Summary:

The Kane County Office of Emergency Management is responsible for providing shelter to Kane County residents who have been displaced from their homes during times of emergency or disaster and Kane County has no government-owned buildings that are suitable for such purposes. However, owners & operators of privately-owned facilities have indicated a willingness to temporarily allow the use of their buildings for shelters and other support purposes. This resolution would 1) approve the attached Memorandum of Understanding for use with private facilities wishing to participate, and 2) authorize the Director of Emergency Management to execute individual Memorandums of Understanding with owners of prospective shelter buildings.
