Summary:

This is an annual resolution that is required by the property tax code to authorize the Chairman to appoint additional members to the Board of Review to assist the full three-member Board with the task of hearing property assessment complaints in a timely manner. To qualify for such appointment, a person would need to have passed an examination administered by the Illinois Department of Revenue and have "experience and training in property appraisal and property tax administration" as required by 35 ILCS 200/6-5. Please note that this resolution does not actually make the appointments, but authorizes the County Board Chairman to make the appointments.
