### **Summary:**

The following speed limit alteration is proposed for Kirk Road from Majestic Oaks Drive to IL Route 64/Main Street in the City of St. Charles.

Per a 1990 intergovernmental agreement between Kane County and the City of St. Charles, this segment of Kirk Road was (and is) maintained by the City of St. Charles. Maintenance was inclusive of snow plowing, right-of-way mowing, roadway and shoulder sweeping, sign maintenance, etc. However, at some point in time, the majority of this stretch of roadway became posted by the City at 40 mph, although there is no record of such an ordinance established in the Kane County Code. This anomaly was discovered by KDOT staff as part of nearby speed studies on Kirk Road and Dunham Road. While the southern portion of this roadway segment does appear in the City's Code at 40mph, we think it most appropriate to affirm this long-standing posted speed limit of 40mph in the County Code.

Staff recommends approval.
