Summary:

The attached resolution authorizes Grand Victoria Riverboat funding for thirty-two (32) projects/programs sponsored by external organizations. All projects were reviewed and recommended by the County Board's Riverboat Committee. During their deliberations, the committee considered how effectively the proposals will address the Riverboat Program's eligibility criteria (in the areas of education, environment, and economic development), the extent to which the proposals will leverage funds from other sources (thus extending the impact Riverboat funds have within the county), the soundness of the applicants' projects, their readiness to complete their projects in a timely fashion, and the impact the projects will have within the community.
