5. Public Comment

Kane County resident, Brian Anderson, stated that this meeting is an important part of the selection process for the new Board Member for District 2. He reminded the Committee the importance of appointing a candidate who is a solution-oriented person who also brings experience, talent, and a skill set.

Kane County Board Member and resident, Bill Tarver, asked his colleagues to take time to thoughtfully review and consider all candidates based on their individual merits and qualifications. He noted that it has become apparent that aspects of the appointment process have not been transparent or consistent. The constituents of District 2 and all residents of Kane County deserve representation from someone who truly reflects their values, principals, and priorities. Tarver expressed his concerns on whether all candidates who applied for this appointment will be provided an equal opportunity to interview. Furthermore, Tarver requested more clarity on who determines the candidates' qualifications, and by what criteria. He wished the Committee the best of luck during the decision process.
