AGENDA MEMORANDUM

DATE: September 23, 2025

TO: Forest Preserve District Finance and Administration Committee

FROM: Ben Haberthur, Executive Director
Dave Petschke, Director of Finance
Jen Clough, Director of HR

SUBJECT: Presentation and Approval of a 3-Year Contract for Cloud-Based Payroll and Human Resource Services from ADP, Inc.

PURPOSE:

The purpose of this memorandum is to provide the Committee with information to consider approving a 3-year contract with Automatic Data Processing (ADP) Inc. for select Human Resource (HR) and payroll services.

BACKGROUND:

The District currently manages both our Human Resource Information System (HRIS) and payroll functions through New World Systems. "New World" is an Enterprise Resource Planning (ERP) system by Tyler Technologies. Tyler no longer sells this outdated software, and will stop supporting this product at an unspecified time in the near future. Given the uncertainty of Tyler's support for New World, coupled with currently available organizational restructuring opportunities, staff are recommending the contracting of the District's payroll services and select HR functions to ADP Inc. This strategic shift offers a cost savings opportunity while introducing a suite of new technologies that will enhance both the District's financial operations and improve HR functionality.

A recent promotion in the Finance department left the Payroll Coordinator position vacant, and the position is currently frozen. Transitioning to ADP for payroll processing, timeclock management, W-2 issuance, and quarterly 941 reporting, eliminates the need to backfill the Payroll Coordinator position. The overall savings from this vacancy, combined with reductions in other software systems replaced by ADP's integrated platform, total approximately \$113,069.00 annually.

Transitioning to ADP will also allow the Finance department to shift its focus from manual payroll processing to higher-level financial analysis. This includes reviewing time clock data and payroll registers for accuracy before approval. As well as providing strategic oversight on compensation trends and staffing costs.

These savings will allow the District to reclassify the currently vacant Human Resources Generalist position into a Human Resources Manager position. The new manager, in partnership with the Human Resources Coordinator, will ensure dual controls of all employee data including work schedules, pay rates, deductions,

and benefits. They will also reconcile ADP generated reports against IPBC's health insurance portal "PlanSource" data, ensuring accuracy and compliance. This layered review process will improve audit readiness and data integrity while also strengthening internal controls and add depth to the HR team's oversight responsibilities. This HR restructuring will be funded from part of the savings realized from the Finance department's restructuring. The cost to reclassify the HR Generalist position to an HR Manager position is an estimated cost of (\$22,083.00).

One of the largest benefits of utilizing ADP services is access to the technology, including analytic reporting and HR enhancements. The advanced suite of HR technologies will support the District in the following key areas:

- Performance Evaluations – Streamlined tools to track and manage employee performance cycles. The current process is manual and paper-based. Other electronic solutions that have been evaluated by the Human Resources department have been much more costly to implement and manage.
- Time Clocks – Modernized time tracking solutions integrated directly with payroll to reduce errors and manual entry.
- Applicant Tracking – Enhanced recruitment tools to attract, review, and hire candidates more efficiently. The District currently uses Applitrack, which is designed for K-12 education and has limited with the ability to support the District's needs.
- Onboarding – Automated onboarding processes for new hires to ensure timely and compliant integration into the district. The current process is manual and paper-based.
- Benefits Administration – ADP will reconcile the PlanSource monthly invoices to ensure the deductions and benefits that are managed in the ADP HRIS system are accurate and that the District's expenditures for IPBC benefits are accurate.

This will modernize how the District recruits and onboards employees, as well as how employees enroll in benefit plans, submit time worked, and manage performance. The magnitude of the project will need to be supported with comprehensive training and on-going support efforts.

Staff across the Finance, Human Resources, and Administration departments evaluated the benefit of contracting with ADP and concluded that it will improve internal controls, eliminate redundancies, and promote efficiencies well beyond the current software capabilities. This solution will also integrate into any ERP solution that will eventually replace the current New World Systems, ERP that Tyler Technologies is no longer selling to governmental entities. The proposed contract pricing was obtained through the OMNIA co-op and includes a reduction in implementation costs of 63.6% from \$22,000.00 to \$8,000.00. It also includes a discount of 20.0% for the annual base rate of 100 employees from \$82,621.25 to \$66,097.00 per year.

FINANCIAL IMPACT:

ADP, Inc. agreed to lock in their pricing for the 3-year duration of this agreement. ADP has also agreed to a post contract lock of 3%, which will ensure the increases in the rates charged remain within 3% of the prior year. The District anticipates salary and benefit increases for the Payroll Coordinator position that is being eliminated to be much higher than the rate increases beyond the 3-year initial ADP contract period. Charges from ADP are calculated monthly, based upon the highest headcount of the pay periods that were processed in the prior month. Additional "ADP Comprehensive Services Ancillary Modules" are included in this contract as well, which are all disclosed in the attached contract.

The District anticipates that the base rate for ADP services will be approximately \$5,462.25 (100 employees), while in the peak seasonal months we expect that figure to increase to approximately \$6,816.95 (131 employees). Based on historical employee counts from fiscal year 2025, the District projects an annual fee of approximately \$73,027.20 for payroll, HR, and tax filing services within the 3-year contract period if employee staffing remains consistent.

Total savings from eliminating the Payroll Coordinator position and software systems that will no longer be needed are \$113,069.00 annually. Those savings will be offset by a reclassification of the Human Resources Generalist position to a Human Resources Manager position for an increased cost of \$22,083.00. Additionally, the anticipated annual cost for ADP will be \$73,027.20. Therefore, the District will be able to utilize all of the services and technology from ADP while strengthening the support within the Human Resources department and also saving the District \$17,958.80 in the first year. This also ensures that annual increases remain locked for a 3-year period and that subsequent increases are not greater than 3% annually which will generate greater savings in the future compared to the projected salary and benefit increases for the Payroll Coordinator position.

The ADP contract will also require a one-time implementation fee of \$8,000.00 that is currently available within the Administrative Department's contingency account, 01-11-11-5080.

RECOMMENDATION:

Staff recommends the Committee approve a 3-year contract with ADP, Inc. for payroll and human resource services and authority for the Executive Director to extend the ADP, Inc. contract for subsequent years due to the 3% post-rate lock offered by ADP, Inc.

Client's use of any third party services will be governed by any terms Client agrees to with the third party and in the event of any conflict between the terms of this Agreement and any third party terms, the terms of this Agreement will apply to the provision of the Services by ADP to Client.

3 Compliance

- 3.1 Applicable Laws.** Each party will comply with laws and regulations that affect its business generally, including any applicable anti-bribery, export control, computer fraud and data protection laws.
- 3.2 Design of the Services.** ADP will design the Services, including the functions and processes applicable to ADP's performance of the Services, to assist the Client in complying with its legal and regulatory requirements applicable to the Services, and ADP will be responsible for the accuracy of such design. Client and not ADP will be responsible for (i) how it uses the Services to comply with its legal and regulatory requirements and (ii) the consequences of any instructions that it gives to ADP, including as part of the implementation of the Services, provided ADP follows such instructions. Services do not include any legal, financial, regulatory, benefits, accounting or tax advice.
- 3.3 Online Statements.** If Client instructs ADP to provide online pay statements, Forms W2, Forms 1099, or Forms 1095-C without physical copies thereof, Client will be exclusively responsible for determining if and to what extent Client's use of online pay statements, Forms W2, Forms 1099, or Forms 1095-C satisfies Client's obligations under applicable laws and the consequences resulting from such determinations.
- 3.4 Data Privacy Appendix.** ADP's Data Privacy Appendix, located at <https://contracts.adp.com/-/media/microsites/contracts/pdf/adp-dpa-v1-20250228.pdf>, is incorporated by reference into this Agreement.

4 Confidentiality

- 4.1 General.** All Confidential Information disclosed under this Agreement will remain the exclusive and confidential property of the disclosing party. The receiving party will not disclose to any third party the Confidential Information of the disclosing party and will use at least the same degree of care, discretion and diligence in protecting the Confidential Information of the disclosing party as it uses with respect to its own confidential information. The receiving party will limit access to Confidential Information to its employees and independent contractors with a need to know the Confidential Information and will instruct those employees and independent contractors to keep such information confidential. ADP may disclose Client's Confidential Information on a need to know basis to (i) ADP's subcontractors who are performing the Services, provided that ADP shall remain liable for any unauthorized disclosure of Client's Confidential Information by those subcontractors, (ii) employees of ADP's Affiliates, provided such employees are instructed to keep the information confidential as set forth in this Agreement and (iii) social security agencies, tax authorities and similar third parties, to the extent strictly necessary to perform the Services. ADP may use Client's and its employees' and other Services recipients' information in an aggregated, anonymized form, such that neither Client nor such person may be identified, and Client will

have no ownership interest in such aggregated, anonymized data. Client authorizes ADP to release employee-related data, and such other data as required to perform the Services, to third party vendors of Client as designated by Client from time to time. Notwithstanding the foregoing, the receiving party may disclose Confidential Information (x) to the extent necessary to comply with any law, rule, regulation or ruling applicable to it, (y) as appropriate to respond to any summons or subpoena or in connection with any litigation and (z) to the extent necessary to enforce its rights under this Agreement.

- 4.2 Return or Destruction.** Upon the request of the disclosing party or upon the expiration or earlier termination of this Agreement, and to the extent feasible, the receiving party will return or destroy all Confidential Information of the disclosing party in the possession of the receiving party, provided that each party may maintain a copy if required to meet its legal or regulatory obligations and may maintain archival copies stored in accordance with regular computer back-up operations. To the extent that any portion of Confidential Information of a disclosing party remains in the possession of the receiving party following expiration or earlier termination of this Agreement, such Confidential Information shall remain subject to the generally applicable statutory requirements and the confidentiality protections contained in Section 4.1.

5 Intellectual Property

- 5.1 Client IP Rights.** Except for the rights expressly granted to ADP in this Agreement, all rights, title and interests in and to Client Content, including all Intellectual Property Rights inherent therein and pertaining thereto, are owned exclusively by Client or its licensors. Client hereby grants to ADP for the Term a non-exclusive, worldwide, non-transferable, royalty-free license to use, edit, modify, adapt, translate, exhibit, publish, reproduce, copy and display the Client Content for the sole purpose of performing the Services; provided Client has the right to pre-approve the use by ADP of any Client trademarks or service marks.
- 5.2 ADP IP Rights.** Except for the rights expressly granted to Client in this Agreement, all rights, title and interest in and to the Services, including all Intellectual Property Rights inherent therein and pertaining thereto, are owned exclusively by ADP or its licensors. ADP grants to Client for the Term a personal, non-exclusive, non-transferable, royalty-free license to use and access the ADP Application Programs solely for the Internal Business Purposes in the United States and Canada and solely up to the maximum number of Users (if any) indicated in the Sales Order. The ADP Application Programs do not include any Client-specific customizations unless otherwise agreed in writing by the parties. Client will not obscure, alter or remove any copyright, trademark, service mark or proprietary rights notices on any materials provided by ADP in connection with the Services, and will not copy, recompile, disassemble, reverse engineer, or make or distribute any other form of, or any derivative work from, such ADP materials.
- 5.3 Ownership of Reports.** Client will retain ownership of the content of reports and other materials that include Client Content produced and delivered by ADP as a part of the Services, provided that ADP will be the owner of the format of such reports. To the extent any such reports or other materials incorporate any ADP proprietary information, ADP (i) retains sole ownership of such proprietary information and (ii) provides the Client a fully paid up, irrevocable, perpetual, royalty-free license to access and use same for its Internal Business Purposes without the right to create derivative works (other than derivative works to be used solely for its Internal Business Purposes) or to further distribute any of the foregoing rights outside the Client Group.
- 5.4 Improvements.** ADP will make available to Client, at no additional cost, software improvements, enhancements, or updates to any ADP Application Programs that are included in the Services (collectively "**Improvements**") if and as they are made generally available by ADP at no additional cost to ADP's other clients using the same ADP Application Programs as Client and receiving the same Services as Client. All Improvements provided under this Section 5.4 shall be considered part of the ADP Application Programs. If Client fails to implement Improvements provided or made available to Client by ADP, ADP shall be relieved of any responsibility for errors or degradation in the Services and shall have no obligation to provide support for the ADP Application Programs.

6 Indemnities

- 6.1 ADP Indemnity.** Subject to the remainder of this Section 6.1, and Sections 6.3 and 7, ADP will defend Client against any third party claims and will indemnify and hold Client harmless from any resulting damage awards or settlement amounts in any cause of action to the extent such cause of action is based on a claim alleging that the Services or ADP Application Programs, as provided by ADP and used in accordance with the terms of this Agreement, infringe upon any Intellectual Property Rights of a third party in the United States. The foregoing infringement indemnity will not apply and ADP will not be liable for any damages assessed in any cause of action to the extent resulting from a Client Infringement Event or ADP's use of Client Content as contemplated by this Agreement. If any Service is held or believed to infringe on any third-party's Intellectual Property Rights, ADP may, in its sole discretion, (i) modify the Service to be non-infringing, (ii) obtain a license to continue using such Service, or (iii) if neither (i) nor (ii) are practical, terminate this Agreement as to the infringing Service and return to Client any unearned fees prepaid by Client to ADP.
- 6.2 Client Indemnity.** Subject to Sections 6.3 and 7, Client will defend ADP against any third party claims and will indemnify and hold ADP harmless from any resulting damage awards or settlement amounts in any cause of action to the extent such cause of action is based on the occurrence of a Client Infringement Event or ADP's use of Client Content as contemplated by this Agreement.
- 6.3 Indemnity Conditions.** The indemnities set forth in this Agreement are conditioned on the following: (i) the party claiming indemnification (the "**Indemnitee**") shall promptly notify the indemnifying party (the "**Indemnitor**") of any matters in respect of which it seeks to be indemnified, and shall give the Indemnitor full cooperation and opportunity to control the response thereto and the defense thereof, including without limitation any settlement thereof, (ii) the Indemnitor shall have no obligation for any claim under this Agreement if the Indemnitee makes any admission, settlement or other communication regarding such claim without the prior written consent of the Indemnitor, which consent shall not be unreasonably withheld, and (iii) the Indemnitee's failure to promptly give notice to the Indemnitor shall affect the Indemnitor's obligation to indemnify the Indemnitee only to the extent the Indemnitor's rights are materially prejudiced by such failure. The Indemnitee may participate, at its own expense, in such defense and in any settlement discussions directly or through counsel of its choice.

7 Limit on Liability

- 7.1 Ordinary Cap.** Notwithstanding anything to the contrary in this Agreement and subject to the remainder of this Section 7, neither party's aggregate liability in any calendar year shall exceed an amount equal to six (6) times the average ongoing monthly Services fees paid or payable to ADP by Client during such calendar year for all Services (the "**Ordinary Cap**").
- 7.2 Extraordinary Cap.** As an exception to Section 7.1, if damages arise from a breach of Section 4 (Confidentiality), Section 9.3 (Data Security) or Section 9.4 (Unauthorized Third Party Access), the Ordinary Cap will be increased by an additional six (6) times the average ongoing monthly Services fees paid or payable to ADP by Client during such calendar year for all Services (the "**Extraordinary Cap**"). For the avoidance of doubt, in no case shall either party's aggregate liability in any calendar year under this Agreement exceed an amount equal to twelve (12) times the average monthly ongoing Services fees paid or payable to ADP by Client during such calendar year for all Services.
- 7.3 Matters not Subject to the Cap.** The foregoing limits on liability shall not apply to the following:
- 7.3.1** Client's funding obligations in connection with the Payment Services;
 - 7.3.2** Loss or misdirection of Client funds in possession or control of ADP due to ADP's error or omission;
 - 7.3.3** In connection with the ADP Employment Tax Services, (i) interest charges imposed by an applicable tax authority on Client for the failure by ADP to pay funds to the extent and for the period that such funds were held by ADP and (ii) all tax penalties resulting from ADP's error or omission in the performance of such Service. The provisions of this Section 7.3.3 shall only apply if (x) Client permits ADP to act on Client's behalf in any communications and negotiations with the applicable taxing authority that is seeking to impose any such penalties or interest and (y) Client assists ADP as reasonably required by ADP;
 - 7.3.4** Either party's gross negligence, or willful, criminal or fraudulent misconduct;
 - 7.3.5** The infringement indemnity set forth in Section 6.1 and 6.2;
 - 7.3.6** Client's biometrics indemnity set forth in Section 14;
 - 7.3.7** Client's obligations to pay the fees for Services; and
 - 7.3.8** ADP's obligations to provide credit monitoring as set forth in Section 10.2.
- 7.4 Mitigation of Damages.** ADP and Client will each use reasonable efforts to mitigate any potential damages or other adverse consequences arising from or related to the Services.
- 7.5 No Consequential Damages.** NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT AND ONLY TO THE EXTENT PERMITTED BY APPLICABLE LAW, NONE OF ADP, CLIENT OR ANY ISSUING BANK WILL BE RESPONSIBLE FOR SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER SIMILAR DAMAGES (INCLUDING DAMAGES FOR LOSS OF BUSINESS OR PROFITS, BUSINESS INTERRUPTIONS OR HARM TO REPUTATION) THAT ANY OTHER PARTY OR ITS RESPECTIVE AFFILIATES MAY INCUR OR EXPERIENCE IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES, HOWEVER CAUSED AND UNDER WHATEVER THEORY OF LIABILITY, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. The foregoing exclusion shall not apply to claims for consequential damages arising from (i) ADP's or Client's gross negligence or willful, criminal or fraudulent misconduct, (ii) Client or Client's Users sharing or allowing access to a User's password, User ID, or other form of user authentication, or (iii) ADP's or Client's breach or breaches of Section 4.1 or Section 9.3 under this Agreement; provided however, that any consequential damages recovered by Client or ADP in a calendar year for claims pursuant to Sections 7.5(ii) and 7.5(iii) will be subject to the Extraordinary Cap set forth in Section 7.2 above.

8 Warranties and Disclaimer

- 8.1 Warranties.** Each party warrants that (i) it has full corporate power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby and (ii) this Agreement has been duly and validly executed and delivered and constitutes the valid and binding agreement of the parties, enforceable in accordance with its terms.
- 8.2 DISCLAIMER.** EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, ALL SERVICES, ADP APPLICATION PROGRAMS AND EQUIPMENT PROVIDED BY ADP OR ITS SUPPLIERS ARE PROVIDED "AS IS" AND ADP AND ITS LICENSORS AND SUPPLIERS EXPRESSLY DISCLAIM ANY WARRANTY, EITHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, NON-INTERRUPTION OF USE, AND FREEDOM FROM PROGRAM ERRORS, VIRUSES OR ANY OTHER MALICIOUS CODE, WITH RESPECT TO THE SERVICES, THE ADP APPLICATION PROGRAMS, ANY CUSTOM PROGRAMS CREATED BY ADP OR ANY THIRD-PARTY SOFTWARE DELIVERED BY ADP AND RESULTS OBTAINED THROUGH THE USE THEREOF.
- 8.3 ADP COMPREHENSIVE SERVICES DISCLAIMERS.** THE PARTIES ACKNOWLEDGE AND AGREE THAT:
- 8.3.1** THE ADP COMPREHENSIVE SERVICES PROVIDED HEREUNDER, INCLUDING, BUT NOT LIMITED TO, ANY AND ALL INFORMATION, MATERIALS, FORMS, AND PARTICIPANT SERVICE CENTER ACCESS, ARE PRESENTED IN GOOD FAITH, ARE GENERAL AND EDUCATIONAL IN NATURE AND ARE NOT INTENDED TO BE AND WILL NOT BE RELIED UPON BY CLIENT AS EITHER LEGAL, FINANCIAL, INSURANCE OR TAX ADVICE. FURTHERMORE, THE INFORMATION CONTAINED IN THE COMPREHENSIVE SERVICES MAY NOT BE APPLICABLE TO OR SUITABLE FOR EVERY SPECIFIC FACT SCENARIO OR CIRCUMSTANCE OR NEED AND MAY REQUIRE CONSIDERATION OF OTHER MATTERS AND LEGAL SUPPORT. CLIENT ACKNOWLEDGES THAT IT IS RESPONSIBLE FOR SEEKING ADVICE, AS

IT DEEMS NECESSARY, FROM QUALIFIED LEGAL, FINANCIAL, INSURANCE, ACCOUNTING OR OTHER PROFESSIONALS IN ALL JURISDICTIONS WHERE CLIENT OPERATES AND HAS EMPLOYEES.

8.3.2 THERE MAY BE CONFLICTING CURRENT PRACTICES, POLICIES OR CONTRACTS (WRITTEN OR UNWRITTEN) THAT MUST BE ADDRESSED BY CLIENT PRIOR TO THE ADOPTION AND IMPLEMENTATION OF ANY MATERIAL(S) AND/OR CONTENT(S) UNDER THE COMPREHENSIVE SERVICES. WHERE CERTAIN MATERIAL(S) AND/OR CONTENT(S) ARE BEING ADOPTED AND IMPLEMENTED BY THE CLIENT FOR ITS EXISTING WORKFORCE, IT MAY CONSTITUTE A CHANGE IN THE EMPLOYMENT TERMS OR CONTRACTUAL RELATIONSHIP, AND MAY REQUIRE THE PROVISION OF NOTICE OR CONSIDERATION.

8.3.3 IN NO EVENT SHALL ADP BE LIABLE TO CLIENT FOR ANY CLAIM(S) RELATING IN ANY WAY TO CLIENT'S INABILITY OR FAILURE TO PERFORM LEGAL, TAX OR OTHER RESEARCH OR RELATED WORK PROPERLY OR COMPLETELY EVEN IF ASSISTED BY ADP, OR ANY DECISION MADE OR ACTION TAKEN BY CLIENT IN RELIANCE UPON THE CONTENT(S) AND/OR MATERIAL(S) PROVIDED AS PART OF THE COMPREHENSIVE SERVICES. THE CONTENT(S) AND/OR MATERIAL(S) WERE NOT NECESSARILY PREPARED BY A PERSON LICENSED TO PRACTICE LAW IN A PARTICULAR JURISDICTION.

9 Security and Controls

9.1 Service Organization Control Reports. Following completion of implementation of any applicable Services, ADP will, at Client's request and at no charge, provide Client with copies of any routine Service Organization Control 1 reports ("**SOC 1 Reports**") (or any successor reports thereto) that are both directly related to those Services provided hereunder for Client and already released to ADP by the public accounting firm producing the report. SOC 1 Reports are ADP Confidential Information and Client will not distribute or allow any third party (other than its independent auditors) to use any such report without the prior written consent of ADP. Client will instruct its independent auditors or other approved third parties to keep such report confidential and Client will remain liable for any unauthorized disclosure of such report by its independent auditors or other approved third parties.

9.2 Business Continuity; Disaster Recovery. ADP maintains a commercially reasonable business continuity and disaster recovery plan and will follow such plan.

9.3 Data Security. ADP has an established information security program containing appropriate administrative, technical and physical measures to protect Client data (including Personal Data) against accidental unlawful or unauthorized destruction, alteration, unauthorized disclosure or access consistent with applicable laws. In the event ADP suspects any unauthorized access to, or use of, the Services and ADP Application Programs, ADP may suspend access to the Services to the extent ADP deems necessary to preserve the security of ADP, Client or User data.

9.4 Unauthorized Third Party Access. Client and its Users are responsible for maintaining the security and confidentiality of any password, User ID, or other form of user authentication involved in obtaining access to ADP Application Programs, and Client and its Users shall not disclose any confidential account access credentials or related information to Unauthorized Third Parties.

10 Data Security Breach

10.1 Notification. If ADP becomes aware of a Data Security Breach of Client's Personal Data, ADP will take appropriate actions to contain, investigate and mitigate the Data Security Breach. ADP shall notify Client without undue delay after becoming aware that a Data Security Breach has occurred, unless otherwise required or instructed by law enforcement or regulatory authority. ADP will share information in its possession with Client for Client to determine any regulatory reporting obligations required by applicable law.

10.2 Other ADP Obligations. In the event that a Data Security Breach is the result of the failure of ADP to comply with the terms of this Agreement, ADP shall, to the extent legally required or otherwise necessary to notify the individuals of potential harm, bear the actual, reasonable costs of notifying affected individuals. ADP and Client shall mutually agree on the content and timing of any such notifications, in good faith and as needed to meet applicable legal requirements. In addition, where notifications are required, and where such monitoring is practicable and customary, ADP shall also bear the cost of one year of credit monitoring to affected individuals in the applicable jurisdictions.

11 Payment Terms

11.1 Fees and Fee Adjustments. Client will pay to ADP the fees and other charges for the Services at the rates set forth in the Sales Order for the Initial Term. Total fees charged, including within the Initial Term, may change commensurate with the number of Client's employees being serviced. ADP may increase prices for Services at any time after the Initial Term upon at least thirty (30) days prior written notice to Client. The fees presented in any Sales Order were calculated based upon particular assumptions relative to Client requirements (including funding requirements), specifications, volumes and quantities as reflected in the applicable Sales Order and related documentation, and if Client's actual requirements vary from what is stated, ADP may adjust the fees based on such changes. The fees do not include any customizations to any Service.

11.2 Additional Services and Charges. Any Services provided to Client but not included in a Sales Order will be provided subject to the terms of this Agreement and charged at the applicable rates as they occur; and those services will be considered to be "Services" for purposes of this Agreement. Additional charges may be assessed to Client in relation to the performance of the Services in certain circumstances, including without limitation, late funding, an insufficient funds notification and emergency payment requests from Client.

11.3 Fees for Implementation Services. Implementation fees are due and payable by Client when billing begins for the Services in accordance with Section 11.4.

11.4 Invoicing. Client will be invoiced for fees on a monthly billing cycle. If Client is purchasing Comprehensive HR alone or with any other of the ADP Comprehensive Services, billing shall begin starting the monthly billing cycle following the initial kickoff call with Client's

applicable ADP Relationship Manager (the "Kick-off Call"). If Client is purchasing Comprehensive Payroll (without Comprehensive HR), Comprehensive Benefits and/or Comprehensive Talent billing shall begin upon the earlier of (a) the date Client is first able to use the services in a live production environment or (b) ninety (90) days from the Kick-off Call. Notwithstanding the foregoing, if Client is an existing ADP Workforce Now client migrating from Major Accounts Services to Comprehensive Services and has purchased Comprehensive Payroll, Comprehensive Benefit and/or Comprehensive Talent, then Client shall be invoiced for such Comprehensive Services commencing one month from the date Client is implemented on the Comprehensive Services platform. With the exception of the addition of any of the Comprehensive Services, in the event after the Effective Date Client adds additional Services pursuant to an Amendment, unless otherwise specified in such Amendment or Sales Order, billing shall commence when Client is first able to use such added Services in a live production environment. ADP will notify Client of all applicable Services fees payable by Client by way of invoice or other method (i.e. ADP's on-line reporting tool). Client will pay the amount on each invoice or such other similar document in full pursuant to the agreed upon method of payment set forth in the Sales Order. All amounts not paid when due are subject to a late payment charge of one and one-half percent (1.5%) per month (not to exceed the maximum allowed by applicable law) of the past due amount from the due date until the date paid.

11.5 Currency. Client shall pay the fees in US dollars.

11.6 Taxes. Unless Client provides ADP a valid tax exemption or direct pay certificate, Client will pay directly, or will pay to ADP, an amount equal to all applicable taxes or similar fees levied or based on the Agreement or the Services, exclusive of taxes based on ADP's net income.

11.7 Postage, Shipping, Travel and Out-of-Pocket Expenses. ADP will invoice Client for postage charges, delivery charges, other third party charges, reasonable preapproved travel expenses, and travel-related out-of-pocket expenses, as necessary to provide the Services.

11.8 Funding Requirements and Disbursement Disclosures. With respect to Payment Services to be deducted by ACH or Pre-Authorized Debit, Client must have sufficient good funds for payment of the payroll obligations, tax filing obligations, wage garnishment deduction obligations, service fees (as applicable), expenses, and any other applicable charges, to be direct debited from Client's designated account no later than one (1) Business Day prior to the pay date for the applicable payroll (in the case of payroll processing services), or as otherwise agreed by the parties. For reverse wire clients, funds must be available (a) by 6:00 a.m. Pacific time on the Business Day immediately before the associated payroll check date (in the case of the ADP Employment Tax Services) and (b) by 6:00 a.m. Pacific time two (2) Business Days prior to the associated payroll check date for all other Payment Services. In consideration for the additional costs incurred by ADP in providing wire transfer service, Client agrees to pay a reasonable fee for each wire transfer. Notwithstanding the foregoing, ADP reserves the right to modify the aforementioned deadlines at any time and will communicate any such modifications to Client.

11.9 Change Control. In the event either party requests a change in the scope of Services (including implementation services) or any rework is required by ADP as a result of a delay by Client in implementation of any Services (each a "**Change Control Item**"), the parties shall address such change request, if possible via ADP's change control process. Change Control Items and the cost associated with such changes (if any) to the Services shall be mutually agreed to by the parties and shall be defined in a statement of work agreed to by the parties, with the exceptions of Change Control Items that are required to be made by law or regulation applicable to the Services or to the duration of implementation services, which ADP will notify Client of prior to making the change.

12 Term; Termination; Suspension

12.1 Term. This Agreement is effective for the Initial Term and will automatically renew at the end of any Term for additional Renewal Terms unless terminated by either party upon written notice given at least ninety (90) days prior to the end of such Term.

12.2 Termination for Cause. Either party may terminate this Agreement for the other's material breach of this Agreement if such breach is not cured within sixty (60) days following notice thereof or in the event either party is the subject of a Termination Event. In addition, ADP may terminate this Agreement in the event Client fails to timely pay fees for Services performed within ten (10) days following notice that such fees are past due. ADP may also terminate this Agreement or the Services immediately on written notice to Client if the provision of Service to Client causes or will cause ADP or its Affiliates to be in violation of any laws, rules or regulations applicable to it including any sanction laws applicable to ADP or any Affiliate.

12.3 Suspension. Without limiting the foregoing, the parties agree that Payment Services involve credit risk to ADP. Payment Services may be suspended by ADP (A) immediately following notice to Client (i) that Client has failed to remit sufficient, good and available funds within the deadline and via the method of delivery agreed upon as it relates to the applicable Payment Services, or (ii) if Client breaches any rules promulgated by the NACHA (or other similar local regulator) as it relates to ADP conducting ACH (or similar electronic payment) transactions on behalf of Client, and (B) with 24 hour notice if: (i) a bank notifies ADP that it is no longer willing to originate debits from Client's account(s) or credits for Client's behalf for any reason or (ii) the authorization to debit Client's account is terminated or ADP reasonably believes that there is or has been fraudulent activity on the account. If the Payment Services are terminated or suspended pursuant to Sections 12.2 or 12.3, Client acknowledges that ADP shall be entitled to allocate any funds in ADP's possession that have been previously remitted or otherwise made available by Client to ADP relative to the Payment Services in such priorities as ADP may determine appropriate, including reimbursing ADP for payments made by ADP on Client's behalf to a third party. If the Payment Services are terminated by ADP, Client understands that it will (x) immediately become solely responsible for all of Client's third party payment obligations covered by the Payment Services then or thereafter due (including, without limitation, for ADP Employment Tax Services, any and all penalties and interest accruing after the date of such termination, other than penalties and interest for which ADP is responsible under Section 7.3.3), and (y) reimburse ADP for all payments properly made by ADP on behalf of Client to any Payee, which has not been paid or reimbursed by Client. If the Payment Services remains suspended for 30 days, the affected Payment Service shall be deemed terminated on the 31st day following suspension.

12.4 Early Termination Fee. In order for ADP to recoup certain costs associated with the Services provided under the Agreement in the event of an early termination, if Client terminates Services or the Agreement in whole or in part for convenience or ADP terminates Agreement pursuant to Section 12.2 or 12.3 above, Client will reimburse ADP for its costs (including unamortized investments and any

costs incurred that have not been recovered from fees charged) associated with the termination of the Services as a percentage of the estimated aggregate ongoing fees for Services (the "**Early Termination Fee**"). The Early Termination Fee shall be equal to fifty percent (50%) of A multiplied by B where A equals the number of months remaining in the Term, as of the effective date of termination, and B equals the average monthly fee for the terminated Services. If monthly fees for Services have not been payable at the time of termination, B above shall be equal to the estimated monthly fees that would have been payable under the Agreement. In the case of a partial termination, ADP may adjust the fees for the remaining Services accordingly. Client shall also pay the Early Termination Fee in the event of any reduction in Client's volume or usage of Services by more than fifty percent (50%).

12.5 Additional Termination Provisions.

- 12.5.1 Additional Termination Provisions for ADP Employment Tax Services.** If the ADP Employment Tax Services in the United States are terminated, Client's access to ADP websites containing Client's data will expire 90 days from the effective date of the termination, and Client will be responsible for downloading all relevant data, including Statements of Deposit (SODs) prior to the expiration of such access.
- 12.5.2 Additional Termination Provisions for Employment Verification Services.** ADP may, in its sole discretion, terminate the Employment Verification Services at any time upon 90 days prior written notice to Client should a Verification Agent notify ADP that it is no longer willing to provide the Employment Verification Services and ADP, after taking commercially reasonable steps, cannot engage a successor Verification Agent.
- 12.5.3 Additional Suspension Provisions for ADP Wage Garnishment Services.** If ADP reasonably determines that it can no longer provide any or all of the ADP Wage Garnishment Services due to changes in applicable law or application of existing law, ADP may, upon notice to Client suspend the applicable portion of the ADP Wage Garnishment Services that it is no longer able to perform. Upon suspension, Client will (i) be responsible for payment of Client's wage garnishment and voluntary deduction amounts associated with that portion of the ADP Wage Garnishment Services suspended and not otherwise collected from Client by ADP including, without limitation, any judgments, court costs, legal fees, and interest accruing after the date of such termination and (ii) be responsible for its garnishment answer and filing obligations. In the event such suspension exceeds 30 days, such suspension shall become a termination.
- 12.5.4 Additional Termination Provisions for ADP Time & Attendance Services.** If ADP determines that Client has failed to comply with any potentially applicable laws and regulations applicable to the Biometric Services, ADP may, in its sole discretion and upon notice to Client, immediately suspend or terminate the Biometric Services.
- 12.5.5 Additional Termination Provisions for ADP Comprehensive Services.** ADP may terminate, by further written notice to Client, if Client fails to render reasonable cooperation needed in connection with the implementation services such that ADP is unable to complete the Implementation Services and commence Services. ADP may also suspend and/or terminate performance immediately without prior notice in the event Client, its employee(s) or any other third party uses or accesses the Services in a manner that exposes ADP to civil or criminal liability.
- 12.5.6 Additional Termination Provisions for Essential ACA Services.** If ADP reasonably determines that it can no longer provide all or any portion of Essential ACA Services due to changes in applicable law or application of existing law, ADP may, in its sole discretion and upon notice to Client, immediately terminate the applicable portion of Essential ACA Services.
- 12.5.7 Additional Suspension for ADP Compliance on Demand.** ADP may, in its sole discretion, immediately suspend access to ADP Compliance on Demand without prior notice to Client in the event Client posts or otherwise distributes any content online that is (i) inappropriate or otherwise objectionable, (ii) potentially violates the privacy or publicity right of a third party, or (iii) advertises any other site or business. In the event Client continues to post or distribute such content after access to ADP Compliance on Demand is restored, ADP shall have the right to terminate ADP Compliance on Demand.

13 Post Termination

- 13.1 Scope.** At any time prior to the actual termination date, Client may download Client's information or reports available to it in conjunction with all of the Services provided to Client by ADP. Upon expiration or termination of the Services, subject to Section 13.2, Client may order from ADP any data extraction offered by ADP, at the then prevailing hourly time and materials rate. In connection with any data extraction, ADP will not be required to provide any third party with access to ADP's systems, intellectual property or any Confidential Information of ADP.
- 13.2 Past Due Amounts.** If ADP has terminated this Agreement due to Client's failure to pay fees, ADP's obligations in Section 13.1 will be subject to Client's payment of all past due amounts and ADP may require Client to prepay for any services.

14 Additional Terms

- 14.1 ADP Employment Tax Services.** The following additional terms and conditions apply to the ADP Employment Tax Services:

The Internal Revenue Service recommends that employers enroll in the U.S. Treasury Department's Electronic Federal Tax Payment System (EFTPS) to monitor their accounts and ensure that timely tax payments are being made for them, and that online enrollment in EFTPS is available at www.eftps.gov; an enrollment form may also be obtained by calling (800) 555-4477; that state tax authorities generally offer similar means to verify tax payments; and that Client may contact appropriate state offices directly for details.

AGENDA MEMORANDUM

DATE: September 23, 2025

TO: Forest Preserve District Finance & Administration Committee

FROM: David Petschke, Director of Finance
Benjamin Haberthur, Executive Director

SUBJECT: Presentation and Approval of an Amendment to the Purchasing Policy

PURPOSE:

The purpose of this memorandum is to provide the Committee with information regarding the approval of an amended purchasing policy.

BACKGROUND:

The District's Purchasing Policy (the "Policy") was comprehensively amended in February of 2025. Since that time, Illinois Senate Bill 1612, amending the Downstate Forest Preserve Act was signed into law on August 1, 2025 and became effective immediately (P.A. 104-0114). The new law raises the competitive bidding threshold for Forest Preserve District's purchases of supplies and materials from \$30,000 to \$60,000. The competitive bidding threshold for contracts for work (labor) remains at \$30,000. The District's current Purchasing Ordinance requires competitive bidding for purchases of supplies and materials equal to or greater than a \$30,000 amount.

District Finance staff have reviewed the Board approved resolutions for supplies and materials over a 3-year period and determined that there were six (6) resolutions that were passed by the board would have not been necessary under the new \$60,000 threshold. This modification to the policy will improve efficiency and cost-effectiveness while still maintaining appropriate controls for larger purchases.

The District's corporate counsel, Ancel Glink, reviewed the Purchasing Ordinance and suggested limited edits to the language. A red-lined version of the ordinance highlighting all recommended changes is attached.

RECOMMENDATION:

Staff recommends that the Committee approve the amended Purchasing Policy as presented.

ARTICLE VII – Credit Cards

7.1 District Credit Cards

The District has authorized the use of different types of credit cards. Vendor authorized credit cards are approved for use for supplies that must be purchased in the field for convenience and necessity, when in the best interest of the District.

7.2 Rules for the use of District Credit Cards

7.2.1 General Rules/Issuance

The Forest Preserve District of Kane County provides District-issued credit cards to authorized employees for business-use purchases. The District Credit Card Program is a credit card purchasing program that authorizes the use of a credit card with a credit limit for business purchases.

The Credit Card Purchasing Program is designed to assist the organization in reducing its reliance on requisitions, purchase orders, petty cash funds, employee advances, paper checks and reduce the need to use personal funds for business purposes. The program should help increase turn-around time in the fulfillment of orders, provide greater flexibility and reduce paperwork.

The Finance Department is responsible for the implementation, program compliance, issuance, auditing, processing payment, and bank relations to solve customer service issues and card cancellations. The Finance Department reconciles all statements and maintains the statements/receipts for the Credit Card Program. The Finance Department shall also be responsible for notifying the appropriate department staff and department head for any irregularities that occur.

Only employees of the organization are allowed to participate in the program. Each cardholder has the responsibility to review, reconcile and submit their monthly account statement with the appropriate receipts and signatures for processing.

Credit Card Statements arrive about the 7th of each month and are due to the Finance Department by the end of the month. The Finance Department is the original recipient of the master credit card statement and the other employees will receive their individual statements directly from the credit card company.

All policies outlined in this manual and the District's financial and operational policies must be adhered to and any failure to comply can result in the suspension from the Credit Card Purchasing Program and also include disciplinary actions that may include termination of employment. The Credit Card issued to the cardholder is the property of the District and can be canceled at any time. Periodic audits will be performed to ensure the cardholder is in compliance with the policies and procedures.

7.2.2 Cardholder Setup/De-Activation

A new participant in the Credit Card Purchasing program must complete the Credit Card Application and obtain the appropriate authorization of the Executive Director. The application must be submitted to the Finance Department by the Executive Director. Once the application has been approved by the Executive Director and Finance Department and the bank has processed the request, an account for the cardholder may be established.

The new participant must also sign the User Agreement Form that outlines the responsibility of the cardholder while in possession and use of the Credit Card. Both of these documents must be completed and signed prior to the release of the Credit Card to the cardholder from the Finance Department.

When an employee separates from the Forest Preserve District of Kane County, the Credit Card must be turned into the Finance Department (through the appropriate

Department Head) on or before the employee's separation date. The Finance Department will terminate the card.

7.2.3 Recordkeeping & Reconciliation

The cardholder is responsible for maintaining adequate receipts for goods and services purchased with the Credit Card. The cardholder must contact the vendor directly to resolve any discrepancies or incomplete orders. The documentation retained should include sales receipts, packing lists (if applicable) and credit card transaction receipts. Any incorrect charges, duplicate transactions or missing credits must be addressed directly between the cardholder and the vendor. Upon completion of the reconciliation, the cardholder and his/her department head must sign the statement documenting their agreement with the transactions appearing on their account statement.

Employees are responsible for ensuring that the credit card purchase is exempt from sales tax.

7.2.4 Items Not Allowed

1. Cash Advances
2. Liquor or Tobacco Products
3. Personal Use

If the employee inadvertently uses the District's credit card, the employee MUST notify the Finance Department and write a check or pay cash to reimburse the Forest Preserve District of Kane County IMMEDIATELY.

7.2.5 Missing Receipts

If the cardholder is missing receipts, the cardholder should attempt to contact the vendor to request a copy of the receipt. If the request cannot be honored, the cardholder must then submit a Missing Receipt Form documenting the pertinent transaction information. This documentation must be reviewed and approved by the cardholder's Department Head.

7.2.6 Disputed Transactions

At times there might be disputed transactions appearing on a cardholder's account statement. The dispute may arise but are not limited to the following: due to non-delivery of the goods or services, incorrect billing, duplicate billing, missing a valid credit not processed to the account for a return, altered charges or defective merchandise.

When this occurs the cardholder must contact the credit card company and the Finance Department stating the reason for the disputed item and any other transaction details available. The cardholder is responsible for resolving the disputed item with the vendor.

If an employee has a dispute that cannot be resolved by the cardholder, the employee MUST contact the Finance Department for assistance.

Note on Returned Items: Items should be returned directly to the vendor by whichever means the vendor requires. It is the cardholder's responsibility to determine that proper credit is posted for any returned item.

7.2.7 Lost or Stolen Cards

If a card is lost or stolen, the cardholder must immediately contact the credit card company and the Finance Department. Upon notification, the card will be suspended immediately and any charges posted to the account after the "missing date" will be denied. A new card will be issued.

REPORT NO. TMP-25-1167

**PRESENTATION AND DISCUSSION OF THE TAX LEVY FOR FISCAL YEAR
2026-2027**

AGENDA MEMORANDUM

DATE: September 23, 2025
TO: Forest Preserve District Finance & Administration Committee
FROM: David Petschke, Director of Finance
Benjamin Haberthur, Executive Director
SUBJECT: Presentation and Discussion of the Tax Levy for Fiscal Year 2026-2027

PURPOSE:

The purpose of this memorandum is to provide the committee with information to support a recommendation for the upcoming 2025 property tax levy.

BACKGROUND:

Preliminary audit results for fiscal year 2024/25 are shown below (please note full figures will not be available for approximately two months):

GENERAL FUND

Revenues

- Budgeted Amount - \$12,036,081
 - Actual Amount - \$12,427,804
 - Difference – Surplus of \$391,723 (3.3%)
-
- Investment Income – Surplus of \$260,980 – A majority of the surplus was due to the current interest rate environment and the diversified investments resulting in more interest income than what was budgeted in the fiscal year.
 - Personal Property Replacement Tax (PPRT) – Deficit of \$207,184 – The original amount budgeted was based on Illinois Municipal League (IML) guidance, however the revenue was lower than anticipated due to the State continuing to divert revenue prior to it being distributed to local agencies.
 - Campground Revenue – Surplus of \$185,412 – This surplus was primarily due to an accounting methodology change that was approved by the District's auditors. The District had previously recorded a deferred revenue for reservations recorded online prior to the reservation date in the next fiscal year. Due to the immateriality of the entry, the reservations system will be on a cash basis going forward to greatly reduce staff time involved in the manual accrual calculation process.
 - Sale of Material – Surplus of \$105,009 – Surplus was due to the District selling vacant lots, vehicles, and equipment in excess of the budget estimates through the online Public Surplus auction website.

Expenses

- Budgeted Amount - \$12,759,082
- Actual Amount - \$11,491,439
- Difference – Surplus of \$1,267,643 (9.9%)
- Full Time, Part Time, and Overtime Employee Wages – Surplus of \$182,218 – The District had a surplus budget of \$182,218 in full time, part time, and overtime wages. While the District spent 97.3% of the total budget in the fiscal year, the primary factor that contributed to a surplus in wages was staff turnover and the time it took to replace vacant positions with qualified replacements.
- Employer Portion of Health Insurance – Surplus of \$218,977 – The District budgeted a total of \$1,039,137 for employer paid health insurance in the fiscal year. The actual expenses were \$820,160 during the year. This surplus was primarily due to employees electing plans that have lower costs or waiving coverages. It is also due to employee turnover and the time it took to replace positions with qualified candidates.
- Carry-Over Expenditures (Vehicles & Fuel System) – Surplus of \$535,680 – This carryover amount represents both vehicles and a fuel system replacement that were budgeted in fiscal year 2024-2025, but were not delivered prior to the District's fiscal year end. The District anticipated a delay in the delivery of these items and had budgeted for the carry-over of these vehicles and fuel system into the 2025-2026 fiscal year.
- Interfund Transfers – Surplus of \$190,085 – The District budgeted a total of \$1,308,411 of operating transfers to the IMRF, Social Security and Liability Funds. Actual expenses were \$1,118,189 to comply with each respective fund balance policy.

IMRF FUND

Revenues

- Budgeted Amount - \$492,894
- Actual Amount - \$362,785
- Difference – Deficit of \$130,109 (26.4%)

Expenses

- Budgeted Amount - \$492,894
- Actual Amount - \$372,868
- Difference – Deficit of \$120,026 (24.4%)
- The IMRF Fund performed as expected for the fiscal year.

INSURANCE LIABILITY FUND

Revenues

- Budgeted Amount - \$395,108
- Actual Amount - \$358,282
- Difference – Surplus of \$49,310 (12.1%)

Expenses

- Budgeted Amount - \$407,592
- Actual Amount - \$354,362
- Difference – Surplus of \$53,230 (13.1%)
- The Insurance Liability Fund performed as expected for the fiscal year.

SOCIAL SECURITY FUND

Revenues

- Budgeted Amount - \$460,858
- Actual Amount - \$455,753
- Difference – Deficit of \$5,105 (1.1%)

Expenses

- Budgeted Amount - \$460,858
- Actual Amount - \$442,572
- Difference – Surplus of \$18,286 (4.0%)
- The Social Security Fund performed as expected for the fiscal year.

Each year the Finance and Administrative Committee determines the direction for the upcoming property tax levy which is then forwarded to the Executive Committee with a budget for levy purposes before going to the Full Commission for approval. Staff requested the most current information from the clerk's office and received the following:

- Rate Setting EAV is estimated at \$23,436,973,365 (final percentage is not determined)
- Preliminary new construction figures for the county are \$288,425,018 (partial year)

Based on these estimates the District would be eligible for a Consumer Price Index (CPI) increase of 2.9%, or \$445,832 in additional property tax revenue in FY 26-27 and between \$153,973 and \$197,105 in additional revenue from new construction.

The Illinois Downstate Forest Preserve Act (70ILCS 805/13.1) stipulates that each Forest Preserve District must approve their tax levy ordinance after the first Monday in October and by the first Monday in December in each year the board shall levy the general taxes for the district by general categories for the next fiscal year. Application of this statutory requirement to the 2025 Forest Preserve District commission meeting schedule, means The District must pass a budget for tax levy purposes at the Full Commission meeting on October 14th, then the tax levy ordinances and abatement ordinances must be filed at the following Full Commission meeting on November 11, 2025.

FINANCIAL IMPACT:

Determining firm figures is extremely difficult at this early stage. None of the numbers from the clerk's office are final. Based on estimates, and using the new construction figure shown above, the District would anticipate an increase of up to \$642,937 in additional revenue if the board approves a levy for both CPI and New Construction.

RECOMMENDATION: *For discussion and direction.*
