Was this item passed through the appropriate committee? Yes	

Summary:

This resolution authorizes the Kane County Information Technologies Department to purchase computer software and related services from Insight Public Sector through the OMNIA Partners contract (No. 23-6692-03), valid through April 30, 2028. The County has previously approved participation in OMNIA's cooperative purchasing program under Resolutions No. 22-265 and 24-523, allowing access to competitively bid contracts. Software and services to be purchased under this contract include countywide security software (RSA, Rapid7, Proofpoint), data backup software, VPN access software, Adobe software, network and firewall software subscriptions, load balancers, eFax software, board agenda and minutes software, sheriff in-car laptop software, support services for upgrades and new deployments, and other department or grant-funded software needs. This resolution authorizes the continued use of competitively bid contracts for the efficient, cost-effective, and compliant procurement of computer software and services through a competitively bid cooperative purchasing program, with total expenditures not to exceed \$900,000 per fiscal year from the Capital Computer Software Fund (#500.800.801.70000) and other applicable funds.
