Budget Information:

Was this item budgeted? N/A	Appropriation Amount: \$N/A
If not budgeted, explain funding source: N/A	
Was this item passed through the appropriate committee? Yes.	

Summary:

Resolution to establish Kane County support of the Household Hazardous Waste Stewardship Act, which would establish a manufacturer-organized and funded stewardship program where all transportation and non-landfill disposal costs and a significant portion of collection costs would be borne by HHW manufacturers. Currently, statewide spending by state and local governments to divert HHW from landfills is estimated at \$11 million annually. Kane County's Recycling Program directly funds \$25,000 of HHW diversion activity annually through its Riverboat allocation, and Kane County municipalities contribute an additional \$70,000 annually to this effort.
