Budget Information:

Was this item budgeted? Yes	Appropriation Amount: \$33,185.58
If not budgeted, explain funding source: N/A	

Summary:

In accordance with the Intergovernmental Agreement between the County of Kane and the Village of Elburn for the Construction of Anderson Road Extended Including a Bridge Over the Union Pacific Railroad Tracks and Metra Coach Yard dated May 11, 2012, Kane County shall equally share (50%), with the Village, the cost of required maintenance of the grade separation structure over the UPRR tracks and Metra Coach Yard until January 1, 2031.

During a routine inspection of the Anderson Road Bridge, deterioration of the preformed joint seal at the north abutment was found. Repairs consisted of removing and replacing the deteriorated joint seal and applying a penetrating concrete sealer to the bridge deck, parapets, and approach slabs to preserve the concrete and extend the useful life of the bridge.

The Village awarded the repair project to Path Construction, 125 E Algonquin Rd, Arlington Heights, IL 60005, for \$39,637.80. The repair was completed late 2023 with the final bill approximately \$2,000 under bid at \$37,946.44. In addition, the engineering costs (HRGreen) incurred by the Village were \$28,424.71. The total cost for the engineering and construction is \$66,371.15, which makes the County's share to be reimbursed to the Village of Elburn \$33,185.58.

Staff recommends approval.
