### **Summary:**

On March 26<sup>th</sup>, one bid was opened at the KDOT for the above-mentioned project to apply a rejuvenator preventative maintenance product to portions of Randall Road, Fabyan Parkway, Main Street Road, Meredith Road, Thatcher Road, West County Line Road, Hinckley Road, Jericho Road, Bunker Road, Bliss Road and Huntley Road. Proactive pavement maintenance can extend the life of the asphalt pavement.

The apparent low bid of \$762,463.20 was submitted by Corrective Asphalt Materials, LLC of Roxana, Illinois. Corrective Asphalt Materials, LLC is IDOT prequalified in Cover and Seal Coats (015A) as required in the contract specifications.

Kane County Division of Transportation staff reviewed the bid submitted to determine compliance with the Kane County Ordinance. After review of the bid, it was determined that the bid submitted did not meet all guidelines set forth within the Responsible Bidder Ordinance (RBO) provisions of the Kane County Purchasing Ordinance. Consistent with the terms of the RBO, the bid was then reviewed for compliance with the remaining sections of the Kane County Purchasing Ordinance. After completing this review, KDOT is recommending approval the low bidder Corrective Asphalt Materials, LLC.

This project has an anticipated completion date of August 30<sup>th</sup> and is entirely locally funded.

Staff recommends approval.
