If not budgeted, explain funding source: N/A	
Was this item passed through the appropriate committee? Yes	

Summary:

This resolution seeks approval for the purchase of one Spectrum Compact CE Instrument and one Maxwell RSC 48 Instrument for the Kane County Forensics Lab. The most responsive bidder (Bid #26-045-TL) and sole source for this essential DNA analytic system was Promega Corp. of Madison, WI, with a bid of \$83,309 for the Spectrum Compact CE Instrument and \$72,267 for the Maxwell RSC 48 Instrument plus two year optional service contracts for each. This was a planned purchase for the lab with federal grant funds that are included in the Kane County Coroner's FY27 budget. The Spectrum equipment will be purchased first, then after the grant reimbursement is received, the purchase of the Maxwell instrument will be completed.
