Summary:

On July 30th, 2024, four (4) bids were opened at KDOT for the above-mentioned project to repair the Hughes Road bridge structure over Blackberry Creek.

The lowest qualified bid of \$397,312.40 was submitted by Alliance Contractors, Inc of Woodstock, Illinois. Alliance Contractors, Inc., is IDOT prequalified in Structures (Highway) (#009) or Structures Repair (#010) as required in the contract specifications.

Kane County Division of Transportation staff reviewed the bid submitted to determine compliance with the Kane County Ordinance. After review of the bid, it was determined that the bid submitted did not meet all guidelines set forth within the Responsible Bidder Ordinance (RBO) provisions of the Kane County Purchasing Ordinance. Consistent with the terms of the RBO, the bid was then reviewed for compliance with the remaining sections of the Kane County Purchasing Ordinance. After completing this review, KDOT is recommending approval of the low bidder Alliance Contractors Inc.

This fall, we will be shoring (temporarily supporting) three of the beams, which are showing some distress. Next spring/early summer, we will be replacing those three beams.
