AGENDA MEMORANDUM

DATE: August 28, 2025

TO: Forest Preserve District Land Acquisition Committee

FROM: Jennifer Rooks-Lopez, Director of Planning & Land Protection

SUBJECT: Presentation to Consider the Approval of a Utility Easement with Metronet for the Installation and Maintenance of Fiber Optic Service at the Great Western Trail in Campton Township

PURPOSE:

The purpose of this memorandum is to provide the Committee with information to consider granting a utility easement to Metronet, through the Great Western Trail, near the intersection of Old Burlington Road and Hidden Oaks Road in Campton Township.

BACKGROUND:

The District maintains over 200 miles of linear trail across the county, including the Great Western Trail. This east-west regional trail nearly bisects the county. The 18 mile path begins at LeRoy Oakes Forest Preserve in St. Charles and extends to eastern Sycamore in DeKalb County at its western terminus.

In April 2025, the District was contacted by representatives of Metronet with a request to install a fiber optic service line through a section of the Great Western Trail to provide services to the Campton Hills subdivision on Hidden Oaks Road. The proposed easement permits Metronet to construct and maintain a 1 1/2" conduit underground by directional bore, so as to not disturb the land, trail or public use through the entire easement.

FINANCIAL IMPACT:

Metronet will pay a one-time fee of \$5,000 for the easement rights.

RECOMMENDATION:

Staff recommends the Committee approve the utility easement as presented with Metronet, for the construction and maintenance of fiber optic service at the Great Western Trail, for a one-time fee of \$5,000.

AGENDA MEMORANDUM

DATE: August 26, 2025

TO: Forest Preserve District Land Acquisition Committee

FROM: Jennifer Rooks-Lopez, Director of Planning & Land Protection

SUBJECT: Presentation and Approval of a Request to Apply for an IDNR OSLAD Grant for Acquisition Funding Assistance to Purchase a Property in Dundee Township Adjacent to Schweitzer Woods Forest Preserve

PURPOSE:

The purpose of this memorandum is to provide the Committee with information to consider applying for an Illinois Department of Natural Resources (IDNR) Open Space Land Acquisitions & Development (OSLAD) Grant for acquisition funding assistance to purchase approximately 122.092 acres in Dundee Township adjacent to Schweitzer Woods Forest Preserve in West Dundee.

BACKGROUND:

In March 2025 the District entered into a lease agreement with the Conservation Foundation for the use and maintenance of approximately 122.092 acres of land in West Dundee adjacent to Schweitzer Woods Forest Preserve, locally known as the “Galvin” parcels. In May 2025, the District submitted an application for acquisition funding assistance through the IDNR, Land and Water Conservation Fund (LWCF) for up to \$750,000.00. The IDNR ‘highly recommends’ acquisition applicants apply for both LWCF and OSLAD programs although only one program will be awarded.

Staff is requesting permission to apply for the IDNR OSLAD Grant to assist with funding the acquisition which, if awarded, would reimburse up to 50% (\$1,125,000.00 cap) for the purchase of the property.

FINANCIAL IMPACT:

There are no expenses required to submit the grant application.

RECOMMENDATION:

Staff recommends the Committee approve the request to apply for an IDNR OSLAD grant for acquisition funding assistance of approximately 122.092 acres of land adjacent to Schweitzer Woods Forest Preserve.
