### **Summary:**

Court Services uses the "Containment Model" approach to supervise offenders who have committed sexually motivated offenses while they reside in the community on a term of probation. It requires multidisciplinary partnerships between probation, treatment, and a polygraph examiner.

As indicated in Resolution No. 21-10 passed by the Kane County Board, Court Services entered into a Memorandum of Understanding (MOU) with Nickerson & Associates to provide individual, group, and family counseling to adult and juvenile sex offenders. The MOU may be renewed for an additional one-year period after terminating on 11/30/24 if mutually agreed upon by both parties. Treatment services will continue to be paid with probation fees with no impact on the general fund.
