Re: Monthly report

Legislative Update

The 2025 veto session of the Illinois General Assembly finished up in the early morning hours of October 31, and several bills affecting assessing officers were approved by the legislature.

- **Senate Bill 642** has passed both chambers and heads to the Governor's desk. This bill includes provisions, including ones that would:
 - Increase the threshold of household income to qualify for Low-Income Senior Citizen Assessment Freeze Homestead Exemption (the "Senior Freeze") to:
 - \$75,000 in the 2026 (payable 2027) tax year,
 - \$77,000 in the 2027 (payable 2028) tax year, and
 - \$79,000 in the 2028 (payable 2029) tax year;
 - Increase the threshold for the Senior Deferral (administered by the County Treasurer) to match the thresholds in the Senior Freeze.
 - Permit County Clerks to establish a payment plan for tax certificates held by the County.

Please see the attached slides for a presentation I will be making at the Committee meeting.

- **Senate Bill 25** has a wide range of provisions relating to energy; in the area of assessments, it includes provisions for a preferential assessment process for Battery Electric Storage Systems ("BESS") resolving all issues on whether BESS systems are real property or personal property, and on the valuation of the systems themselves. The language the result of about two years of conversations between assessment officials and industry representatives.
- **House Bill 576** establishes the *Public Official Safety and Privacy Act* and extends provisions similar to those offered for Judges in the Judicial Privacy Act. This new legislation provides that if requested by the certain public officials, the home addresses and other personal identifiers cannot be disclosed. The provisions of this act are limited to
 - Members or former members of the Illinois General Assembly;

- State constitutional officers (*i.e.*, statewide offices of Governor, Lieutenant Governor, Attorney General, Secretary of State, Comptroller and Treasurer) or former constitutional officers;
- Elected or appointed State's Attorneys;
- Appointed Public Defenders; and
- County clerks and members of a Board of Election Commissioners whose responsibilities include administering and overseeing elections.

The bill does not include deputies or employees of those named, other county officials, first responders, prison guards, parole officers, or anyone else (again, certain members of the judiciary are included elsewhere).

All three bills are being sent to the Governor's desk.

2025 Assessment Roll Progress

Since the last meeting of the Committee, the final deadline for all Board of Review filings has passed. While additional postmarked complaints may still arrive, the final numbers can be approximated.

Assessment complaints are measured on two bases:

- *Assessment-complaint dockets* are taxpayer filings that may include more than one tax parcel. For example, if a multi-parcel property has unified ownership, common use, and physical contiguity, it can be filed as a single complaint with multiple parcels. This would also include complaints for condominium properties where the association has filed a complaint on behalf of all unit owners:

As a whole, the number of assessment-complaint dockets filed by Kane County taxpayers decreased by 1% from the 2024 year to 1,034 filings. However, the number of filings is up by 25% as compared to the “year three” of the assessment cycle that took place four years ago in 2021. On an individual parcel level, the number of parcels upon which complaints were filed increased 6% to 1,454; this is also a 25% increase from the 2021 taxable year.
