STATE OF ILLINOIS )

SS.

COUNTY OF KANE )

**RESOLUTION NO. TMP-24-2921**

**AUTHORIZATION TO ENTER INTO ANNUAL KANE COUNTY HEALTH DEPARTMENT GRANT AGREEMENTS**

WHEREAS, the Grantors: Illinois Department of Public Health, Illinois Department of Human Services, National Association of City & County Health Officials, University of Illinois, Chaddock, Illinois Children’s Health Foundation and Illinois State Board of Education have made grants available to the Kane County Health Department to establish and maintain various public health programs for the Kane County communities; and

WHEREAS, the Grantors use various grant years such as July to June, September to August, February to January, January to December, October to September, and December to November which covers multiple Kane County fiscal years of December to November; and

WHEREAS, these grants provide ongoing funding from year to year to support Kane County Health Department programs; and

WHEREAS, the County of Kane, through its health department, wishes to apply for the offered grant years and accept the maximum available grants awarded by the Illinois Department of Public Health, Illinois Department of Human Services, National Association of City & County Health Officials, University of Illinois, Chaddock, Illinois Children’s Health Foundation and Illinois State Board of Education; and

WHEREAS, per Resolution 23-515, the County of Kane, through its health department, is authorized to enter into grant contracts for FY2024; and

WHEREAS, the following list of grants have been included in the FY2024 budgets and will be included in the FY2025 and FY2026 budgets as the applications are being submitted for which the overall goals are compatible with the Kane County Health Department:

WHEREAS, the applicable expenditures have been included in the FY2024 budget and will be included in the FY2025 and FY2026 budgets.

NOW, THEREFORE, BE IT RESOLVED that the Kane County Board that the Chairman be, and hereby is, authorized to enter into contracts for FY2025 and FY2026, for the acceptance of the maximum amount of revenues, with copies of said contract to be on file in the County Clerk’s office.

## RESOLUTION / ORDINANCE EXECUTIVE SUMMARY ADDENDUM

### Title

Authorization to Enter into Grant Agreements

### **Committee Flow:**

Public Health Committee, Finance and Budget Committee, Executive Committee, County Board

### **Contact:**

Michael Isaacson 630-208-3140

### **Budget Information:**

Was this item budgeted? Yes	Appropriation Amount: \$N/A
If not budgeted, explain funding source: N/A	

### **Summary:**

The Kane County Health Department applies for grants each year to support its programs which provide health services to the community. The expenses for these programs are included in the fiscal year budgets. The umbrella resolution allows recurring grants to meet the following objectives:

- Synchronizes approval of contracts between state and county fiscal levels
- Allows contract acceptance and signature within required timeframe
- Maximizes the amount of grant funding received by KCHD

This resolution allows the Kane County Board Chair to sign an agreement to accept the maximum awarded grant funds for the grants listed in this resolution to support the expenses included in the fiscal year budgets.

Agency	Grant	Description
Chaddock	Early Childhood Mental Health	Provide expert consultation, training, and technical assistance to participating child care providers serving children age 0 to 5 and their families
Illinois Department of Human Services	IL Opioid SORPDO	The Overdose Education and Naloxone Distribution (OEND) Program shall address the goal of reducing the number of opioid-related deaths by implementing strategies designed to prevent them. The sub-recipients shall be responsible for delivering a quality OEND program for a variety of target populations including non-traditional and traditional first responders, purchasing and distributing FDA-approved naloxone, coordinating and conducting outreach and educational activities, and complying with the required data collection and reporting expectations.
Illinois Department of Human Services	Opioid STR Prevention of Drug Overdose	Convene a local overdose prevention advisory council, coordinating outreach and informational activities, overseeing training activities for members of key sectors of this local area, purchasing and distributing of Naloxone kits, and assisting IDHS/IDFCS in complying with SAMHSA data collection and reporting expectations.
Illinois Department of Human Services	All Our Kids Early Childhood Networks	Community based collaboration to promote positive growth and development for children birth to 8 years old and their families
Illinois Department of Human Services	MIH Special Project HIRSK Infant Follow up	Case management services to families with an infant diagnosed with a high-risk condition after newborn hospital discharge and/or environmental risk
Illinois Department of Public Health	Public Health Emergency Preparedness	Maintain & augment ability to respond to a public health emergency
Illinois Department of Public Health	Lead Poisoning Case Management with Environment Investigation Services	Lead case management and environmental investigations on children identified with elevated blood lead levels
Illinois Department of Public Health	City Readiness Initiative	Supports ability to dispense medical countermeasures to the population during a public health emergency
Illinois Department of Public Health	Local Health Protection	Food, water and disease protection as well as core community planning activities related to certification as a local health department
Illinois Department of Public Health	Potable Water Supply Grant	Groundwater Protection Permit funding provides permits issued through local health departments, who act as agents of the Department, in performance of the Private Well Permit Program and in accordance with the Water Well Construction to provide safe drinking water for Illinois citizens. Local Health Departments conduct permitting and
Illinois Department of Public Health	Tanning Protection Grant	Tanning Facilities Inspections funding makes possible the inspection of businesses in Illinois that provide tanning services to increase compliance in these locations and decrease injury, disease and prolonged health issues that may occur with users of these services. Inspections are conducted as required by the Tanning Facility Permit Act by trained local health department inspectors. This grant program also allows for the income received from registration and permit fees to be shared with the local health departments that participate in the program
Illinois Department of Public Health	Tobacco Free Community	Implementation of tobacco prevention and control programs
Illinois Department of Public Health	Tobacco Reality IL Grant	Decrease and prevent tobacco use among youth by peer education
Illinois Department of Public Health	West Nile Virus (WNV)	Environmental surveillance, public information, human case investigation and prevention of mosquito-borne diseases such as West Nile viral encephalitis and other vector-borne diseases
Illinois Department of Public Health	LHD OD Surveillance & Response	The Local Health Department Overdoses Surveillance and Response Project will support local health departments (LHD) in the development of local response plans for opioid overdose and associated infectious disease morbidity and mortality based on near real-time surveillance.
Illinois Department of Human Services	Greater IL Violence Prevention Council	To address the spike in firearm violence, IDHS is providing necessary resources to fund one organization per Greater Illinois RPSA service area to serve as the lead convener of a Greater Illinois Violence Prevention Council Coordinator (GI-VPCO).
National Association of City & County Health Officials	OD Prevention & Response Mentorship Prgm Grant	Create a new mentorship program to learn, share experiences, and implement a program related to community opioid prevention and response activities.
University of Illinois	Lead Research Project Grant	The LHD will recruit households from ISTC participants. At homes of those participants, water samples will be collected, inspections of the plumbing and well will take place.
Illinois Children's Health Foundation	Children's Mental Health Initiative Grant	Coordinate a process to work with a multi-disciplinary team in the community to better identify and meet the mental health and substance abuse needs of Kane County children and their families by enhancing the system of care
Illinois State Board of Education	Early Childhood Block Grant	Coordinated services to at-risk infants and toddlers and their families
Illinois Department of Human Services	Maternal Infant Early Child Home Visitation Project	Helps the Egin community to expand coordinated intake & home visitation and develop community systems for home visit referral and parent training
National Association of City & County Health Officials	MRC - RSE	The MRC COVID-19 Respond, Innovate, Sustain, and Equip (RISE) funding opportunity is intended to provide resources to the MRC network to support COVID-19 response efforts. The funding is used to prioritize building capacity for the MRC to respond, innovate to evolving requirements, sustain staffing requirements, and equip MRC unit.
Chaddock	GEER - Early Childhood Mental Health	Provide expert consultation, training, and technical assistance to participating child care providers serving children age 0 to 5 and their families
National Association of City & County Health Officials	MRC	The funding is intended to establish volunteer management structure, further expand the unit response capabilities, demonstrated a record of supporting public health emergency responses, and support multiple natural disaster responses.
Illinois Department of Public Health	Respiratory Surveil & Outbreak Response	Grant funds are being provided to local health departments to continue surveillance and outbreak response efforts for respiratory diseases and other public health significant events. Funding may be used to support numerous response activities, including surveillance, epidemiology, testing and laboratory capacity, infection control education and response, mitigation, resource coordination, communications, and other related activities. Generally, funding is not intended to support clinical care except in limited cases regarding isolation support and control. Local health departments may determine how to best allocate and utilize their funding in their workplan and budgets based on these activities. Grant funds may not be used for vaccination expenses.
Illinois Department of Public Health	Firearm Safe Storage Strategies Grant	Funding for organizations to implement firearm safe storage strategies - implement components of the second phase of the safe gun storage public awareness campaign outlined under the Safe Gun Storage Public Awareness Campaign Act; build capacity at the state and local level for evidence-based injury prevention so communities can reduce and prevent injuries, violence, and suicide
National Association of City & County Health Officials	Infection Prevention & Control Learning Collaborative Project	IPC Learning Collaborative is to build the capacity of Local Health Departments (LHD) to deliver IPC training and education to healthcare facility partners in their community. Support LHDs in providing training to healthcare facility staff, the IPC Learning Collaborative to provide technical assistance, mentorship, and funding for LHDs to learn IPC fundamentals and adult learning principles.
Illinois Department of Public Health	Strengthening Illinois Public Health Administration	Grant funds must be used for workforce development activities, including hiring, retention, training, and other incentives to support and sustain the public health workforce. There are no restrictions on the types of positions that can be hired for public health capacity building. In addition, funding may be used for part-time, temporary, and contractual positions.
National Association of City & County Health Officials	Embedding Peers in Emergency Depts	Embedding Peers in Emergency Departments (EPED) project. LHDs will partner with local health systems and community partners to develop, implement, monitor, and evaluate protocols to provide connections from the hospital to harm reduction, treatment, social services, and other recovery resources for people who use drugs.
Illinois Department of Public Health	Comprehensive Health Protection	A master grant agreement that combines multiple IDPH grants listed above for efficiency and speed of processing.

COUNTY OF KANE )

**RESOLUTION NO. TMP-24-2923**

**AUTHORIZING AGREEMENT BETWEEN KANE COUNTY HEALTH DEPARTMENT AND ASSOCIATION FOR INDIVIDUAL DEVELOPMENT (AID) FOR NALOXONE VENDING MACHINES**

WHEREAS, pursuant to the Substance Use Disorder Act (20 ILCS 301/5-23) and Executive Order 17-05, the Director of the Illinois Department of Public Health issued the “Illinois Naloxone Standing Order” to authorize “Naloxone Entities” to obtain and/or distribute opioid reversal agents to those who may assist an individual suffering from an opioid-related overdose; and

WHEREAS, the Kane County Health Department is a “Naloxone Entity” as it has established an Overdose Education and Naloxone Distribution Program, which is registered with the Illinois Department of Human Services Division of Substance Use Prevention and Recovery’s (“IDHS/SUPR”) Drug Overdose Prevention Program; and

WHEREAS, the Kane County Health Department has used funding it received from the IDHS/SUPR State Opioid Response grant to purchase Naloxone, a prescription medication that can block and/or reverse the effects of an opioid overdose; and

WHEREAS, as a strategy designed to prevent opioid-related deaths in Kane County, Association for Individual Development (AID) will allow the Kane County Health Department to provide access to Naloxone, in accordance with the Illinois Department of Public Health’s Naloxone Standardized Procedure, by placing a no cost Naloxone vending machine inside the Association for Individual Development (AID)’s facilities in Elgin and Aurora; and

WHEREAS, an agreement to implement this strategy is attached to this Resolution as Exhibit A.

NOW, THEREFORE, BE IT RESOLVED that the Kane County Board approves of the agreement between the Kane County Health Department and Association for Individual Development (AID), attached hereto as Exhibit A, and authorizes the Executive Director of the Kane County Health Department to execute such agreement.

Passed by the Kane County Board on October 8, 2024.

## RESOLUTION / ORDINANCE EXECUTIVE SUMMARY ADDENDUM

### Title

Agreement Between the Kane County Health Department and Association for Individual Development (AID) for Naloxone Vending Machines

### **Committee Flow:**

Public Health Committee, Executive Committee, County Board

### **Contact:**

Michael Isaacson 630-208-3140

### **Budget Information:**

Was this item budgeted? Yes	Appropriation Amount: \$N/A
If not budgeted, explain funding source: N/A	

### **Summary:**

This agreement is between the Kane County Health Department (KCHD) and Association for Individual Development (AID) for KCHD to provide a naloxone vending machine to be placed in the AID Elgin location located on 1135 Bowes Road in Elgin Illinois, the AID Aurora location located on 309 W New Indian Trail Court in Aurora Illinois, and the AID Aurora location located on 1230 N Highland Avenue in Aurora Illinois. KCHD will be responsible for stocking these machines with the overdose reversal medication called naloxone as requested by AID.

**Agreement Between Kane County Health Department and Association for Individual Development (AID) for Naloxone Vending Machines**

This agreement (“Agreement”), effective on this 12<sup>th</sup> day of November, 2024, by and between the Kane County Health Department (hereinafter referred to as “KCHD”) and Association for Individual Development (AID) (hereinafter referred to as “Organization”). For purposes of this Agreement, the KCHD and the Organization shall collectively be referred to hereinafter as “the Parties”.

**RECITALS**

WHEREAS, Naloxone is a prescription medication that can block and/or reverse the effects of an opioid overdose; and

WHEREAS, the Illinois Department of Public Health has issued the “Illinois Naloxone Standing Order” pursuant to the Substance Use Disorder Act (20 ILCS 301/5-23) and Executive Order 17-05; and

WHEREAS, the Naloxone Standing Order authorizes Naloxone Entities to obtain and/or distribute Naloxone, and other harm reduction supplies to those who may assist an individual suffering opioid-related overdose; and

WHEREAS, Naloxone Entities may include pharmacies, pharmacists, or Opioid Overdose Education and Naloxone Distribution Programs; and

WHEREAS, the KCHD has established an Overdose Education and Naloxone Distribution Program, which is registered with the Illinois Department of Human Service Division of Substance Use Prevention and Recovery’s Drug Overdose Prevention Program; and

WHEREAS, as a part of the KCHD Overdose Education and Naloxone Distribution Program, the Parties desire to work collaboratively to reduce overdose deaths in Kane County by allowing the KCHD to provide access to Naloxone in accordance to the Naloxone Standardized Procedure in a no cost vending machine located inside the Organization’s facility.

NOW THEREFORE, for and in consideration of the mutual covenants herein the parties agree as follows:

1. **Incorporation of Recitals.** All of the recitals hereof are incorporated by this reference and are made a part hereof as though set forth at length herein.
2. **Scope of Collaboration.** The KCHD is a registered Overdose Education and Naloxone Distribution Program that is committed to reducing opioid overdose deaths in Kane County. Naloxone vending machines will allow broader access to opioid reversal nasal spray for individuals at Organization’s facility.

3. **Responsibilities of the KCHD.** The KCHD will:
  - A. Provide three (3) vending machine to be located in Organization’s facilities;
  - B. Provide Naloxone and other harm reduction supplies to be stocked in the vending machine;
  - C. Review inventory and stock vending machine with Naloxone on a regular basis;
  - D. Provide education on overdose prevention and response for the Organization’s employees and patrons.
  
4. **Responsibilities of Organization.** Organization will:
  - A. Provide space for a vending machine in an area that is near an electrical outlet, accessible to the general public, and is protected from direct sunlight;
  - B. Provide reasonable security measures consistent with Organization’s policies and procedures to help protect the vending machine from damage;
  - C. Contact the KCHD when the vending machine requires a restock of Naloxone and other harm reduction supplies;
  - D. Contact the KCHD when repairs to the vending machine are necessary.
  
5. **Renewal, Termination and Amendment.** This Agreement and the terms contained herein shall commence on November 12<sup>th</sup>, 2024 and shall continue until November 12<sup>th</sup>, 2025 (“Initial Term”), subject to earlier termination as provided herein. This Agreement shall renew automatically for additional one-year terms (“Renewal Term”) unless either party provides written notice to the other party at least thirty (30) days prior to the conclusion of the then current term of its intention not to renew. Either party may terminate this Agreement at any time with thirty (30) days written notice to the other. This Agreement, including the recitals, set forth the entire agreement between the parties with respect to the subject matter hereof and the Agreement shall be amended only in writing signed by both parties.
  
6. **General Matters.**
  - A. Neither Party will use the name of the other in any form of advertising or publicity without the express written permission of the other Party.
  - B. Organization agrees to indemnify and hold the Kane County Health Department and Kane County and their respective officers, employees, and agents harmless from any liability, claim, demand, judgment or costs, including reasonable attorney’s fees, arising out of or in connection with the Agreement.
  - C. In the event any portion of this Agreement is deemed to be invalid or unenforceable, such portion shall be deemed severed and the parties agree that the remaining portions of this Agreement shall remain in full force and effect.
  - D. Neither party may assign or otherwise transfer this Agreement without the written consent of the other party. This Agreement shall inure to the benefit of and bind the parties hereto and their respective legal representatives, successors and assigns.

- E. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois and the County of Kane. Any action brought under or which relates to this Agreement shall be brought in Kane County, Illinois.
- F. This Agreement may be executed in counterparts in the same form and such parts so executed shall together form one original document and be read and construed as if one copy of the Agreement had been executed.
- G. This Agreement is entered into solely for the benefit of the contracting parties, and nothing in this Agreement is intended, either expressly or impliedly, to provide any right or benefit of any kind whatsoever to any person or entity who is not a party to this Agreement, or to acknowledge, establish or impose any legal duty to any third party.
- H. The Parties represent that all necessary acts have been taken to authorize and approve this agreement in accordance with applicable law, and this Agreement, when executed by the Parties hereto, shall constitute a binding obligation of the Parties, legally and enforceable at law and equity against both.

7. **Notice.** Any notice to be given under the provisions of this Agreement shall be provided to the following addresses:

DRAFT

STATE OF ILLINOIS )

SS.

COUNTY OF KANE )

**RESOLUTION NO. TMP-24-2891**

**AUTHORIZING THE CREATION OF A POSITION OF FATALITY REVIEW  
MANAGER FOR THE KANE COUNTY HEALTH DEPARTMENT**

WHEREAS, the Congress of the United States has enacted the American Rescue Plan Act of 2021 (“ARPA”) to provide economic relief to State, Local, and Tribal governments responding to economic and public health impacts of the COVID-19 pandemic; and

WHEREAS, the County of Kane has received a total of \$103,413,041 (One Hundred Three Million, Four Hundred Thirteen Thousand, Forty-One Dollars) from the United States Department of the Treasury, in State and Local Fiscal Recovery Funds (“SLFRF”) pursuant to ARPA; and

WHEREAS, pursuant to ARPA and the administrative regulations adopted by the United States Department of the Treasury (“Final Rule”), the County of Kane shall use SLFRF to defray costs associated with its response to the COVID-19 pandemic within the County, to address the economic fallout from the pandemic, and lay the foundation for a strong and equitable recovery; and

WHEREAS, by Resolution 21-313, the Kane County Board has established the American Rescue Plan Committee (“ARPC”) as a resource for research, education, planning, and recommendations for the best allocation and uses of the County’s SLFRF; and

WHEREAS, by Resolution 21-156, the Kane County Board approved the recommended Spending Plan as proposed by the ARPC, which designates \$42,000,000 (Forty-Two Million Dollars) to be used for Kane County Department and Elected Office project requests; and

WHEREAS, the behavioral health impact of the pandemic has been well documented. The National Institutes of Health point to a 2021 study which showed almost half of all Americans reported recent symptoms of anxiety or depressive disorder with 10% reporting that their mental health needs were not being met. Rates of anxiety, depression, substance use, overdose, suicidal ideation, violence and suicide all increased during the pandemic. These issues continue to be elevated as many individuals faced increased trauma during the COVID-19 pandemic; and

WHEREAS, the Kane County Board approved in Resolution 23-497 the allocation of \$9,975,000 (Nine Million, Nine Hundred Seventy-Five Thousand Dollars) of SLFRF to the Kane County Health Department to improve the behavioral health system in Kane County and meet the behavioral health needs of residents; and

WHEREAS, the Kane County Health Department plans to utilize \$210,000 of approved SLFRF funds allocated in Res. 23-497 to fund the salary, fringe, travel, equipment, and professional development of a Fatality Review Manager for the first two years; and

WHEREAS, after the SLFR Funds have been exhausted, the Health Department will utilize other grant funds of the Kane County Health Department to continue to fund this position's salary and benefits; and

WHEREAS, the Fatality Review Manager who will work in partnership with the Kane County Coroner's Office to coordinate a Fatality Review Board.

NOW, THEREFORE, BE IT RESOLVED that the Kane County Board hereby authorizes the Kane County Health Department to increase headcount to create a new Fatality Review Manager position as a grade 8 (268) and use of State and Local Fiscal Recovery Funds in the amount of \$210,000 to be used for a Fatality Review Manager as part of the Behavioral Health System Improvement Initiative, in accordance with the American Rescue Plan Act of 2021, the Final Rule, and related guidance issued by the United States Department of the Treasury, and any other Federal, State or local laws and regulations.

Passed by the Kane County Board on October 8, 2024.
