Summary:

KDOT staff has been working with the Village of Campton Hills on an intergovernmental agreement (IGA) related to the proposed LaFox of Campton Hills development. The IGA identifies access points to the County highways, specifies the anticipated access-related road improvements and bicycle/pedestrian improvements, and provides details of the jurisdictional transfer of various roads in the vicinity, along with other considerations.

The Village and developer are eager to approve the proposed IGA which was recently approved by the Village. At the direction of the Kane County Board Transportation Committee, KDOT staff has worked with the State's Attorney's Office to finalize the proposed IGA for consideration by the Executive Committee on August 5th and County Board on August 11th.

Staff recommends approval.
