Summary:

Development and Community Services staff are currently in negotiations with three consultants to finalize this contract resolution. This resolution will be updated once the Department staff and the consultants have reached consensus on the terms of their respective agreements. Once the negotiations are complete, the resolution will authorize contracts between Kane County and [Consultants TBD] to provide needed technical services in support of ongoing local food system, farmland conservation, and agricultural business development initiatives. The selected vendors will perform work at the direction of the Kane County Development and Community Services Department to provide one or more services listed in Exhibit 1. A template of the service agreement text is attached to the resolution and will updated as it moves through the committee flow.
