Contact:

Michael Way 630.406.7359

Budget Information:

Was this item budgeted? Yes	Appropriation Amount: \$149,956.25
If not budgeted, explain funding source: N/A	

Summary:

This resolution requests authorization by the Kane County Board to approve the repair and installation of a resinous flooring protective system at Building E of the Kane County Division of Transportation by Matrix Coating Solutions, Inc.

Vendor: Matrix Coating Solutions, Inc.

Purchase price – Total \$149,956.25

The Purchasing Department opened bids (Bid Number 24-022) for a contract to repair the concrete floor and install a resinous flooring protective system at the Kane County Division of Transportation facility for Building E.

Subsequent to the close of the bidding process, the Kane County Division of Transportation reviewed the three (3) bids submitted to determine each bid's compliance with the Kane County Ordinance. After review of the bids, it was determined that none of the three (3) bids submitted met the guidelines set forth within the Responsible Bidder Ordinance (RBO) provisions of the Kane County Purchasing Ordinance.

Consistent with the terms of the RBO, each bid was then reviewed for compliance with the remaining sections of the Kane County Purchasing Ordinance. After completing this review, KDOT is recommending the lowest bidder, that being Matrix Coar Solutions, Inc.

The three bids prepared are available for committee review should there be any questions regarding the process followed in recommending this bid.

Work will include approximately 8,050 SQ. FT. of resinous flooring protective system, And 665 Linear Feet of four (4) inch safety striping.

This is in the FY24 Transportation Budget.

Staff recommends approval.
