Summary:

This was bid in 2015 for an initial term to start within two years of the bid for a seven-year term. It has reached the end of the initial term and after review by the Kane County States Attorney Civil Division, it was determined that we could review the agreement without the need for another bid.

The Information Technologies Department is responsible for Data Center Services which means providing and maintaining data center facilities, fire suppression systems, redundant power environments, redundant cooling systems, physical security, redundant internal connections, and redundant external connections.

This resolution authorizes a Master Service Agreement with SBA Edge, LLC previously New Continuum for the Information Technologies Department for Data Center Services until the expiration of all associated Sales Orders which currently is 12/31/2029 in a not to exceed amount of \$136,500 for Fiscal Year 2025 with a not to exceed 5% increase for each year thereafter.
