Summary:

This resolution authorizes the execution of a five (5) year contract extension with LRS Holdings, Inc. for curbside refuse and recycling collection for the Mill Creek SSA and Unincorporated Blackberry Township. This is the first and only extension allowable under the contract.

The County does not pay any contract costs to the vendor. The County's role is to negotiate/maintain favorable services and pricing on behalf of the SSA and Township residents, who pay the vendor directly. The negotiated extension pricing is fair and competitive compared to pricing for similar services in neighboring municipalities. The County receives certain revenues to the 650 fund through this contract, including an annual franchise fee (\$10,000) to offset administrative expenses and annual contributions to the Household Hazardous Waste Home Collection Program.
