Summary:

The Kane County Health Department applies for grants each year to support its programs which provide health services to the community. The expenses for these programs are included in the FY2024 budget. The umbrella resolution allows recurring grants to meet the following objectives:

- Synchronizes approval of contracts between state and county fiscal levels
- Allows contract acceptance and signature within required timeframe
- Maximizes the amount of grant funding received by KCHD

This resolution allows the Kane County Board Chair to sign an agreement to accept the maximum awarded grant funds for the grants listed in this resolution to support the expenses included in the FY2024 budget.
