Summary:

At the October 17, 2023 meeting, the Transportation Committee conceptually agreed to financially participate in the Central Community Unity School District 301 (CCUSD301) road improvement project on Plato Road. The road improvement would widen the roadway for right and left turn lanes at the main school entrance, as well as re-establish the super-elevation (banking) of the horizontal curve of Plato Road. The Committee agreed to contribute funds to offset costs associated with the (1) asphalt surface removal, (2) asphalt surface placement, and (3) asphalt binder over the existing Plato Road pavement.

CCUSD301 has competitively bid the project and entered into a contract with Schroeder Asphalt Services, Inc. a qualified road contractor based in Huntley, IL. The unit prices of the three items above will be the basis of KDOT's reimbursement to CCUSD301. Actual field quantities for these items will be tabulated, but in no event will the KDOT expenditure exceed \$104,400.00.

Staff recommends approval of the resolution to appropriate funds.
