In such an event, Grantor agrees to execute and deliver to Grantee any additional documents needed to correct the legal description of the Right of Way and/or Temporary Easement Area to conform to the actual location of the Right of Way and/or Temporary Easement Area. If such documents are required, they will be prepared by Grantee at Grantee’s expense.

4. **Grantor’s Continuing Rights / Encroachments.** Grantor may fully use and enjoy the Right of Way and the Temporary Easement Area to the extent that such use and enjoyment does not interfere with Grantee’s rights under this Agreement or create an actual or potential hazard to the Facilities or Grantee’s exercise of its rights hereunder; provided, however, Grantor shall not (i) place or permit to be placed any temporary or permanent structure or encroachment of any kind, including but not limited to buildings, mobile homes, trees, telephone poles or wires, electric poles or wires, water or sewer lines, meters or utility boxes, paved roads or passage ways or the like, in, on, over, or under the Right of Way and/or the Temporary Easement Area (during the original construction of the Facilities), unless specifically approved in writing by Grantee, (ii) excavate or otherwise alter the ground elevation or otherwise create a water impoundment over the Right of Way and/or the Temporary Easement Area (during the original construction of the Facilities), (iii) change the depth of cover over the Right of Way and/or the Temporary Easement Area (during the original construction of the Facilities) containing any installed pipeline or facility, without the prior written consent of Grantee, and (iv) store any materials of any kind or operate or allow to be operated any heavy machinery or equipment over the Right of Way and/or the Temporary Easement Area (during the original construction of the Facilities), nor cause the Right of Way and/or the Temporary Easement Area (during the original construction of the Facilities) to be covered by standing water, except in the course of normal seasonal irrigation. Grantor agrees to abide by Grantee’s reasonable guidelines related to the safe operation and inspection of its pipelines and facilities and maintenance of the Right of Way and Temporary Easement Area. Grantor further agrees not to convey

any other rights of way or other conflicting rights within the Right of Way and/or Temporary Easement Area to any third parties without the prior written consent of Grantee.

5. **Compliance with Applicable Laws.** Grantee shall comply with all applicable federal, state and local laws, regulations, orders and rules related to the exercise of Grantee's rights hereunder and each pipeline shall be installed at a depth conforming with industry standards and the requirements of applicable laws.

6. **Gas Service.** Grantor forever waives any present or future statutory, regulatory, judicial or contractual right which Grantor has or may have to receive gas service from any pipeline laid under this Agreement and, further, Grantor forever releases Grantee, from any present or future statutory, regulatory, judicial or contractual obligation, Grantee has, or may have, to provide natural gas service from any of its pipelines or storage facilities to any and all residences or structures on Grantor's Property.

7. **Indemnity.** Grantee agrees to indemnify and hold harmless Grantor from, against and in respect of any and all liability, claims, damages, costs, and losses of whatever character (collectively, the "**Claims**") arising from personal injury or death or damage to property and any and all Claims of whatever character asserted by third parties, to the extent such Claims result from the negligence or other wrongful acts of Grantee, its employees, agents, contractors and subcontractors in connection with the exercise of Grantee's rights under this Agreement. Grantor agrees to indemnify and hold harmless Grantee and its affiliates, subsidiaries, successors and assigns from, against, and in respect of any and all Claims arising from personal injury or death or damage to property of Grantee, its employees, agents, contractors, and subcontractors and any and all Claims of whatever character asserted by third parties, to the extent such Claims result from the gross negligence or willful misconduct of Grantor or Grantor's invitees or licensees.

Notwithstanding the foregoing or anything to the contrary contained herein, Grantor acknowledges and agrees that Grantee has compensated Grantor, in advance, for any and all damages, costs and expenses which may arise out of, are connected with, or relate in any way to Grantor's conveyance, or Grantee's exercise, of the rights set forth herein, including but not limited to, any and all tree, crop, plant, timber, harvest or yield loss damages, or any other damages, costs and expenses attributable to or arising from Grantee's construction, mitigation, and restoration activities within the Right of Way and Temporary Easement Area and the installation, presence, maintenance, ingress or egress to or from, or operation of the Facilities upon the Property. Notwithstanding the foregoing, nothing contained herein shall be construed to release Grantee from liability for any damages, costs or expenses caused solely by the negligence or other wrongful acts of Grantee.

8. **Further Assurances.** Grantor shall execute and deliver such further instruments and take such other actions as may be reasonably requested by Grantee from time to time to effectuate, confirm or perfect the terms and intent of this Agreement and the rights granted to Grantee hereunder, including but not limited to joining in the execution of any and all governmental applications, authorizations, licenses, documents and title curative instruments.

9. **Additional Rights.** In addition to the rights granted herein, should restoration be required on the Property outside the easements granted herein as a result of Grantee's use of the Right of Way and/or Temporary Easement Area, Grantee shall have the right to take all actions necessary to complete such restoration and such actions shall not constitute a trespass. Unless already covered by a mutually agreed upon Supplemental Agreement, Grantee shall pay Grantor the same price per acre that Grantee paid Grantor for the Temporary Easement Area.

10. **Successors and Assigns.** This Agreement and the covenants and agreements contained herein are covenants running with the land, shall be assignable in whole or in part, and shall be binding on and shall inure to the benefit of the Parties hereto and their respective heirs, successors, assigns, executors, administrators, and legal representatives.

11. **Severability.** In the event any provision or any portion of any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable by reason of any law or public policy, such provision or portion thereof shall be considered to be deleted, and the remainder of this Agreement shall constitute the agreement between the Parties hereto covering the subject matter hereof.

12. **Entire Agreement; Modification.** This Agreement and any exhibits attached hereto, and incorporating any mutually agreed upon Supplemental Agreement at Virgil Forest Preserve and/or Release, constitutes the full and entire agreement of the Parties regarding the subject matter hereof and supersedes all prior or contemporaneous verbal or written agreements, representations or understandings pertaining thereto. This Agreement may be modified or amended only by a written agreement signed by each of the Parties hereto.

13. **Governing Law.** This Agreement shall be governed by the laws of the State in which the Property is located, without regard to conflicts laws or choice of law rules thereof.

14. **Arbitration.** Any dispute or claim arising out of or relating to this Agreement or any Supplemental Agreement and/or Release, or the breach thereof, shall be resolved by three disinterested arbitrators, one to be appointed by the Grantor, one by the Grantee, and the third by the two so appointed, and the award of such three persons shall be final and conclusive. The cost of such arbitration will be borne equally by the parties.

15. **Joint Efforts.** The Parties stipulate and agree that this Agreement shall be deemed and considered for all purposes as prepared through the joint effort of the Parties and shall not be construed against one or the other as a result of the preparation, submittal, recording, or other event of negotiation, drafting or execution hereof.

16. **Authority.** Each Party and signatory to this Agreement represents and warrants to the other Party that it has full power, authority and legal rights, and has obtained all approvals necessary, to execute, deliver and perform this Agreement. Grantor binds itself, its heirs, successors, assigns, executors, administrators, and legal representatives to warrant and forever defend the interests and rights conveyed herein unto Grantee, its successors and assigns, against every person whomsoever lawfully claims the same or any part thereof.

17. **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall constitute an original, but all of which shall constitute but one and the same instrument.
