### **Summary:**

At the June 2025 Transportation Committee meeting, Staff solicited Committee comments on the conceptual intergovernmental agreement (IGA) between Kane County and the City of Geneva. Based on that feedback/direction, KDOT staff worked with our counterparts at the City to prepare the attached IGA.

The IGA would establish the location of a new access on the north side of Fabyan Parkway opposite Louis Bork Drive. The extension of Kautz Road south from IL Route 38 will ultimately connect into this proposed access. Once completed, the Kautz Road extension will provide an important north-south link in the eastern part of Kane County.

Staff recommends approval.
