Summary:

The Sheriff's Office originally received a grant in 2023 to install 23 license plate reader (LPR) cameras across Kane County in public areas. The grant required a membership with the National Sheriff's Association for \$5,000. The Sheriff's Office absorbed that payment in their existing budget. Since the installment of the cameras, it has demonstrated a significant impact on crime within Kane County. The grant has expired and the Sheriff's Office deems it appropriate to continue the contract with Flock, Inc in our continued efforts to enhance public safety.
