

## RESOLUTION / ORDINANCE EXECUTIVE SUMMARY ADDENDUM

### Title

Approving an Intergovernmental Agreement with the City of Aurora for Orchard Road Fence Replacement

### **Committee Flow:**

Transportation Committee, Executive Committee, County Board

### **Contact:**

Tom Rickert, 630.406.7170

### **Budget Information:**

Was this item budgeted? Yes	Appropriation Amount: \$1,018,000.00
If not budgeted, explain funding source: N/A	

### **Summary:**

While Orchard Road is jurisdictionally a County Highway, the roadway was jointly created and is jointly maintained in accordance with intergovernmental agreements between the County and the City of Aurora. As part of the County's and City's joint Orchard Road widening project in 2004, the City of Aurora requested that the project include a privacy fence in various locations on the east and west sides of Orchard Road. On an annual basis, the City has maintained the Fence, including the replacement of broken and/or deteriorated planks and posts. The City and County have determined that those repairs are no longer sufficient, as continued normal wear and tear and natural deterioration has caused the fence to approach the end of its useful and serviceable life.

As such, the City has evaluated replacement alternatives to the existing wood fence and has obtained grants to assist with life cycle enhancements for the replacement fence. The fence replacement shall include the construction of a new Precast Concrete Site Screen Wall at an estimated design, construction, and inspection total cost of \$4,070,400. The City and the County will each contribute one million, eighteen thousand dollars (\$1,018,000) to the Project; one million, three hundred thousand dollars (\$1,300,000) will be from State Funds; and the remainder (estimated to be approximately seven hundred thirty-four thousand, four hundred dollars (\$734,400)) would be funded with City of Aurora funds and/or an SSA. The County's share for the replacement fence will not exceed \$1,018,000.

Staff recommends approval.
