24-299 appropriating an additional $220,000.00 from the Transportation Capital Fund #540 towards construction for the possibility of adding additional resurfacing to the contract. IDOT ultimately didn't approve this addition and it was later determined the Transportation Capital Fund #540 was not a viable option, so these funds can't be utilized without correcting the fund source.

During the course of construction, it was determined that the plan quantity calculation for earth excavation was underestimated, which resulted in the contractor hauling off more dirt than anticipated. This extra cost is offset by quantity reductions of other pay items. At the conclusion of construction and the balancing of final quantities, staff estimates an extra cost to the contract of $194,951.12. Since IDOT has yet to concur with final quantities and close out the contract, staff recommends a contingency of $20,000.00 be added to the appropriation request.

Staff recommends approval of an additional appropriation request of $147,464.52 plus $194,951.12 plus $20,000 for a total of $362,415.64.

12. The date of this Contract shall be the last date of acceptance of this Agreement as provided herein below.

13. The Seller hereby represents and warrants to the County as follows, which representations and warranties shall be deemed remade by Seller to the County at the closing, and which shall survive the closing:

(a) To Seller's knowledge, there is no pending or threatened litigation affecting the Right of Way or to the best knowledge and belief of Seller is any such litigation contemplated by any party other than the County.

(b) The Seller has received no notice, and has no actual knowledge of any change that is contemplated with respect to the zoning of the Right of Way, violation of any existing law, municipal ordinance or other governmental regulation, contemplated or threatened condemnation, or any other matter which would affect the Right of Way.

(c) The Seller has the authority to execute and perform the terms of this Agreement.

(d) The Seller has not received notice of any violations of local, state, or federal laws including environmental laws, rules or regulations concerning the Right of Way.

(e) To Seller's knowledge, there are no unrecorded easements, leases or licenses that have been granted on, under, over and through the Right of Way.

14. From and after the date hereof and so long as this Agreement is in effect, the Seller shall

not, without County's prior written consent, execute any lease, license, contract, agreement or easement affecting the Right of Way that will survive the Closing.

15. This Agreement may be amended only in writing upon the signatures of the Parties.

16. This Agreement is executed and submitted by the Seller as of the date set forth below. A duplicate original of this Contract, duly executed by the Seller shall be delivered to the County not later than five business days from such date.

17. The Parties acknowledge and agree that in the event that any section, paragraph, subdivision or sentence of this Agreement shall be for any reason held invalid or to be unconstitutional, such decision or holding shall not affect the validity of the remainder of this Agreement.

18. Nothing provided for herein shall be in any manner interpreted as a waiver on the part of the County of any of its rights under the Eminent Domain Act of the Illinois Compiled Statutes.

19. During the term of the Permanent Easement and the term of the Temporary Easement, the County will be responsible for any damage occurring to the Seller's existing septic system located in the Permanent Easement and the Temporary Easement premises, but only to the extent that the damage is caused solely by the negligence of the County, (including the County's contractors). To the extent during said Easements terms, that damage to the existing septic system is caused in part by the County (and/or the County's contractors) and in part by others, the County will be responsible only for that portion of the damages that result solely from the County's (and/or the County's contractors) negligence. Existing conditions and deficiencies of the septic system will not be considered damage caused by the County.

20. The Seller acknowledges and warrants that the Seller's entire septic system is comprised of:

- A Septic Tank.
- A Lift Station, including a Pump, Tank and Alarm System for detecting water levels in the Lift Station Tank and an Electrical Feed leading to the Lift Station.
- An Aerobatic Station including an Air Pump, Pump, Tank, Alarm System for monitoring water levels in the Aerobatic Station Tank, Alarm System for monitoring the Aerobatic Station Air Pump operation, and an Electrical Feed leading to the Aerobatic Station,
- A Sanitation Station including a Tank, Pump, an Alarm System for monitoring water levels in the Sanitation System Tank, an Electrical Feed leading to the Sanitation System and a Chlorine Dispenser.
- A Dry Well, including a gravel field necessary piping for interconnecting the various Station Tanks and component parts to each other along with those septic system elements appurtenant thereto.

21. The Parties acknowledge that the Temporary Easement and the Permanent Easement premises extend over parts of the Seller's septic system, including primarily, but not limited to, the drywell. The County acknowledges that if any part of the Seller's septic system becomes damaged due solely to the negligence of the County or its contractors, the County shall repair or replace that part of the County damaged septic system to a condition equal to the condition thereof as it existed at the time immediately prior to the damage caused by the negligence of the County or its contractors. In the event the existing septic system is damaged solely by the County or the County's contractors and the Seller's septic system cannot be repaired or replaced due to governmental permitting standards, the County will cause the Real Estate to be serviced with a septic facility with the same capacity of the existing septic system, that meets the standards established by the governmental entity having permitting jurisdiction and authority thereover.

22. The County's plans identify a ComEd electric facility and ComEd's existing easement premises. The County does not anticipate the relocation of ComEd facilities at this location currently.

23. The County's plans identify City of Geneva sanitary sewer facilities which are located pursuant to the authority of a County Right of Way Use Permit within the right of way of Kirk Road. As indicated on the County's plans, it is anticipated that the City of Geneva sanitary sewer facilities that are located adjacent to Seller's Real Estate within the right of way of Kirk Rd. may in whole or in part require relocation onto the Seller's real estate or may be abandoned in whole or in part by the City of Geneva. The Seller desires to hook into the City's sanitary sewer system and in that event, and once the Seller is hooked up to the City or any other entity's sanitary system, the County shall have no further obligation to replace, repair or upgrade Seller's existing drywell and septic system as required aforesaid.

24. The County has in its sole and absolute discretion, full responsibility for the maintenance, repair and, if necessary, replacement of the entire drainage system or parts thereof being installed by the County for the Kirk Road UPRR Bridge Project (including all ducts/pipes and retention basins) and the adverse effects on the Real Estate caused thereby due to the sole negligence of the County.

25. The County will on one occasion provide and utilize concrete "jersey barriers" placed abutting the MSE retaining wall. The purpose of these "jersey barriers" is to prevent damage to the County MSE wall from vehicles on the Seller's property. Seller recognizes and acknowledges the jersey barriers once installed will reduce the turning radius between the MSE wall / jersey barriers and the Real Estate building's western overhead doors by as much as 2+ feet.

26. The County will provide its plat of highways that accurately delineates the property/right of way line along the Seller's west property line.

27. The Permanent Easement requested by the County shall not be an "exclusive" easement. The real property making up the Permanent Easement and Temporary Easement Premises remain the property of the Seller and can be utilized by the Seller in any manner or fashion for any purposes as long as such utilization and purposes do not interfere in any manner with the County's use thereof.

28. The County requires a Highway Right of Way Use Permit for any private use of a county highway right of way. Highway Right of Way Use Permits require the permittee to indemnify the County for any damage to property or injuries to persons resulting from the activities and/or the negligence of the permittee, its agents, and invitees. The County shall, upon submittal and review of a completed and fully executed County Right of Way Use Permit application by the Seller, grant to the Seller a license for said purpose subject to the restrictions and obligations set forth therein generally in the same form and substance as set forth in the County Highway Use Permit as provided in Exhibit "G".

29. During its permitted use of the Right of Way, the Seller shall have access to either the Permanent or Temporary Easement Premises or the Real Estate building's overhead dock doors, subject to the County's use of the Right of Way for the purposes granted. The County and the Seller acknowledge that during construction activities for the contemplated UPRR bridge project there may be times of short duration where access may be temporarily limited and restricted for highway construction and or maintenance purposes.

30. The corrugated storm sewer pipe, (located in the existing drainage ditch line along the Seller's west property line (across from a point on the Real Estate building's west wall that is roughly 20 to 30 feet south of the northwest corner of the building) which currently outlets into the aforementioned ditch, will, as part of the bridge replacement project, be incorporated into the proposed underground north/south storm sewer pipe to be constructed by the County in the Permanent Easement Premises along the western most edge of the Seller's property.

31. The agreements as set forth herein shall constitute a covenant that runs with the land which shall be binding upon the legal representatives, successors and assigns of the Seller and the County. The agreements set forth herein shall be subject to the Permanent Easement Agreement and the Temporary Easement Agreement by and between the parties, (on file in Kane County Recorder's Office as Document Nos.:_____ and _____.

REVIEW & ANALYSIS

ZONING
The subject property is currently zoned F-Farming District and bordered by E-3 Estate Residential and R-1 Single-Family Residential to the north, F-Farming District (Almora Heights Subdivision) to the east, F-Farming District (farmland) to the south, and F-Farming District (farmland) to the west. There have been no other zoning actions granted on the subject property in the past.

Section 25-8-1-2 of the Kane County Zoning Ordinance provides that "Solar Utility" is a Special Use in the F-Farming District; Section 25-5-4-9 of the Zoning Ordinance stipulates the rules and regulations for Commercial Solar Facilities.
Per Section 25-5-4-9, the site plan for a commercial solar energy facility must meet the following criteria:

1. Occupied residential dwellings on nonparticipating properties shall be located no less than one hundred fifty (150) feet to the nearest point on the outside wall of the structure.
2. Boundary lines of participating property: none.
3. Boundary lines of nonparticipating property: fifty (50) feet to the nearest point on the property line of the nonparticipating property.
4. Public road rights-of-way: fifty (50) feet to the nearest edge of the public road right-of-way.
5. No component of a solar panel, cell or modules may exceed twenty (20) feet in height above the ground at full tilt.
6. Vegetative screening shall be provided for any part of the Commercial Solar Energy Facility that is visible to Non-participating Residence(s).
7. Landscaping screening shall be located between the required fencing and the property line of the participating parcel upon which the facility sits.
8. The vegetative screening shall include a continuous line of native evergreen foliage and/or native shrubs and/or native trees and/or any existing wooded area and/or plantings of tall native grasses and other native flowering plants.
9. A fence shall be installed around the perimeter of the facility area with a minimum height of eight (8) feet and not more than twenty-five (25) feet.

FUTURE LAND USE

The Kane County 2040 Plan recognizes solar power as an emerging source of renewable energy, but does not specify whether it is more or less suitable for particular land use areas. The proposed installation of the solar array would likely limit the conversion of the site from an agricultural use to a commercial or other non-agricultural use for the duration of the renewable energy lease term. The Resource Management land use category is intended to preserve open space within planned unit developments and be adaptive to municipal land use planning goals. The City of Elgin identifies the site area as planned for single family detached within its extraterritorial land use planning jurisdiction.

WATER RESOURCES

The Water Resources department has reviewed the Zoning Petition and recommends the following stipulations for approval:

1. This site contains Floodplain. No panels can be permitted in the Floodway. Any development in the Flood Fringe will need to provide compensatory storage, including fill created by solar racking. All panels in the Flood Fringe or adjacent to the Floodplain as defined by the Kane County Stormwater Ordinance will need to Flood Protected to 2 feet above the Base Flood Elevation. Survey will be required to delineate the Floodplain Boundaries on the site.
2. Water Resources will require a stormwater permit for this development. All submittals must be prepared by Professional Engineer licensed in the State of Illinois.
3. An engineer's report will be required. Should the site introduce more than 25,000 sq ft of impervious area or more than 3 acres of disturbance, stormwater detention will be required. This impervious area is calculated cumulatively since 2002 for a site as per the Stormwater Ordinance. The Engineer's report must demonstrate that the peak flow for the site with the proposed development is not increased, stormwater detention may be required for the development to ensure this. Any required Stormwater Detention Management will require a viable outfall and may require off-site work.
4. Should the site introduce more than 5,000 sq ft of impervious, a BMP will be required for all impervious surfaces.
5. A calculation for disconnected impervious area, created by the panels, will be required. A Best Management Practice will be required to encourage infiltration of runoff within the site.
6. The configuration of the solar panels shall be evaluated to identify any potential erosion concerns. Particular attention shall be given to erosion risks at the drip edges of the panels and in sloped areas. Appropriate best management practices must be implemented to mitigate these risks. BMPs may include, but are not limited to, pre-seeding or pre-vegetation of the site prior to panel installation to establish ground cover and reduce soil displacement.

7. A drain tile study will be required, including upstream and downstream tile systems that rely on the drain tiles within the site. Water Resources is looking for the protection of the tile system that is in place, including but not limited to replacement in kind and observation and cleanout structures.
8. Plantings within the development will not interfere with drain tiles. Planting plan should address the placement of vegetation and trees with long root systems that can interfere with tile systems and cause off site issues including surcharged drain tiles and blow outs of the drain tile systems.
9. Soil samples shall be taken every 5 years from the site and analyzed for physical, chemical, and biological properties to demonstrate the soil health within the solar installations.
10. 80% vegetative coverage for plantings will be a requirement for the site.
11. A Wetland Delineation will be required. The Wetland Delineation shall meet the requirements of the Ordinance as described in Article VII Section 9-169 Requirements for a Wetland Delineation. Any Wetland Impacts must be mitigated.
12. Floodplain, Wetland, Compensatory Storage, BMPs and Stormwater Management must be placed in a Conservation or Drainage Easement.
13. The proposed site access will be located at the intersection of Brookside Drive and Almora Terrance; it will be 230 feet in length and shall be built to Elgin Township Subdivision Roadway Standards. The petitioner is required to obtain a temporary and final access permit from Elgin Township.

TRANSPORTATION

The Kane County Department of Transportation (KDOT) and the Elgin Highway Commissioner reviewed this Petition and provided the following comments. The proposed site access will be located at the intersection of Brookside Drive and Almora Terrance; it will be 230 feet in length and shall be built to Elgin Township Subdivision Roadway Standards. The petitioner is required to obtain a temporary and final access permit from Elgin Township.

Section 25-4-8-2 of the Kane County Zoning Ordinance provides Standards for Special Use Permits; responses to these Standards have been provided by the Petitioner with their Zoning Application. The Zoning Board of Appeals shall not recommend approval of a special use unless it finds:

A. That the establishment, maintenance or operation of the special use will not be unreasonably detrimental to or endanger the public health, safety, morals, comfort or general welfare;

Re: Special Use Permit Application – TNT Howard LLC
Proposed Geometric Site Plan Modification
Applicant: TNT Howard LLC
Project Location: Brookside Dr and Almora Terrace, Elgin Township, Kane County, IL

Dear Kane County Development Dept., Members of the Planning and Zoning Board, and Members of the County Board:

On behalf of TNT Howard LLC, I am pleased to submit an updated Geometric Site Plan per suggestion by County Board Committee members to review with neighbors and, although the current plan met setback rules, see if an improved plan was possible. The new plan and previous plan with the new plan boarder overlayed on it are attached for your review. Vegetation screening still remains as before and is now to be placed along the border to allow clear access along the fence by the Pingree Grove Fire Department which requires a non-plantings/non-crop 25 ft buffer surrounding the project. Construction plans to be prepared if and when approved will contain all requirements by Kane County regulations, Pingree Grove Fire Department, and DOT.

- Attachment A: Original Geometric Site Plan with new plan border overlay dated 7/28/2025
- Attachment B: New Geometric Site Plan dated 7/29/2025

TNT Howard LLC is committed to working closely with Kane County staff and the community to ensure this project aligns with local priorities and sustainability goals. Should you require any additional information or have questions about this application, please do not hesitate to contact me directly.

Thank you for your time and consideration.

Sincerely,
Timothy Meyer Engineer EIT

SPECIAL USE STANDARDS
ZBA FINDINGS OF FACT

GENERAL PETITION INFORMATION

ZONING PETITION NO. 4661 **PUBLIC HEARING DATE** 07/01/2025

PETITIONER NAME Timothy Meyer dba TNT Howard LLC

REQUESTED ACTION

Special Use Permit in the F-Farming Zoning District to allow for the development of a commercial solar energy facility.

SUBJECT PROPERTY

Property located approximately ¼ mile west of Randall Road and over ¼ mile south of Highland Avenue (PIN 06-08-401-013), in Elgin Township.

STANDARDS OF A SPECIAL USE (ZONING CODE SECTION 25-4-8-2)

Special Uses, as defined by the Zoning Ordinance, shall be considered at a public hearing before the Zoning Board of Appeals (ZBA). The ZBA shall make a recommendation to the County Board based on their Findings of Fact in regards to the Standards of a Special Use. The ZBA shall not recommend approval of a Special Use Permit unless it finds the following the statements to be true and accurate.

The Zoning Board of Appeals reviewed the petition, reports, testimony and public comments received during the public hearing on the date listed above. The following are the Board's Findings of Facts for each of the six requirements specified in the Ordinance:

A. The establishment, maintenance or operation of the special use will not be unreasonably detrimental to or endanger the public health, safety, morals, comfort or general welfare.

There is not any testimony/evidence that indicates any specific issue

Is the standard met? Y **Aris** ----- **Armstrong** Y **Lake** Y **Natkins** Y **Schultz** Y **Stoffa** Y **Wilson**

B. The special use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood.

There are no studies presented that would diminish property values. The testimony referred to National studies only. The noise levels are expected to be within reason. The petitioner will need to place the proper aesthetic landscaping in place. The petitioner stated the glare will not face the neighbors due to the slope of the field facing away from the neighborhood.

A negative point is the lack of a specific site sturdy regarding property value.

Is the standard met? Y **Aris** ------ **Armstrong** Y **Lake** Y **Natkins** Y **Schultz** Y **Stoffa** Y **Wilson**

C. The establishment of the special use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.

There is a floodplain on the south portion of the property.
There was a discussion of residential development that seems to no longer be active.
The petitioner indicated the property was difficult to operate due to topography and floodplain.

D. Adequate utility, access roads, drainage and/or other necessary facilities have been or are being provided.

KDOT and Township did not have any issues.
As long as stipulations are followed the access and drainage should not be an issue
Any drainage tiles damaged would be covered for repair when incurred
The access is covered by the stipulations
There is a question whether ComEd had granted this petitioner - this was not discussed

RECOMMENDATION

ZONING BOARD OF APPEALS (ZBA) RECOMMENDATION TO THE KANE COUNTY BOARD

The Kane County Zoning Board of Appeals, at a public hearing on July 1, 2025, duly heard the testimony of the petitioner and others in connection with the **Zoning Petition No. 4661**, of Timothy Meyer on behalf of TNT Howard, LLC, requesting a Special Use Permit in the F-Farming Zoning District to allow for the development of a commercial solar energy facility on property located approximately ¼ mile west of Randall Road and over ¼ mile south of Highland Avenue (PIN 06-08-401-013), in Elgin Township.

A motion was made by Mary Lake and seconded by Bill Wilson to recommend APPROVAL of Zoning Petition No. 4661, including the submittal documents listed in "Exhibit A" attached, with the following recommended Stipulations of Approval:

1. This site contains Floodplain. No panels can be permitted in the Floodway. Any development in the Flood Fringe will need to provide compensatory storage, including fill created by solar racking. All panels in the Flood Fringe or adjacent to the Floodplain as defined by the Kane County Stormwater Ordinance will need to Flood Protected to 2 feet above the Base Flood Elevation. Survey will be required to delineate the Floodplain Boundaries on the site.
2. Water Resources will require a stormwater permit for this development. All submittals must be prepared by Professional Engineer licensed in the State of Illinois.
3. An engineer's report will be required. Should the site introduce more than 25,000 sq ft of impervious area or more than 3 acres of disturbance, stormwater detention will be required. This impervious area is calculated cumulatively since 2002 for a site as per the Stormwater Ordinance. The Engineer's report must demonstrate that the peak flow for the site with the proposed development is not increased, stormwater detention may be required for the development to ensure this. Any required Stormwater Detention Management will require a viable outfall and may require off-site work.
4. Should the site introduce more than 5,000 sq ft of impervious, a BMP will be required for all impervious surfaces.
5. A calculation for disconnected impervious area, created by the panels, will be required. A Best Management Practice will be required to encourage infiltration of runoff within the site.
6. The configuration of the solar panels shall be evaluated to identify any potential erosion concerns. Particular attention shall be given to erosion risks at the drip edges of the panels and in sloped areas. Appropriate best management practices must be implemented to mitigate these risks. BMPs may include, but are not limited to, pre-seeding or pre-vegetation of the site prior to panel installation to establish ground cover and reduce soil displacement.
7. A drain tile study will be required, including upstream and downstream tile systems that rely on the drain tiles within the site. Water Resources is looking for the protection of the tile system that is in place, including but not limited to replacement in kind and observation and cleanout structures.
8. Plantings within the development will not interfere with drain tiles. Planting plan should address the placement of vegetation and trees with long root systems that can interfere with tile systems and cause off site issues including surcharged drain tiles and blow outs of the drain tile systems.
9. Soil samples shall be taken every 5 years from the site and analyzed for physical, chemical, and biological properties to demonstrate the soil health within the solar installations.
10. 80% vegetative coverage for plantings will be a requirement for the site.

11. A Wetland Delineation will be required. The Wetland Delineation shall meet the requirements of the Ordinance as described in Article VII Section 9-169 Requirements for a Wetland Delineation. Any Wetland Impacts must be mitigated.
12. Floodplain, Wetland, Compensatory Storage, BMPs and Stormwater Management must be placed in a Conservation or Drainage Easement.
13. The proposed site access will be located at the intersection of Brookside Drive and Almora Terrance; it will be 230 feet in length and shall be built to Elgin Township Subdivision Roadway Standards. The petitioner is required to obtain a temporary and final access permit from Elgin Township.

2040 Conceptual Land Use Strategy

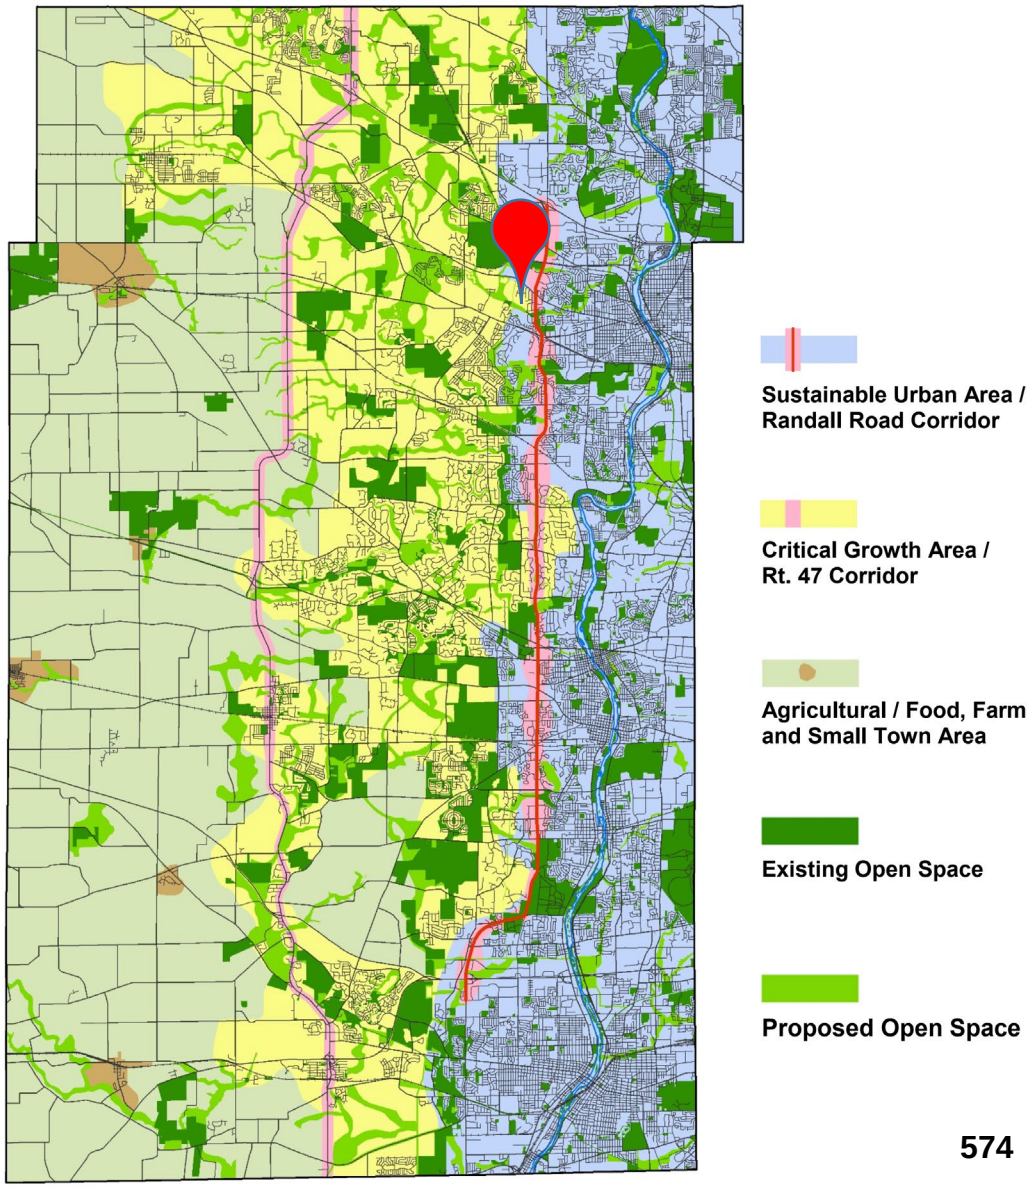
Brookside Dr. & Almora Terr. - Elgin Twp. – Petition #4661

Land Use Strategy Area:
Critical Growth Area / Rt. 47 Corridor

Core Themes

1. The Critical Growth Area continues to be where Kane County and the fast growing municipalities of the past two decades face the greatest challenges to sensible, managed growth
2. The Critical Growth Area is characterized by diversity and mix of planned municipal development, expanded transportation opportunities, additional open space initiatives, natural resource driven decision-making and healthy living

The Conceptual Land Use Strategy Map:
A general land use map that divides the county into 3 major geographic corridors, each with unique land resources, development patterns, and planning opportunities.



2040 Land Use Analysis

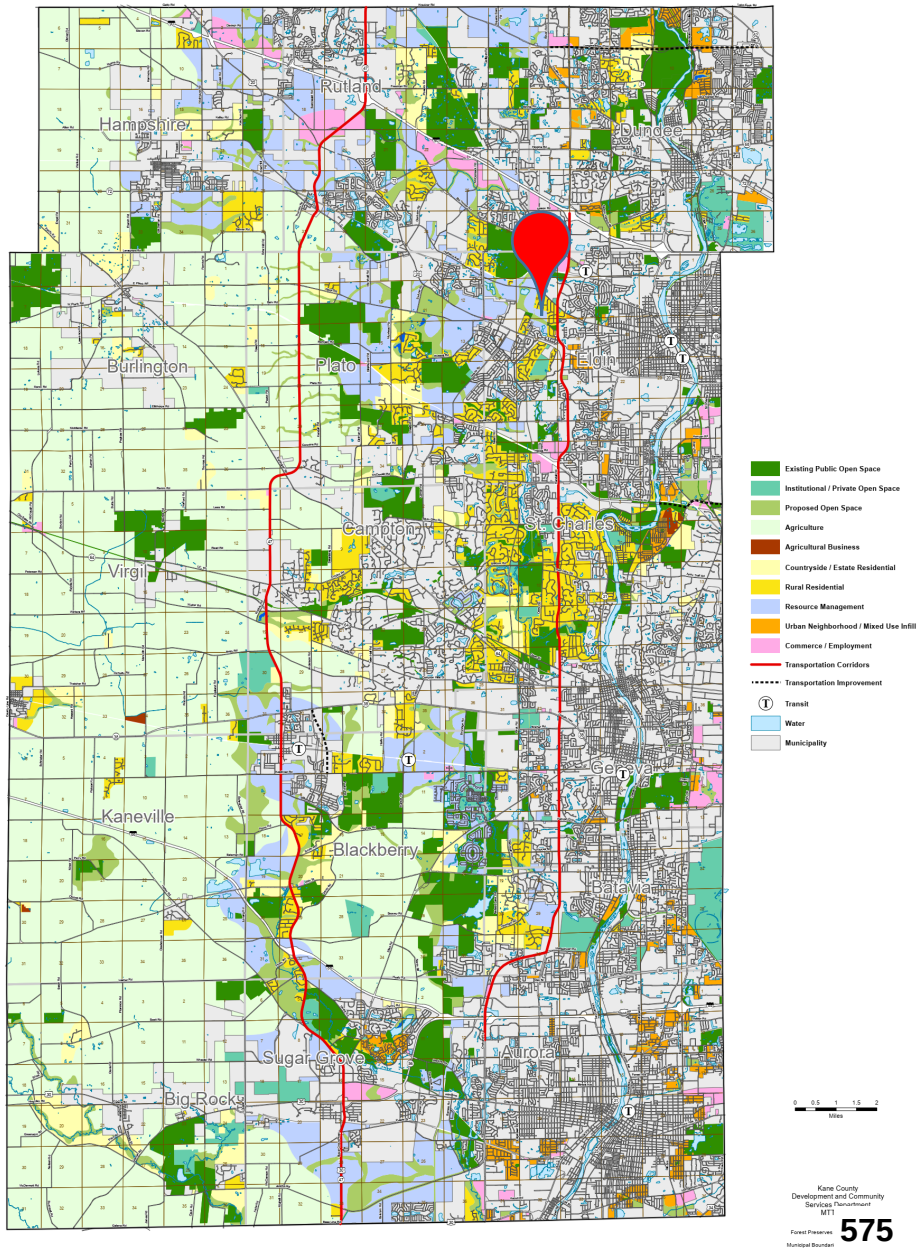
Brookside Dr. & Almora Terr. - Elgin Twp. – Petition #4661

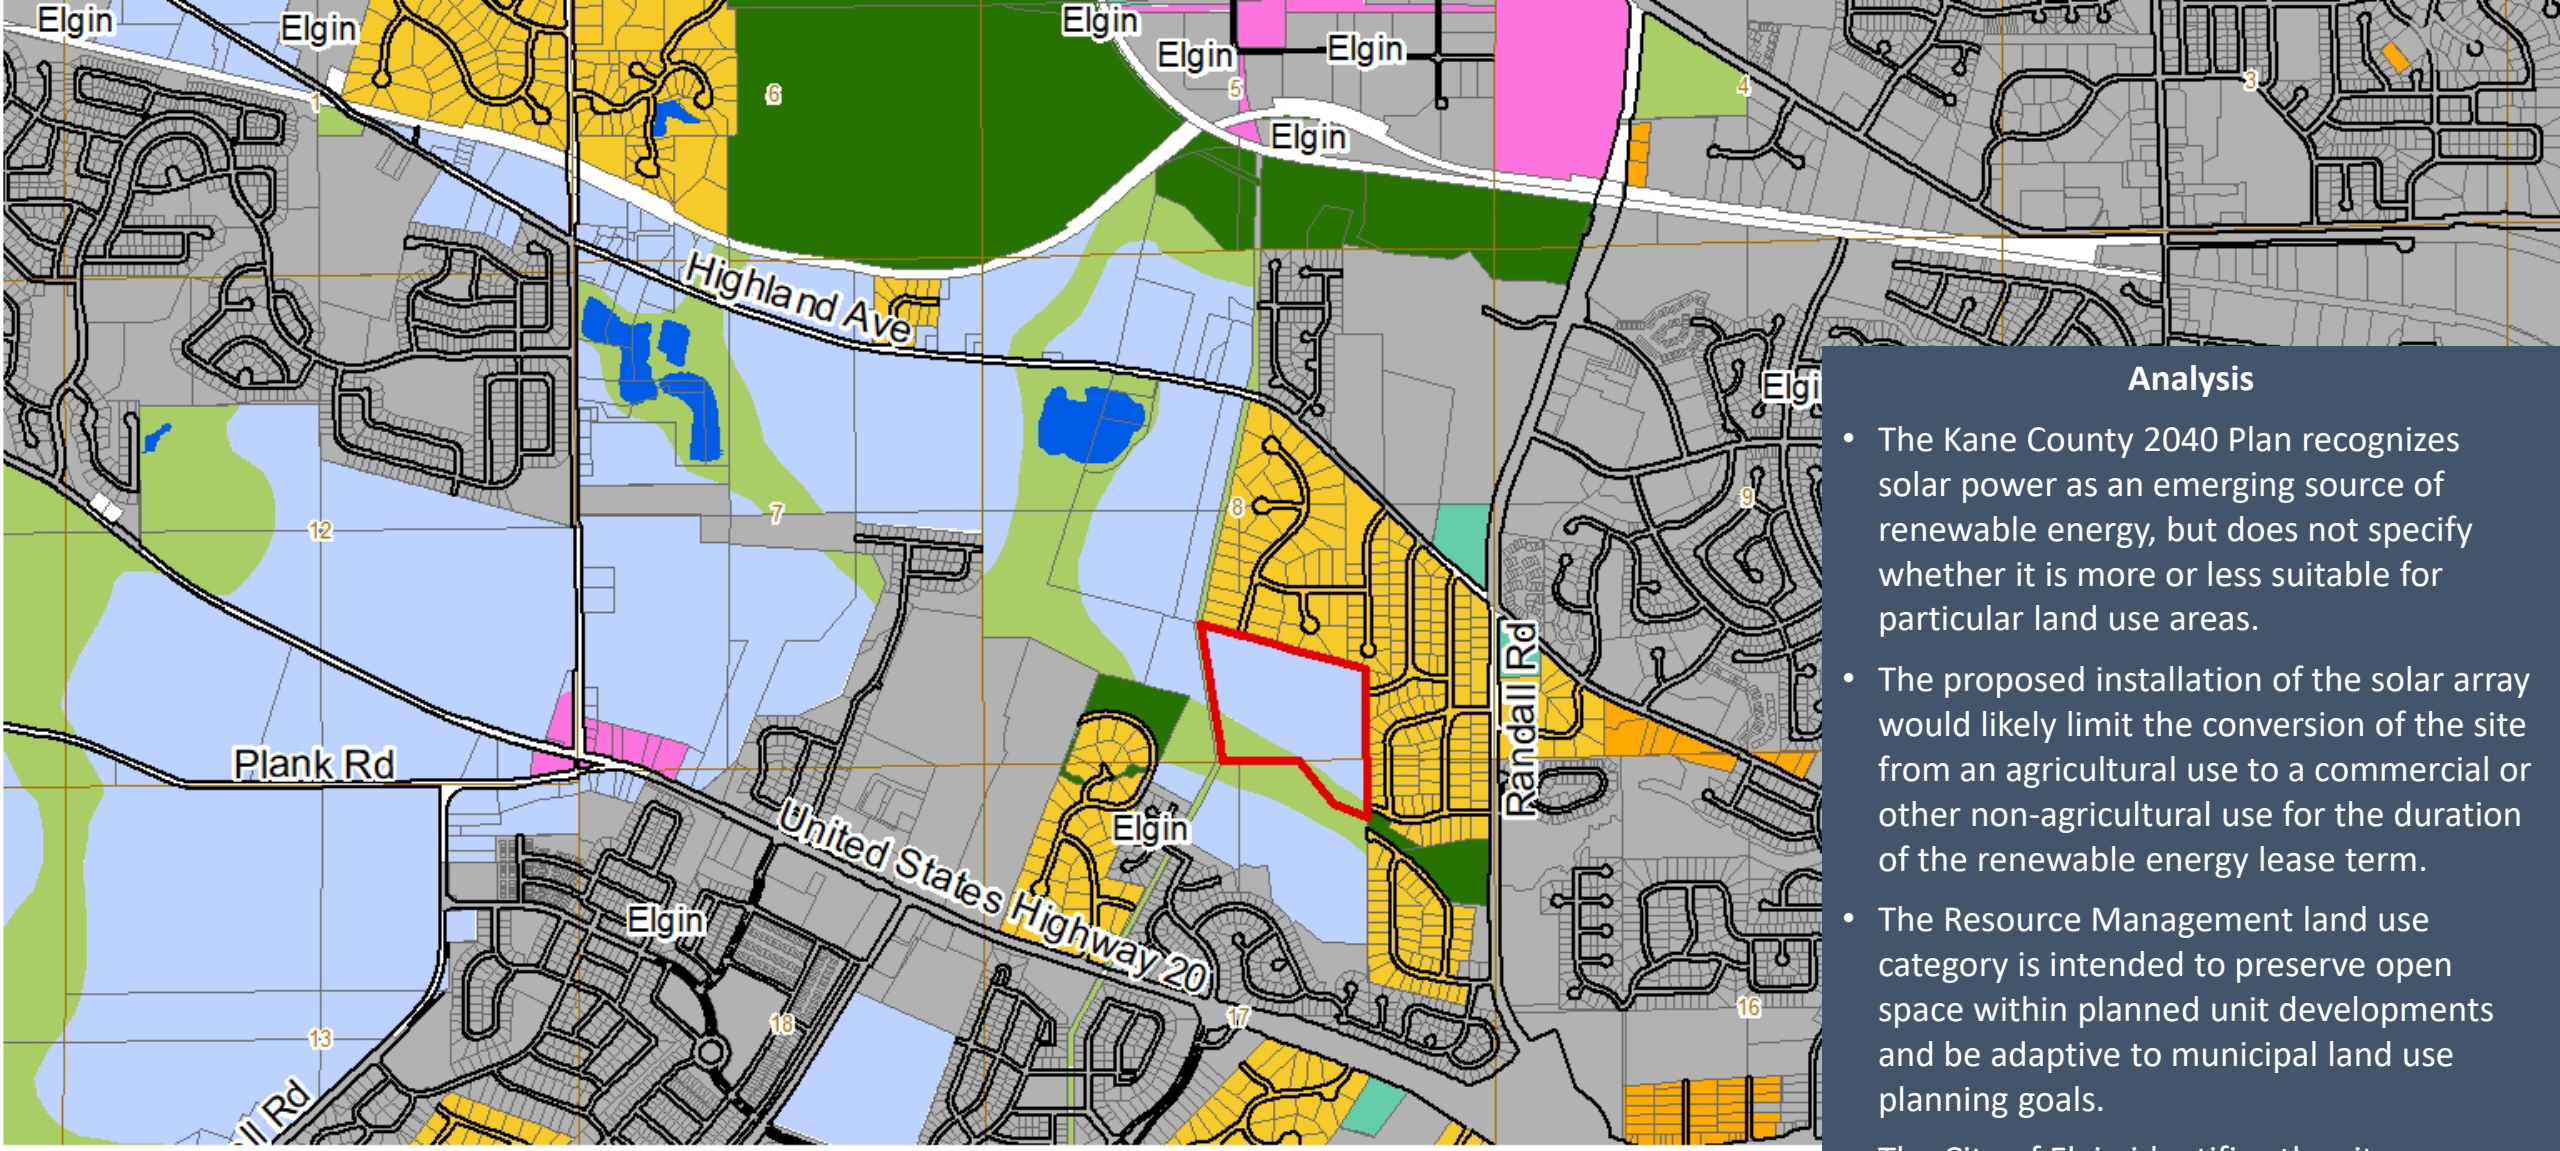
2040 Planned Use: **Resource Management**

Characteristics of Areas Planned for **Resource Management**

- Resource Management is a land use category that supports municipal and County compact, mixed use growth opportunities while emphasizing wise management of land and water resources
- Applies primarily to land within the Critical Growth Area
- Much of the growth in the Resource Management category will be the result of municipal annexations and land use decisions and, to a lesser extent, approval by the County as unincorporated development

2040 LAND USE





Analysis

- The Kane County 2040 Plan recognizes solar power as an emerging source of renewable energy, but does not specify whether it is more or less suitable for particular land use areas.
- The proposed installation of the solar array would likely limit the conversion of the site from an agricultural use to a commercial or other non-agricultural use for the duration of the renewable energy lease term.
- The Resource Management land use category is intended to preserve open space within planned unit developments and be adaptive to municipal land use planning goals.
- The City of Elgin identifies the site area as planned for single family detached within its extraterritorial land use planning jurisdiction.

- Commerce / Employment
- Countryside / Estate Residential

Water Resources

The Water Resources department reviewed the Zoning Petition and recommends the following stipulations for approval:

1. This site contains Floodplain. No panels can be permitted in the Floodway. Any development in the Flood Fringe will need to provide compensatory storage, including fill created by solar racking. All panels in the Flood Fringe or adjacent to the Floodplain as defined by the Kane County Stormwater Ordinance will need to Flood Protected to 2 feet above the Base Flood Elevation. Survey will be required to delineate the Floodplain Boundaries on the site.
2. Water Resources will require a stormwater permit for this development. All submittals must be prepared by Professional Engineer licensed in the State of Illinois.
3. An engineer's report will be required. Should the site introduce more than 25,000 sq ft of impervious area or more than 3 acres of disturbance, stormwater detention will be required. This impervious area is calculated cumulatively since 2002 for a site as per the Stormwater Ordinance. The Engineer's report must demonstrate that the peak flow for the site with the proposed development is not increased, stormwater detention may be required for the development to ensure this. Any required Stormwater Detention Management will require a viable outfall and may require off-site work.
4. Should the site introduce more than 5,000 sq ft of impervious, a BMP will be required for all impervious surfaces.
5. A calculation for disconnected impervious area, created by the panels, will be required. A Best Management Practice will be required to encourage infiltration of runoff within the site.
6. The configuration of the solar panels shall be evaluated to identify any potential erosion concerns. Particular attention shall be given to erosion risks at the drip edges of the panels and in sloped areas. Appropriate best management practices must be implemented to mitigate these risks. BMPs may include, but are not limited to, pre-seeding or pre-vegetation of the site prior to panel installation to establish ground cover and reduce soil displacement.
7. A drain tile study will be required, including upstream and downstream tile systems that rely on the drain tiles within the site. Water Resources is looking for the protection of the tile system that is in place, including but not limited to replacement in kind and observation and cleanout structures.
8. Plantings within the development will not interfere with drain tiles. Planting plan should address the placement of vegetation and trees with long root systems that can interfere with tile systems and cause off site issues including surcharged drain tiles and blow outs of the drain tile systems.
9. Soil samples shall be taken every 5 years from the site and analyzed for physical, chemical, and biological properties to demonstrate the soil health within the solar installations.
10. 80% vegetative coverage for plantings will be a requirement for the site.
11. A Wetland Delineation will be required. The Wetland Delineation shall meet the requirements of the Ordinance as described in Article VII Section 9-169 Requirements for a Wetland Delineation. Any Wetland Impacts must be mitigated.
12. Floodplain, Wetland, Compensatory Storage, BMPs and Stormwater Management must be placed in a Conservation or Drainage Easement.

The natural resource review provided by EcoCAT identified protected resources that may be in the vicinity of the proposed action. **The Department has evaluated this information and concluded that adverse effects are unlikely.**

However, the Department recommends:

- Establishing pollinator-friendly habitat as groundcover wherever feasible.
- The site should be de-compacted before planting.
- Long term management of the site should be planned for prior to development to ensure successful native pollinator habitat establishment and prevent the spread of invasive species throughout the lifetime of this project. An experienced ecological management consultant should be hired to assist with long-term management.
- Required fencing, excluding areas near or adjacent to public access areas, should have a 6-inch gap along the bottom to prevent the restriction of wildlife movement. Woven wire or a suitable habitat wildlife friendly fence should be used. Barbed wire should be avoided.
- Trees should be cleared between November 1st and March 31st.
- All night lighting should follow IDA guidance.

Resource Preservation Review

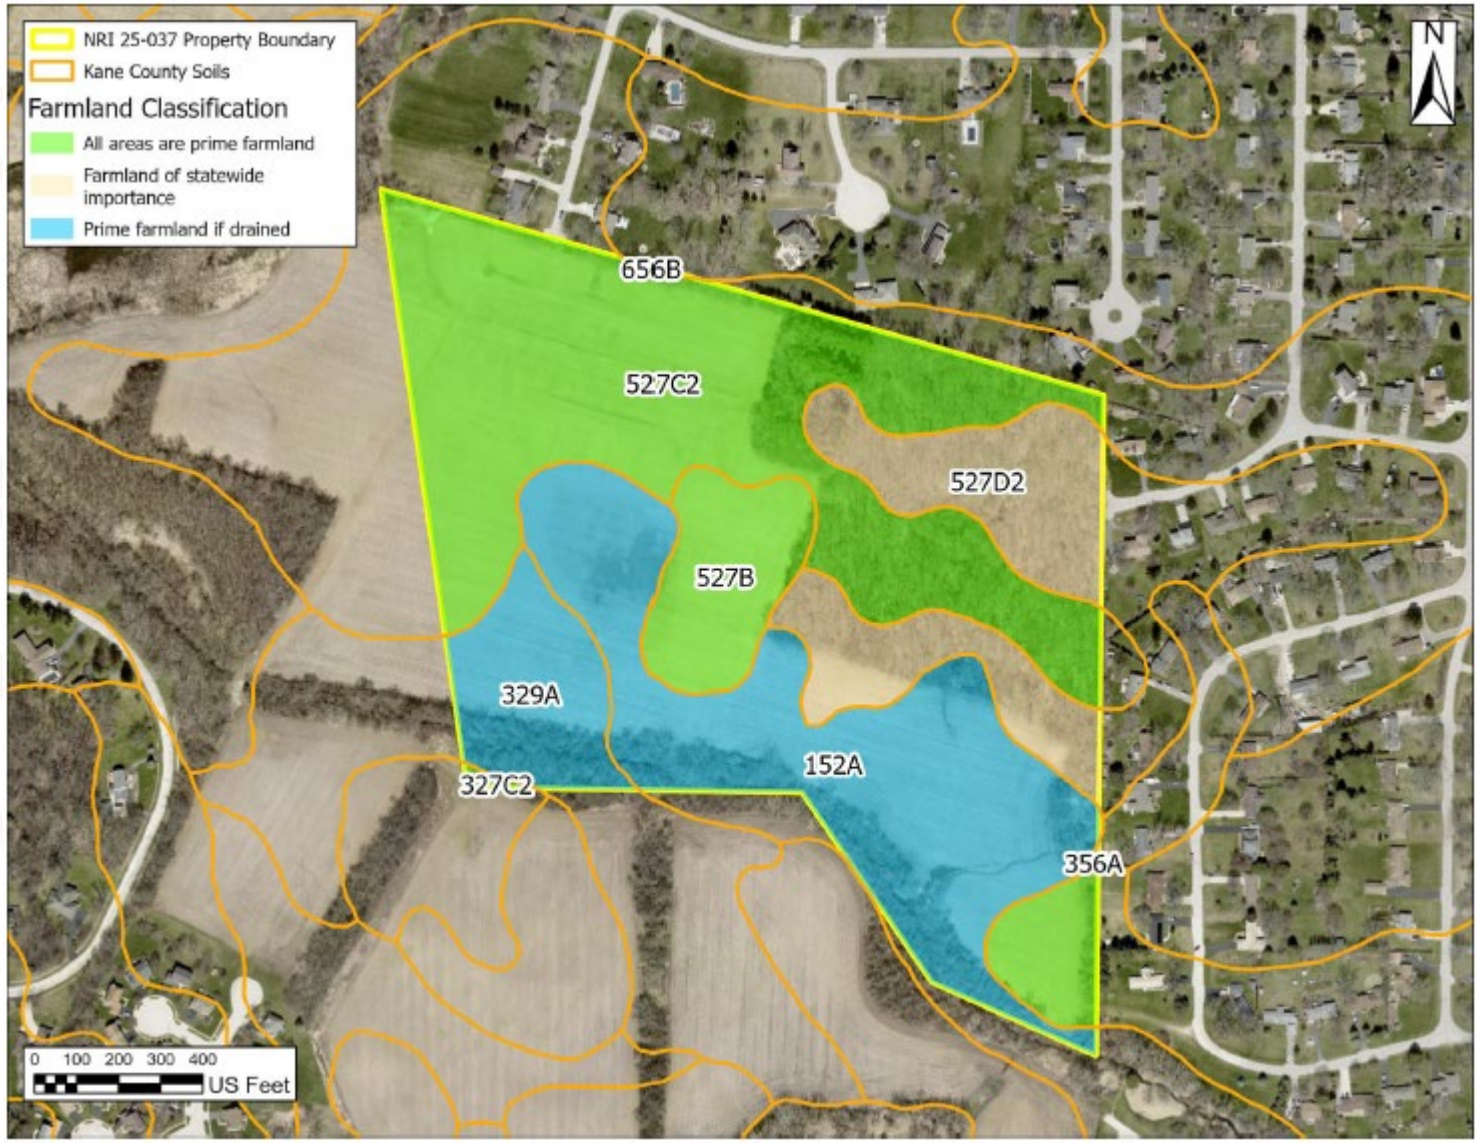
Illinois State Historic Preservation Office (SHPO)

- **IL SHPO determined that no significant historic, architectural, or archaeological resources will be affected within the proposed project area.**

NRI Report

Kane-DuPage Soil & Water Conservation District (SWCD)

- **Prime Farmland: Prime and Important Farmland occur on this tract.**
- **LESA:** Sites with a LESA score of 85 or greater are considered to warrant protection. This site has an **LE score of 28**, and a **SA score of 46**, with a **total score of 74**, placing it in the Moderate Protection category for farmland.
- **Land Planning and Development Concerns:** Based upon the LESA score and the Kane County Land Evaluation and Site Assessment, **this tract warrants Moderate Protection effort from development.**



Section 7 Consultation

United States Fish & Wildlife Service (USFWS)

- United States Fish & Wildlife Service's (USFWS) Section 7 Consultation guidance on May 16, 2025, via IPaC (Information for Planning & Consultation).
- The IPaC identified the potential for 6 endangered species, the Bald and Golden Eagles, and several migratory birds, as well as an experimental (non-essential) population of whooping crane (Grus americana) and the Eastern Prairie Fringed Orchid (Platanhera leucophaea) as potentially occurring within the Project area. There are no critical habitats at this location, however, we must still determine if there are potential effects on the above listed species.
- Conclusion: The Project Area and its immediate surroundings are actively farmed and do not contain suitable habitat for federally listed species. Additionally, sufficient undisturbed habitat exists in the broader landscape to support wildlife movement and ecological functions. As a result, adverse impacts associated with the proposed solar development are not anticipated. Based on the current scope and findings, coordination with the U.S. Fish and Wildlife Service (USFWS) is considered complete. Further consultation is not required unless there are substantive changes to the Project scope or updates regarding the status of federally listed species. Additional Reviews/Analysis

- **United States Army Corps of Engineers (USACE)**
  - The site is currently in agricultural production and contains no identified wetlands within the project boundary. A small, unnamed creek is located along the southern edge of the parcel; however, this waterway will be fully avoided during construction and operation of the solar facility. All construction activities will occur outside of any buffer zones, and appropriate best management practices will be implemented to prevent sedimentation or disturbance to the creek. As no dredge or fill activities are proposed within jurisdictional waters, and because no wetlands are present on-site, a permit under Section 404 of the Clean Water Act is not required.
- **Illinois Nature Preserves Commission (INPC)**
  - No State Dedicated Nature Preserves identified in the vicinity of the proposed solar farm.
- **Illinois Department of Agriculture**
  - Executed AIMA Agreement was received.

Recommended Stipulations of Approval

1. This site contains Floodplain. No panels can be permitted in the Floodway. Any development in the Flood Fringe will need to provide compensatory storage, including fill created by solar racking. All panels in the Flood Fringe or adjacent to the Floodplain as defined by the Kane County Stormwater Ordinance will need to Flood Protected to 2 feet above the Base Flood Elevation. Survey will be required to delineate the Floodplain Boundaries on the site.
2. Water Resources will require a stormwater permit for this development. All submittals must be prepared by Professional Engineer licensed in the State of Illinois.
3. An engineer's report will be required. Should the site introduce more than 25,000 sq ft of impervious area or more than 3 acres of disturbance, stormwater detention will be required. This impervious area is calculated cumulatively since 2002 for a site as per the Stormwater Ordinance. The Engineer's report must demonstrate that the peak flow for the site with the proposed development is not increased, stormwater detention may be required for the development to ensure this. Any required Stormwater Detention Management will require a viable outfall and may require off-site work.
4. Should the site introduce more than 5,000 sq ft of impervious, a BMP will be required for all impervious surfaces.
5. A calculation for disconnected impervious area, created by the panels, will be required. A Best Management Practice will be required to encourage infiltration of runoff within the site.
6. The configuration of the solar panels shall be evaluated to identify any potential erosion concerns. Particular attention shall be given to erosion risks at the drip edges of the panels and in sloped areas. Appropriate best management practices must be implemented to mitigate these risks. BMPs may include, but are not limited to, pre-seeding or pre-vegetation of the site prior to panel installation to establish ground cover and reduce soil displacement.
7. A drain tile study will be required, including upstream and downstream tile systems that rely on the drain tiles within the site. Water Resources is looking for the protection of the tile system that is in place, including but not limited to replacement in kind and observation and cleanout structures.
8. Plantings within the development will not interfere with drain tiles. Planting plan should address the placement of vegetation and trees with long root systems that can interfere with tile systems and cause off site issues including surcharged drain tiles and blow outs of the drain tile systems.
9. Soil samples shall be taken every 5 years from the site and analyzed for physical, chemical, and biological properties to demonstrate the soil health within the solar installations.
10. 80% vegetative coverage for plantings will be a requirement for the site.
11. A Wetland Delineation will be required. The Wetland Delineation shall meet the requirements of the Ordinance as described in Article VII Section 9-169 Requirements for a Wetland Delineation. Any Wetland Impacts must be mitigated.
12. Floodplain, Wetland, Compensatory Storage, BMPs and Stormwater Management must be placed in a Conservation or Drainage Easement.
13. The proposed site access will be located at the intersection of Brookside Drive and Almora Terrance; it will be 230 feet in length and shall be built to Elgin Township Subdivision Roadway Standards. The petitioner is required to obtain a temporary and final access permit from Elgin Township.

Special Use Standards / ZBA Findings

Section 25-4-8-2 of the Kane County Zoning Ordinance provides Standards for Special Use Permits; responses to these Standards have been provided by the Petitioner with their Zoning Application. **The Zoning Board of Appeals shall not recommend approval of a special use unless it finds:**

A. That the establishment, maintenance or operation of the special use will not be unreasonably detrimental to or endanger the public health, safety, morals, comfort or general welfare;

B. That the special use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood;

C. That the establishment of the special use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district;

D. That adequate utility, access roads, drainage and/or other necessary facilities have been or are being provided;

E. That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets and roads;

F. That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the county board pursuant to the recommendations of the zoning board of appeals.

4. Use of Information – The Participant acknowledges that the vendors with whom the Treasurer has contracted to provide E-Pay services and their subcontractors (collectively, the "E-Pay Vendors") shall collect the name and contact information of any user who utilizes E-Pay ("Constituent") and submit it to the Treasurer. The Treasurer may use the Constituent's name and contact information ("Personal Information") for marketing purposes, unless the Constituent opts out of receiving marketing materials from the Treasurer;

5. Recipients – Before permitting any person or entity that receives public funds on behalf of the Participant ("Recipient") to receive such funds via E-Pay, the Participant must first provide the Treasurer written or electronic notice of the Recipient. Also, as a merchant accepting credit card payments, the Participant agrees to comply with the Payment Card Industry ("PCI") Data Security Standards ("DSS") and accepts all liability associated with PCI DSS compliance, including any fines or fees for compliance lapses or breach events, as required by the credit card brands. During enrollment and/or any time thereafter, the Treasurer may require a Participant to provide the Treasurer a copy of the Participant's PCI compliance certification(s). Notwithstanding Section 12 of this Agreement, in the event the Treasurer does not receive such certification(s) within thirty (30) days of the request, the Treasurer reserves the right to immediately deny, freeze, or terminate any or all E-Pay services.

7. Hold Harmless – To the extent permitted by law, the Participant shall hold the Treasurer harmless in connection with E-Pay. The Treasurer assumes no liability for any acts or omissions of the Participant, the E-Pay Vendors, Constituents, or any other third parties.

Prior to freezing or terminating any services, the Treasurer will provide a minimum of thirty (30) days' notice of the intent to freeze or terminate that identifies the grounds for such action. If satisfactory remedial action is not taken by the Participant and/or its Recipients, if applicable, within the notice period, then the Treasurer will freeze or terminate the service(s), depending upon the type of notice given. Notwithstanding anything to the contrary in this Section, the Treasurer may freeze any or all of the Participant's E-Pay services without notice if there is illegal, or suspected illegal, use of the E-Pay services; use of the E-Pay services that is unauthorized by the Participant, or suspected to be so unauthorized; or any reason that E-Pay services cannot be provided through no fault of the Treasurer's (e.g., problems with the settlement bank). CONTRACT FOR PROFESSIONAL SERVICES

Agreement for Financial and Accounting Services

This agreement is entered into this 2nd day of JAN., 2025, and will be effective as of the date of the final execution of this contract, between the **COUNTY OF KANE** with offices at 719 S. Batavia Avenue, Geneva, Illinois 60134 (the ***"County"***), a body corporate and politic existing under the laws of the State of Illinois and a unit of local government under §1 of Article VII of the Illinois Constitution (Ill. Const., Art. VII, §1), and Lauterbach & Amen, LLP, with offices at 668 N. River Road Naperville, Illinois 60563
("***Lauterbach & Amen, LLP***" or the ***"Consultant"***). For and in consideration of the mutual promises set forth herein, the parties agree as follows:

§ 1. Purpose of agreement

The County hereby retains the Consultant for the provision of various financial and accounting services and may be engaged to assist in routine accounting services or perform "as-needed" special projects and support throughout the entire year.

§ 2. Scope of services

The services to be provided by the Consultant (the ***"Work"***), are set forth and outlined in **Exhibit 1 – Lauterbach & Amen, LLP's proposal submittal (RFQ 24-013-TK Financial & Accounting Services)** dated February 1, 2024, attached hereto and incorporated fully herein.

§ 3. Term of this agreement

The term of this agreement will commence as of the date hereof a duration of one (1) year and continue through November 30, 2025, beyond which the contract may, upon sixty (60) days prior notice and written agreement of the Parties, be mutually extended annually for an additional three (3) years based on the professional fees established in **Exhibit 1**, for a maximum contract term of four (4) years.

§ 4. Relationship of parties

The Consultant will serve as the County's professional financial and accounting service and support in the performance of the Work. The relationship between the parties is that of a buyer and seller of professional services and as such the Consultant is an independent contractor of the County in the performance of the Work and it is understood that the parties have not entered into any joint venture or partnership. The Consultant is not an employee or the agent of the County for any purpose.

The County agrees that during the term of this agreement and for a period of twelve months thereafter, the County shall not solicit or arrange an employment contract with personnel of L&A. Violation of this provision shall require the County to compensate L&A with one hundred twenty five percent of the solicited person's annual compensation.

Both parties stipulate and agree that the County shall have the right, in its sole discretion, to require

L&A to reassign and replace any L&A Personnel.

If any L&A Personnel elects to resign from L&A, then L&A shall immediately notify the County of such employee's intention to resign and shall replace such individual(s) with persons of comparable skill, background, educations, training, and expertise. Such replacement shall occur in such timeframe as the parties may agree to allow for a transition with limited disruption to the operations of the County and allows for appropriate individual(s) to be hired and trained into the role.

In the event, L&A elects to reassign an L&A Personnel to an L&A Client other than the County, then L&A shall provide the County with not less than 30 business days' notice, or such other notice as the parties may agree and shall, within ten (10) business days of providing such notice provide a replacement for that individual to allow for an orderly and smooth transition without disruption to the County.

§ 5. Compensation

(a) The County will pay the Consultant fee at a not to exceed rate as noted in **Exhibit 1** for which the Consultant will fully complete the Work. The Consultant will submit to the County an itemized monthly invoice reflecting the work completed within the preceding calendar month and the time spent thereon. The monthly invoice will also include a summary of all previous invoices up to, and including, the invoice for the current month. The Work will be billed at the rates set forth in **Exhibit 1**. The County will pay each such invoice in accordance with the *Illinois Local Government Prompt Payment Act* (50 ILCS 505/1, *et seq.*).

§ 6. Terms and conditions

(a) The Director of the Finance Department (The ***"Director"***), or his written designee, shall act as the County's representative (the "Client") with respect to the Work and shall transmit to and receive from the Consultant information with respect to the Work. The Consultant shall coordinate all work through the Client and shall report results of all work directly to the Client.

(b) The Director may, by written order, make changes in specific work items if such changes are within the scope of services set forth in the RFQ and the attached **Exhibit 1**. If any such change is not within the scope of services, the Consultant will so notify the Director and will submit a proposed change order reflecting an increase (or decrease) in the work. Hourly rates for additional work will be those set forth in **Exhibit 1**. No such change order will be effective to modify this agreement unless it has first been reduced to writing and approved by all undersigned parties.

(c) If for any reason this arrangement becomes unacceptable, it can be terminated by either party with 30 days' notice to determine the ending date of the agreement ("Termination Date"). The Consultant will submit a final invoice for all work done through the date of termination which will be paid within 60 days of its receipt. In the event of termination, only actual time spent and expenses incurred in the performance of the Work prior to the Termination Date will be compensated. The County will have no liability for lost profits, overhead

or other consequential or incidental damages. In the event of termination, the County will be free to abandon the work or retain another consultant to complete the Work.

(d) The obligations of the County under this agreement are contingent upon the prior appropriation of funds by the Kane County Board if applicable.

(e) The Consultant will maintain books, records, documents, time sheets and other evidence pertinent to its performance of the Work according to generally accepted accounting principles and practices consistently applied. The County or its authorized representatives will have access to such books, records, documents, and other evidence for inspections, audits, copying, and to time sheets and billing data related to the Work performed under this agreement. RFQ: #24-013-TK
Title: Financial and Accounting Services

The attention of all plan holders is called to the following changes, clarifications, and/or additions/deletions to the original bid solicitation and shall be part of the Contract Documents:

Clarifications and Additional Information

Questions:

1) The RFP notes that our team will be working with the Kane County finance department and staff. Who would our team report to in the County, and who would assign the projects?

A. The team would report to the Executive Director of Finance and the Assistant Director of Finance.

2) Is this role being created to supplement the staffing fulfilled by the County finance department or is the vendor being asked to outsource roles that are vacant?

A. Currently the plan is to supplement the staffing fulfilled by the County finance department but we are looking at changes in the Finance Department over the next couple of years

3) The RFP has a qualification for the vendor to have the ability to work remotely. Does the County expect the role to be fully remote? Are there certain tasks that would require an onsite presence? Is there an expectation by the County for a set amount of onsite time from the team?

A. Most of the work could probably be done remotely although initially its always good to have face to face time to get a good understanding of operations and expectations.

4) Back reconciliations and monthly accounting

a. How many bank reconciliations are completed?

A. A consolidated reconciliation between the County's general ledger account balances and the County Treasurer's Office consolidated checking and investment balances.

b. How many bank statements on average require basic reconciliations with only a few transactions such as interest income and bank fees vs bank reconciliations that require multiple journal entries?

A. It really depends, some months may be multiple journal entries where research is required to find out what adjustment needs to be made.

c. What was the last month that each bank reconciliation was fully completed?

A. We are months behind schedule.

d. Generally, what is an estimate for how long it would take for County staff to prepare all bank reconciliations?

A. It depends on the format of the data. Some of the data is paper only and some is electronic. We are working to try to get more data electronically.

e. Does the County have a listing of standard monthly entries to be completed? How many are part of the monthly process?

A. Yes, we have routine monthly entries to be posted but as described earlier, some of the adjustments may be nonroutine.

5) 1099 project

a. How many 1099s are typically prepared on average?

A. 600-700

6) Audit Report and year-end prep

a. What is the status of the audit preparation for the current November 30, 2023 audit year-end workpapers? Would the County need immediate assistance preparing for this audit? When does the County expect its audit fieldwork to begin?

A. Fieldwork begins January 22, 2024. The County would need immediate assistance.

b. Will the vendor be fully responsible for the audit preparation process, or will certain parts or certain departments be completed by the County?

A. Much of the audit preparation is completed by Finance staff and by Departments but many are very behind schedule due to staff turnover.

c. For the audit report, will the vendor be responsible for writing the full report or will the auditor or County be assisting in certain areas?

A. The vendor will not be responsible for the audit report at this time.

d. How are the capital assets currently tracked? Would the County allow the capital asset detail to be converted into a separate software application at the vendor?

A. Capital assets are tracked in multiple ways. Infrastructure of roads and bridges, etc. is tracked on spreadsheets. Converting to a vendors software is a possibility.

e. Is the Circuit Clerk Audit Report and Schedule J Filing included in the responsibility of this position?

A. Not at this time.

7) Monthly Board packet

a. Can we be provided an example of a standard board packet prepared?

A. Please review the Kane County website and review the Committee packets for all the Committees of the County.

8) Grant Administration

a. Has there been turnover of staff managing the grants?

A. No.

b. Is the Finance Department the centralized hub for all grants, or are the grants decentralized within the different departments?

A. Generally, grants are managed at the department level but Finance provides assistance.

c. Are the grant reports prepared and submitted monthly or quarterly?

A. Both, depends on the grant.

d. Do each of the departments prepare their own grant reports for review and submission by the Finance Department? Would our team be responsible for the compliance of each grant submitted?

A. Each department is currently preparing their own grant reports. Finance is involved in reviewing just a few of the grant reports.

e. How are the payments to subrecipients tracked?

A. Spreadsheets.

Please acknowledge receipt of Addendum 1 and submit your response accordingly. Thank you.

REQUEST FOR QUALIFICATIONS

DATE: January 4, 2024
RFQ #24-013-TK - Financial and Accounting Services

The County of Kane ("County") is seeking a statement of qualifications from a qualified and experienced professional or firm(s) to establish a service contract for the provision of various financial and accounting services. The qualified firms may be engaged to assist with routine accounting services or special projects throughout the entire year for the Kane County Finance Department.

Description of County

Located approximately 40 miles west of downtown Chicago, Kane County operates under the township form of government. The County is comprised of 16 townships covering a total of 522 square miles. The Kane County Board is the designated governing body. Its structure and legal activities are controlled by state statutes. A primary function of the County Board is to establish the various budgets for County funds and to levy taxes for County purposes. In addition, the County Board adopts ordinances and rules pertaining to the management and operations of County departments. One County Board member is elected from each of 24 single-member districts for a four-year term. The Chairman of the County Board is elected at large by the voters of the County.

Kane County is one of Chicago's suburban collar counties and is the fifth largest county in Illinois, spanning 524 square miles. The County's last estimated population of 516,822 represents a slight increase of 0.3% since the 2010 Census of 515,269. The County's relatively stable population despite the overall decline in state population can be attributed to the gradual expansion of the Chicago metropolitan area that led to a rise in residential and commercial development. Growth in the service, manufacturing, retail, professional and agricultural industries strengthened the diversity of the County's economy. Agriculture remains a significant driver of the economy with 50% of the land in Kane County designated as farmland. The expected increase in population accompanied by the rise in residential housing construction requires ongoing infrastructure enhancements to accommodate this growth.

As of November 30, 2022, the County's governmental funds reported a combined ending fund balance of $339.7 million. For the year ended November 30, 2022, the County's total revenue for governmental funds was $246.6 million and total expenditures were $210.0 million. The County has approximately 1,400 employees. The County's 2023 budgeted appropriations for all funds is $394 million. Financial statements are available on the County's website, **http://www.countyofkane.org/Pages/finance.aspx**.

SCOPE OF SERVICES
FOR
FINANCIAL AND ACCOUNTING SERVICES

I. GENERAL OVERVIEW

The County of Kane ("County") is seeking a statement of qualifications from a qualified and experienced professional or firm(s) to establish a service contract for the provision of various financial and accounting services for the Kane County Finance Department. The qualified firm may be engaged to assist with routine accounting services, special projects, and support throughout the entire year.

II. BACKGROUND

Located approximately 40 miles west of downtown Chicago, Kane County operates under the township form of government. The County is comprised of 16 townships covering a total of 522 square miles. The Kane County Board is the designated governing body. Its structure and legal activities are controlled by state statutes. A primary function of the County Board is to establish the various budgets for County funds and to levy taxes for County purposes. In addition, the County Board adopts ordinances and rules pertaining to the management and operations of County departments. One County Board member is elected from each of 24 single-member districts for a four-year term. The Chairman of the County Board is elected at large by the voters of the County.

Kane County is one of Chicago's suburban collar counties and is the fifth largest county in Illinois, spanning 524 square miles. The County's last estimated population of 516,822 represents a slight increase of 0.3% since the 2010 Census of 515,269. The County's relatively stable population despite the overall decline in state population can be attributed to the gradual expansion of the Chicago metropolitan area that led to a rise in residential and commercial development. Growth in the service, manufacturing, retail, professional, and agricultural industries strengthened the diversity of the County's economy. Agriculture remains a significant driver of the economy with 50% of the land in Kane County designated as farmland. The expected increase in population accompanied by the rise in residential housing construction requires ongoing infrastructure enhancements to accommodate this growth.

As of November 30, 2022, the County's governmental funds reported a combined ending fund balance of $339.7 million. For the year ended November 30, 2022, the County's total revenue for governmental funds was $246.6 million and total expenditures were $210.0 million. The County has approximately 1,400 employees. The County's 2023 budgeted appropriations for all funds is $394 million. Financial statements are available on the County's website, **http://www.countyofkane.org/Pages/finance.aspx**.

      (3) Applies on a primary basis if that is required by the written contract, written agreement or permit.

      (4) Will not be broader than coverage provided to any other insured.

Product Recall Expense Limits of Insurance

(1) Insureds;

(2) "Covered Recalls" initiated; or

(3) Number of "your products" withdrawn.

b. The Product Recall Expense Aggregate Limit is the most that we will reimburse you for the sum of all "product recall expenses" incurred for all "covered recalls" initiated during the policy period.

c. The Product Recall Each Occurrence Limit is the most we will pay in connection with any one defect or deficiency.

d. All "product recall expenses" in connection with substantially the same general harmful condition will be deemed to arise out of the same defect or deficiency and considered one "occurrence".

e. Any amount reimbursed for "product recall expenses" in connection with any one "occurrence" will reduce the amount of the Product Recall Expense Aggregate Limit available for reimbursement of "product recall expenses" in connection with any other defect or deficiency.

f. If the Product Recall Expense Aggregate Limit has been reduced by reimbursement of "product recall expenses" to an amount that is less than the Product Recall Expense Each Occurrence Limit, the remaining Aggregate Limit is the most that will be available for reimbursement of "product recall expenses" in connection with any other defect or deficiency.

g. **Product Recall Deductible**

We will only pay for the amount of "product recall expenses" which are in excess of the $500 Product Recall Deductible. The Product Recall Deductible applies separately to each "covered recall". The limits of insurance will not be reduced by the amount of this deductible.

We may, or will if required by law, pay all or any part of any deductible amount, if applicable. Upon notice of our payment of a deductible amount, you shall promptly reimburse us for the part of the deductible amount we paid.

The Product Recall Expense Limits of Insurance apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for the purposes of determining the Limits of Insurance.

(2) Cease any further release, shipment, consignment or any other method of distribution of like or similar products until it has been determined that all such products are free from defects that could be a cause of loss under this insurance.

e. For the purpose of this endorsement, the following definitions are added to **SECTION II - LIABILITY, F. Liability and Medical Expenses Definitions:**

1. "Covered recall" means a recall made necessary because you or a government body has determined that a known or suspected defect, deficiency, inadequacy, or dangerous condition in "your product" has resulted or will result in "bodily injury" or "property damage".

2. "Product recall expense(s)" means:

a. Necessary and reasonable expenses for:

(1) Communications, including radio or television announcements or printed advertisements including stationary, envelopes and postage;

(3) Remuneration paid to your regular "employees" for necessary overtime;

(4) Hiring additional persons, other than your regular "employees";

(5) Expenses incurred by "employees" including transportation and accommodations;

(6) Expenses to rent additional warehouse or storage space;

(7) Disposal of "your product", but only to the extent that specific methods of destruction other than those employed for trash discarding or disposal are required to avoid "bodily injury" or "property damage" as a result of such disposal,

you incur exclusively for the purpose of recalling "your product"; and

b. Your lost profit resulting from such "covered recall".

f. This Product Recall Expense Coverage does not apply:

(1) If the "products - completed operations hazard" is excluded from coverage under this Coverage Part including any endorsement thereto; or

8. **Unintentional Failure to Disclose Hazards**

The following is added to **SECTION II - LIABILITY, E. Liability and Medical Expenses General Conditions:**

Representations

We will not disclaim coverage under this Coverage Part if you fail to disclose all hazards existing as of the inception date of the policy provided such failure is not intentional.

9. **Unintentional Failure to Notify**

The following is added to **SECTION II - LIABILITY, E. Liability and Medical Expenses General Conditions, 2. Duties in the Event of Occurrence, Offense, Claim or Suit:**

Your rights afforded under this Coverage Part shall not be prejudiced if you fail to give us notice of an "occurrence", offense, claim or "suit", solely due to your reasonable and documented belief that the "bodily injury", "property damage" or "personal and advertising injury" is not covered under this Policy.

ALL OTHER TERMS, CONDITIONS, AND EXCLUSIONS REMAIN UNCHANGED.

Includes copyrighted materials of Insurance Services Offices, Inc., with its permission.

1. **SECTION I - PROPERTY**, if two or more of this coverage part's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.
2. **SECTION II - LIABILITY**, it is our stated intent that the various Coverage Parts, forms, endorsements or policies issued to the named insured by us, or any company affiliated with us, do not provide any duplication or overlap of coverage for the same claim, "suit", "occurrence", offense, accident, "wrongful act" or loss. We will not pay more than the actual amount of the loss or damage.

   If this Coverage Part and any other Coverage Part, form, endorsement or policy issued to the named insured by us, or any company affiliated with us, apply to the same claim, "suit", occurrence, offense, accident, "wrongful act" or loss, the maximum Limit of Insurance under all such Coverage Parts, forms, endorsements or policies combined shall not exceed the highest applicable Limit of Insurance under any one Coverage Part, form, endorsement or policy.

   This condition does not apply to any Excess or Umbrella Policy issued by us specifically to apply as excess insurance over this policy.

G. Liberalization

If we adopt any revision that would broaden the coverage under this policy without additional premium within 45 days prior to or during the policy period, the broadened coverage will immediately apply to this policy.

H. Other Insurance

1. **SECTION I - PROPERTY**

   If there is other insurance covering the same loss or damage, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But, we will not pay more than the applicable Limit of Insurance of **SECTION I - PROPERTY.**

2. **SECTION II - LIABILITY**

   If other valid and collectible insurance is available to the insured for a loss we cover under **SECTION II - LIABILITY**, our obligations are limited as follows:

   a. Primary Insurance

   This insurance is primary except when paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in paragraph **c.** below.

   However, if you agree in a written contract, written agreement, or written permit that the insurance provided to any person or organization included as an Additional Insured under this Coverage Part is primary and non-contributory, we will not seek contribution from any other insurance available to that Additional Insured which covers the Additional Insured as a Named Insured except:

   (1) For the sole negligence of the Additional Insured; or

   (2) When the Additional Insured is an Additional Insured under another liability policy.

   b. Excess Insurance

   This insurance is excess over:

   (1) Any of the other insurance, whether primary, excess, contingent or on any other basis:

   (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

   (b) That is Property Insurance for premises rented to you or temporarily occupied by you with permission of the owner;

   (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

   (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION II - LIABILITY, Exclusion g. Aircraft, Auto or Watercraft**; and

   (2) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured by attachment of an endorsement.

   When this insurance is excess, we will have no duty under **SECTION II - LIABILITY** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the

insured's rights against all those other insurers.

c. When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(2) The total of all deductible and self-insured amounts under all that other insurance.

d. We will share the remaining loss, if any, with any other insurance that is not described in this provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations for this Coverage.

e. **Method of Sharing**

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable Limit of Insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable Limit of Insurance to the total applicable limits of insurance of all insurers.

f. When this insurance is excess, we will have no duty under Business Liability Coverage to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so; but we will be entitled to the insured's rights against all those other insurers.

I. **Premiums**

1. The first Named Insured shown in the Declarations:

a. Is responsible for the payment of all premiums; and

b. Will be the payee for any return premiums we pay.

2. The premium shown in the Declarations was computed based on rates in effect at the time the policy was issued. On each renewal, continuation or anniversary of the effective date of this policy, we will compute the premium in accordance with our rates and rules then in effect.

3. With our consent, you may continue this policy in force by paying a continuation premium for each successive one-year period. The premium must be:

a. Paid to us prior to the anniversary date; and

b. Determined in accordance with paragraph **2.** above.

Our forms then in effect will apply. If you do not pay the continuation premium, this policy will expire on the first anniversary date that we have not received the premium.

4. Undeclared exposures or change in your business operation, acquisition or use of locations may occur during the policy period that is not shown in the Declarations. If so, we may require an additional premium. That premium will be determined in accordance with our rates and rules then in effect.

J. **Premium Audit**

1. This policy is subject to audit if a premium designated as an advance premium is shown in the Declarations. We will compute the final premium due when we determine your actual exposures.

2. Premium shown in this policy as advance premium is a deposit premium only. At the close of each audit period, we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

3. The first Named Insured must keep records of the information we need for premium computation and send us copies at such times as we may request.

K. **Transfer of Rights of Recovery Against Others to Us**

1. Applicable to **SECTION I - PROPERTY** Coverage:

If any person or organization to or for whom we make payment under this policy has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

insured's rights against all those other insurers.

c. When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(2) The total of all deductible and self-insured amounts under all that other insurance.

d. We will share the remaining loss, if any, with any other insurance that is not described in this provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations for this Coverage.

e. **Method of Sharing**

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable Limit of Insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable Limit of Insurance to the total applicable limits of insurance of all insurers.

f. When this insurance is excess, we will have no duty under Business Liability Coverage to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so; but we will be entitled to the insured's rights against all those other insurers.

I. **Premiums**

1. The first Named Insured shown in the Declarations:

a. Is responsible for the payment of all premiums; and

b. Will be the payee for any return premiums we pay.

2. The premium shown in the Declarations was computed based on rates in effect at the time the policy was issued. On each renewal, continuation or anniversary of the effective date of this policy, we will compute the premium in accordance with our rates and rules then in effect.

3. With our consent, you may continue this policy in force by paying a continuation premium for each successive one-year period. The premium must be:

a. Paid to us prior to the anniversary date; and

b. Determined in accordance with paragraph **2.** above.

Our forms then in effect will apply. If you do not pay the continuation premium, this policy will expire on the first anniversary date that we have not received the premium.

4. Undeclared exposures or change in your business operation, acquisition or use of locations may occur during the policy period that is not shown in the Declarations. If so, we may require an additional premium. That premium will be determined in accordance with our rates and rules then in effect.

J. **Premium Audit**

1. This policy is subject to audit if a premium designated as an advance premium is shown in the Declarations. We will compute the final premium due when we determine your actual exposures.

2. Premium shown in this policy as advance premium is a deposit premium only. At the close of each audit period, we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

3. The first Named Insured must keep records of the information we need for premium computation and send us copies at such times as we may request.

K. **Transfer of Rights of Recovery Against Others to Us**

1. Applicable to **SECTION I - PROPERTY** Coverage:

If any person or organization to or for whom we make payment under this policy has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

a. Prior to a loss to your Covered Property.

b. After a loss to your Covered Property only if, at time of loss, that party is one of the following:

(1) Someone insured by this insurance;

(2) A business firm:

(a) Owned or controlled by you; or

(b) That owns or controls you; or

(3) Your tenant.

You may also accept the usual bills of lading or shipping receipts limiting the liability of carriers.

This will not restrict your insurance.

2. Applicable to **SECTION II - LIABILITY** Coverage:

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair such rights. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

We waive any right of recovery we may have against any person or organization with whom you have a written contract, permit or agreement to waive any rights of recovery against such person or organization because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard".

This condition does not apply to Medical Expenses Coverage.

L. Transfer of Your Rights and Duties Under This Policy

Your rights and duties under this policy may not be transferred without our written consent except in the case of death of an individual Named Insured. If you die, your rights and duties will be transferred to your legal representative but only while that legal representative is acting within the scope of their duties as your legal representative. Until your legal representative is appointed, anyone with proper temporary custody of your property will have your rights and duties but only with respect to that property.

Budget Information:

Was this item budgeted? N/A	Appropriation Amount: N/A
If not budgeted, explain funding source:	

The Kane County Financial Policies allocate the Mass Transit Sales Tax (RTA Sales Tax) revenue as follows:

- Transportation Fund – 75%
- General Fund – 10%
- Public Safety Fund – 9%
- Judicial Technology Fund – 6%

As part of the FY 2026 Budget process, in order to assist in balancing Fund #001 - General Fund – General Account, it is recommended to revise Section 12 – Mass Transit Sales Tax, paragraph's 3 and 4 of Kane County's Financial Policies to provide an additional 25% of the RTA Transportation Sales Tax to Fund #001 - General Fund – General Account and reduce the allocation to Fund #305 Transportation Sales Tax Fund by 25%. It is estimated that the reallocation would increase revenue to Fund #001 – General Fund – General Account by $6,853,749 and reduce revenue to Fund #305 Transportation Sales Tax Fund by $6,853,750. The forecasted RTA Sales Tax revenue for the FY 2026 Budget is as follows under the current percentage allocation and the proposed revised allocation:

	Current Allocation			Proposed Allocation
