AGENDA MEMORANDUM

DATE: January 8, 2026

TO: Forest Preserve District Executive Committee

FROM: David Petschke, Chief Financial & Administrative Officer

SUBJECT: Presentation of a Resolution authorizing the Fourth Amendment to the License Agreement with the Striker's to assign the lease to the Fox Valley Soccer Club for the use of the District's Building on Kirk Road in Geneva, IL

PURPOSE:

The purpose of this memorandum is to provide the Committee with information for consideration of a fourth amendment to the License Agreement with Strikers Fox Valley Soccer Club (Strikers). The amendment would allow the assignment of the agreement to Fox Valley Forge Soccer Club, Inc. (Forge) to operate the indoor soccer facility located at 1000 South Kirk Road in Geneva.

BACKGROUND:

Strikers has operated the indoor soccer facility at 1000 S. Kirk Road in Geneva under a license agreement with the District since September 2004. The organization currently provides soccer training and club competition for participants ages 8 through 23 (U8–U23).

The proposed fourth amendment to the License Agreement would permit assignment of the lease to Forge, a newly formed soccer organization created through the merger of Strikers and Campton United Soccer Club. Forge is a 501(c)(3) nonprofit organization whose mission is:

"To elevate soccer as a lifelong pursuit and unifying force by providing inclusive, high-quality development pathways from grassroots to elite levels. Building upon the proud legacies of Campton United and Strikers, we are committed to nurturing character, excellence, and leadership in every athlete. Through world-class coaching, competitive opportunities, and a community-centered approach, we empower players to achieve their full potential—on the field and in life—while advancing the growth of soccer across our region and beyond."

Forge plans to expand programming to include ages 3–8. Under the new structure, Forge will operate programming out of both the District's indoor facility in Geneva and the Campton United indoor facility in St. Charles, using the new entity's name.

District staff met with representatives from both Strikers and Campton United Soccer Club. Representatives explained that the merger will enhance player development pathways, serving athletes from recreational participation through the highest levels of competition. This unification combines two of the longest-standing nonprofit soccer organizations in Kane County.

FINANCIAL IMPACT:

Forge will assume the existing Strikers License Agreement under the same terms, with one modification: license payments must be made in full, upfront, for the first three years of the agreement. These payments

will be due on September 1 in 2026, 2027, and 2028. Following this initial three-year period, payments will revert to equal installments due on September 1 and January 1 for the remainder of the license term.

Over the term of the agreement, the District will receive license fees totaling:

- \$80,000 annually for each year from 2026–2029, and
- \$85,000 annually for each year from 2029–2034.

There is no financial expense to the District. Forge will be responsible for all operating and maintenance costs associated with the building and grounds within the licensed area. Revenue generated from this License Agreement will be deposited into the General Fund.

RECOMMENDATION:

Staff recommends approval of the assignment of the Use and License Agreement to Fox Valley Forge Soccer Club, Inc., allowing Forge to operate the indoor soccer facility located at 1000 S. Kirk Road in Geneva.

Compliance with Laws and Regulations.

- a. Licensee covenants, throughout the Term of this Agreement at Licensee's sole cost and expense, to promptly comply with all laws and ordinances

and the orders, rules and regulations and requirements of all federal, state and municipal governments and appropriate departments, commissions, boards and officers of these entities, or any other body now or subsequently constituted exercising similar functions, foreseen or unforeseen, ordinary as well as extraordinary, which may be applicable to the Premises. Licensee will likewise observe and comply with the requirements of all policies of public liability, fire and all other policies of insurance at any time in force with respect to the Premises and the improvements and equipment on the Premises. In addition to all other provisions of this Agreement, Licensee, at its cost and expense, shall comply with all laws, statutes, ordinances, rules and regulations of any governmental authority having jurisdiction concerning environmental matters, including, but not limited to, any discharge into the air, waterways, sewers, soil or ground water of any substance or "pollutant."

- b. Licensors and its agents and representatives shall have reasonable access to the Premises for the purpose of ascertaining the nature of the activities being conducted on the Premises and to determine the type, kind and quantity of all products, materials and substances brought onto the Premises or made or produced on the Premises. Licensee and all occupants of the Premises claiming under Licensee shall provide to Licensors copies of all manifests, schedules, correspondence and other documents of all types and kinds when filed or provided to an appropriate governmental agency or otherwise required to be maintained by such an agency or as such matters are received from any governmental agency having jurisdiction over these matters. Licensors and its agents and representatives shall have the right to take samples in quantity sufficient for scientific analysis of all products, materials and substances present on the Premises including, but not limited to, samples of products, materials or substances brought onto or made or produced on the Premises by Licensee or an occupant claiming under Licensee or otherwise present on the Premises.
- c. Notwithstanding any provision of this Agreement and subject to a standard of reasonableness, or applicable statutes or judicial decisions to the contrary, with reference to any assignment, or any other permission to use the Premises by any person other than Licensee, Licensors shall have the right to withhold Licensors' consent if, in Licensors' sole judgment and discretion, the assignee, or any other person is not capable of performing or is not sufficiently qualified to perform in accordance with the requirements of this Section. Any assignment or other permission to use the Premises from which Licensors withholds its consent as provided in this Section, shall be void.

- d. If Licensee breaches the obligations stated in this Section, or if the presence of hazardous material on the Premises caused or permitted by Licensee results in contamination of the Premises, or if contamination of the Premises by hazardous material otherwise occurs for which Licensee is legally liable to Licensors for damage resulting therefrom, then Licensee shall indemnify, defend and hold Licensors harmless from any and all claims, judgments, damages, penalties, fines, costs, liabilities or losses (including, without limitation, diminution in value of the Premises, damages for the loss or restriction of use on space or of any amenity on the Premises, damages arising from any adverse impact on marketing of the Premises, and sums paid in settlement of claims, attorney's fees, consultant fees and expert fees) which arise during or after the Term of the Agreement as a result of such contamination. This indemnification of Licensors by Licensee includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision because of hazardous material present in the soil or ground water on or under the Premises to the extent caused or permitted by Licensee. Without limiting the foregoing, if the presence of any hazardous material on the Premises caused or permitted by Licensee results in any contamination of the Premises, Licensee shall promptly take all actions at its sole expense as are necessary to return the Premises to the condition existing prior to the introduction of any such hazardous material to the Premises provided that Licensors' approval of such actions shall first be obtained, which approval shall not be unreasonably withheld so long as these actions would not potentially have any material adverse long-term or short-term effect on the Premises.
- e. As used in this Agreement, the term "hazardous material" means any hazardous or toxic substance, material or waste which is or becomes regulated by any local governmental authority, the State of Illinois or the United States Government. The term "hazardous material" includes, without limitation, any material or substance which is (i) defined as a "hazardous waste" or other hazardous material or substance under any of the laws of the State of Illinois, (ii) petroleum, (iii) asbestos, (iv) designated as a "hazardous substance" pursuant to the Federal Water Pollution Control Act, (v) defined as a "hazardous waste" pursuant to the Federal Resource Conservation and Recovery Act, as amended, or (vi) defined as a "hazardous substance" pursuant to the Comprehensive Environmental Response, Compensation and Liability Act, as amended.

- a. Maintain and keep in proper repair the Premises.

- b. Pay for all of the utility charges in each calendar year for the Premises, such as water, sewage and garbage disposal, telephone, gas, electricity, cable television and any other similar commodity or service furnished to the Premises. This is a Licensee fee as provided for in paragraph 4.01, payable monthly.

Section 7.01. Deleted

Section 8.01. Installation of Equipment. Licensor understands that in connection with the use of the Premises, Licensee will install all necessary equipment to operate and maintain the Premises. This equipment and the use and operation thereof shall be the sole responsibility of Licensee, with the right to obtain such equipment and remove it from the Premises, provided the equipment installed has not become a fixture on the Premises (*i.e.*, lighting, turf system). Licensor shall have the right to compel Licensee to remove all improvements installed by Licensee at the end of the term of this License. Installed equipment that is designed as a fixture shall become the property of Licensor upon termination of this Agreement. Licensee agrees that it will purchase sufficient equipment to operate and maintain the Premises so that such Premises shall be fully operational, during the term of this Agreement.

Section 9.01. Indemnity. Licensee shall procure and maintain at its own expense during the license term, a comprehensive general liability insurance policy providing for "occurrence" coverage and not "claims made" coverage from a Class A, Size XIII rated company authorized to do business in the State of Illinois in form acceptable to Licensor and specifically naming Licensor as an additional insured and indemnifying Licensor against all claims, liabilities, costs,

damages, liens and expenses, including reasonable attorneys' fees, which may accrue against the parties arising from the operation on the Premises.

- a. **Indemnity Requirements.** Upon execution of this Agreement, Licensee shall agree to assume all liability for and protect, indemnify and save Licensor, its agents, officers and employees, harmless from and against all actions, claims, demands, judgments, losses, expenses of suit or action, and reasonable attorneys' fees, for injuries to or death of any person or persons, and loss or damage to the property of any person or persons, whomsoever, including the parties hereto, and their agents, contractors, subcontractors, officers and employees, arising in connection with or as a direct or indirect result of entering into and performance of the License and the operation of the Premises and related activities within and upon the Premises, whether or not due to or arising out of acts of Licensee hereto, or its agents, contractors, subcontracts, officers and employees, or by or in consequence of any negligence or carelessness in connection with the same or on account of liability or obligation imposed directly or indirectly upon Licensor by reason of any laws of the State of Illinois or the United States, now existing or which shall hereafter be enacted, imposing any liability or obligation or providing compensation to any person or persons on account of or arising from the death or injury to employees. Licensee shall pay, settle, compromise and procure the discharge of any and all such claims and all such losses, damages, and expenses, including reasonable attorneys' fees, at its sole expense, notwithstanding any of the foregoing, claims, demands, judgments, losses, expenses of suit or action, and reasonable attorneys' fees arising from or on account of the willful and wanton conduct of Licensor, its agents, officers and employees.

Section 10.01. Insurance Requirements.

- a. **General.** Licensee shall file with Licensor, prior to the execution of this License Agreement, certified copies of policies or adequate certificates of insurance with coverage as set forth above and below, naming Licensor as an additional insured thereon, as proof of adequate insurance to protect the public and Licensor against liability.

The furnishing by Licensee of any insurance policies and insurance certificates required and their acceptance or approval by Licensor shall not release Licensee from obligation to provide sufficient coverage as set forth therein and shall not waive liability of Licensee to indemnify Licensor against all damage as aforesaid.

Licensors reserves the absolute right, in its sole discretion exercisable by the Business Manager or other representative designated by Licensors, to make final determination as to whether any insurance obtained by Licensee meets the applicable insurance requirements hereunder.

The insurance policies or certificates of insurance should be sent to the Kane County Forest Preserve District, 719 Batavia Avenue, Building G, Geneva, Illinois, 60134.

During the term of the Agreement, if Licensee can not obtain liability insurance as required by the License Agreement or can not obtain liability insurance at a cost that not exceed 140% of the first year insurance premium, Licensee may cancel this Agreement upon 30 days written notice. Licensee shall vacate the premises and in doing so deliver up the premise in good condition, ordinary wear and tear excepted.

The requirement of insurance to be paid in this paragraph is a Licensee fee under paragraph 4.01.

- b. **Licensee's General Liability Insurance Coverage Amount.** Licensee shall secure and maintain during the course of this Agreement, commercial general liability insurance with coverages as set forth above and in an amount not less than Two Million Dollars (\$2,000,000.00) combined single limit per occurrence for both bodily injury and property damage, with the Forest Preserve District of Kane County named as an additional insured thereon.

If any of the insurance is cancelled, Licensee shall cease operations on the date of termination and shall not resume operations unless new insurance is in force.
- f. If Licensee shall at any time fail to pay any premium when due or otherwise maintain any of the policies provided for in this Agreement, then after ten (10) days' written notice to Licensee, and without waiving or releasing Licensee from any other obligations contained herein, Licensor may, at its sole discretion, either effect any such insurance coverage and pay the premium or terminate the discretion. All sums paid by Licensor, if it elects to continue such coverage, and any costs and expenses in connection with said act, shall be deemed additional fees due hereunder and shall be payable to Licensor on demand, or added to any basic fees then due or thereafter next coming due under this Agreement. Licensor shall have the same rights and remedies in the event of non-payment of any other fees due hereunder. With respect to insurance, the time and notice provisions contained in this paragraph shall control over any other language to the contrary contained elsewhere in this License Agreement.

Section 11.01. Damage: Total or Partial Destruction. In the event the Premises, or any part thereof, shall, at any time during the term hereof, be damaged by fire or other casualty through no fault of Licensee, so as to be unfit for use and occupancy, in whole or in part, the fees, or a just and proportionate part thereof, according to the nature and extent of the damage sustained, shall be abated until Licensee shall have duly repaired and restored said Premises. However, if such repairs cannot be made within thirty (30) days of the damaging event, this License may be terminated at the option of either the Licensor or Licensee. The election to terminate this Agreement by either party to this Agreement must be made by giving the other

party notice in writing of this election within fifteen (15) days of the date of such damaging event. In the event the aforementioned damage is caused through the fault of Licensee, then Licensee shall be responsible for restoring the Premises to its original condition and rent shall not abate.

- a. Licensee shall pay and discharge when due, as part of the Annual Fee on the Premises and its use, all federal, state, municipal and local real estate taxes, assessments, levies and other charges, general and special, ordinary and extraordinary, of whatever name, nature and kind that are or may be assessed during the Term of this Agreement, beginning with the commencement date levied, assessed, imposed or charged on the land or the Premises and its improvements or the use thereof now or on or after the date of this Agreement to be built or made on the Premises and its improvements or the use thereof now on or after the date of this Agreement attributable to the Terms of this Agreement, and all of which may be levied, assessed, imposed, or charged on or against the use hereby of any of the foregoing. With respect to any real property tax litigation, Licenser agrees to cooperate with Licensee in connection with such litigation. No such litigation is known or contemplated.
- b. The taxes, assessments, levies and other charges, paid as specified in this section by Licensee, shall be paid in the name of Licenser, and Licensee shall pay them as specified above provided such taxes and other charges are imposed during the Term of this Agreement or subsequent to the expiration or earlier termination of the Term of this Agreement and relate to the Term of this Agreement. Notwithstanding any language to the contrary in this Article, Licensee shall not be responsible for payment of

any interest or penalties incurred as a result of Licensor's failure to timely forward tax bills to Licensee.

- c. If at any time during the Term of this Agreement, the present method of taxation or assessment should be changed or a new system of taxation or a new tax created so that the whole or any part of the taxes, assessments, levies, or charges now levied, assessed, and imposed on the real estate improvements on such real estate or the use of the property by Licensee, Licensee shall pay such taxes and assessments, whether levied on the real estate in whole or in part, or on its use by Licensee.
- d. Licensee further agrees on demand to produce and exhibit to Licensor receipts by proper officials showing the payments made by Licensee.
- e. Licensee may, however, defer the payment of any tax, assessment or other charge so long as the validity of such item shall be contested by Licensee in good faith and by appropriate legal proceedings, provided Licensee shall have furnished to Licensor the bond of a surety company or other security satisfactory to Licensor, in an amount satisfactory to Licensor, securing Licensor against the payment of such tax, assessment, or other charge so contested and against any loss, damage or penalty whatsoever in any way arising from the failure of Licensee to pay it.
- f. For all purposes under this Agreement and in any suit of any kind between the parties, any receipt showing the payment of such tax, assessment, or other charge signed by any public official authorized to give similar receipts shall be conclusive evidence against Licensee that the amount of the payment was due and payable and that the tax assessment or other charge was a valid and existing lien on the Premises at the time of payment.
- g. Licensor, except as provided below, shall have the right at all times during the Term of this Agreement to pay any water rates, taxes, assessments or other charges levied or imposed on or against the Premises and remaining unpaid after they have become due and payable, and to pay, cancel and clear all water rates, taxes, assessments, tax sales, liens, charges, impositions and claims on or against the demised Premises or any part of the Premises, or to redeem the Premises from such charges or any of them from time to time. The amount paid, including the reasonable expenses of Licensor, shall be so much additional Annual Fees due Licensor at the next fee date after any such payment, with interest thereon, at the rate of twelve (12%) percent per annum from the date of payment by Licensor until the repayment by Licensee.

- h. It is agreed that if Licensors shall exercise the option to advance or pay any such water rates, taxes, assessments, impositions, or other charges, or to pay, cancel or clear any tax sales, tax deeds, liens, charges, impositions or claims on or against the Premises, it shall not be obligatory on Licensors to inquire into the validity of any such water rate, tax assessment, imposition, levy or other charge, or of any such tax sale, lien or deed, unless Licensee shall have given the notice and made the deposit provided for in this Agreement.

The obligation of Licensees to pay any item under this paragraph is a Licensee fee under paragraph 4.01.

In the event any tax is assessed the Licensee reserves the right to cancel this License with proper notice to Licensors.

Section 14.01. (Reserved)

- g. Notice is given by Licensor to Licensee that this Agreement is terminated. Such notice shall be given by Licensor to Licensee 180 days prior to the date of termination.

Section 16.02. Remedies of Licensor. If a Default occurs, Licensor shall have the rights and remedies hereafter set forth, which shall be distinct, separate and, to the extent not mutually exclusive, cumulative and shall not operate to exclude or deprive Licensor of any other right or remedy allowed it by law, including, without limitation, Licensor's right to advance any sums to be paid to third parties by Licensee or otherwise remedy Licensee's default and to be reimbursed by Licensee for Licensor's costs and expenses on account thereof and, in addition, the following remedies:

- a. The parties agree that in any litigation between them the exclusive jurisdiction and venue for such suit shall be in Kane County, Sixteenth Judicial Circuit, Geneva, Illinois.

Section 16.03. Surrender of Premises by Licensee. If Licensor exercises the remedy provided for in subparagraph (a) of the foregoing Section 16.02, Licensee shall surrender and vacate the Premises on the effective date of termination. At the end of the Term of this Agreement, Licensee shall vacate the Premises and in doing so deliver up the Premises in good condition, ordinary wear and tear excepted.

Section 17.01. Additional Rights and Remedies. Either party may pursue any remedies provided by law for the breach of this Agreement, or any of its terms covenants, conditions or stipulations. Licensor covenants that if, and so long as, Licensee keeps and performs in all material respects each and every covenant, agreement, term, provision and condition of this Agreement on the part and on behalf of Licensee to be kept and performed, Licensee shall quietly enjoy its rights under this Agreement without hindrance or molestation by Licensor or by any other person lawfully claiming the same by, through or under Licensor, subject to the covenants, agreements, terms, provisions and conditions of this Agreement.

Section 23.01. Licensor Default. The occurrence of any one or more of the following events constitutes a "Licensor Default" under this Agreement:

- c. The levy upon or under execution or the attachment by legal process of the interest of Licensor in the Premises hereunder, or the filing or creation by a third party of a lien in respect of such interest, which levy, attachment or lien shall not be released, discharged, contested or bonded against within thirty (30) days from the date of such filing.

Section 23.02. Remedies of Licensee. - a. Licensee may terminate this Agreement effective as of the end of the then current operating year by giving to Licensor not less than thirty (30) days written notice of Licensee's election to do so, in which event the Term of this Agreement shall end, and all obligations of Licensee hereunder shall expire, on the date stated in such notice.
- b. Licensee may enforce the provision of this Agreement and may enforce and protect the rights of Licensee hereunder by a suit or suits in equity or at law for the specific performance of any covenant or agreement contained herein, or for the enforcement of any other appropriate legal or equitable remedy, including recovery of all monies due or to become due from Licensor under any of the provisions of this Agreement.

Section 25.01. Deleted

Section 25.02. Deleted.

Section 26.01. Restriction Against Assignment or Sublicensing – Option of Licensor to accept Assignment.

- a. Licensee shall not assign or sublease this Agreement or any interest in this Agreement or sublicense any part of the Premises or any right or privilege appurtenant to the Premises, without first obtaining Licensor's written consent. Licensor's written consent shall not be unreasonably withheld as defined in this Article. Any right to seek assignment or sublicensing may occur only if all payments to Licensor by Licensee have been made, and if

Licensee is not otherwise in default in connection with its obligations under this Agreement. If Licensee requests Licensor's consent to an assignment or sublicensing of this Agreement, Licensee shall submit to Licensor a written notice ("Licensee's Notice") containing (a) the name of the proposed assignee or sublicensee; (b) the terms of the proposed assignment or sublicensing; (c) the nature of business of the proposed assignee or sublicensee; (d) information relating to the financial responsibility and general reputation of the proposed assignee or sublicensee that Licensor may require; and (e) a description of all proposed alterations to the Premises to result from the proposed assignment.

- b. Licensee may then enter into the applicable assignment or sublicense specified in the Licensee's Notice giving rise to the cancellation option, in accordance with the following provisions: If Licensee enters into such an assignment or sublicense, Licensee shall submit an executed copy of the assignment or sublicense to Licensor for consent not less than thirty (30) days prior to the proposed effective date of assignment or sublicensing. The assignment or sublicensing shall contain the assumption by the assignee or sublicensee of all of the duties and obligations of Licensee under this Agreement to be performed after the effective date of assignment or sublicense. No such assignment or sublicense shall expressly or by implication impose upon Licensor any duties or obligations or alter the provisions of this Agreement. Licensor agrees to give Licensee written notice, within thirty (30) days after receipt by Licensor of Licensee's proposed assignment or sublicense, of Licensor's consent to or rejection of the same. Licensor agrees that its consent to any such proposed assignment or sublicensing shall not be unreasonably withheld; provided, however, that in addition to other circumstances under which Licensor's consent may be withheld, Licensee agrees that the withholding by Licensor of its consent to the proposed assignment or sublicensing will not be deemed "unreasonable" if:

- (I) The assignee or sublicensee does not have a sound financial condition or is otherwise non-creditworthy as determined by Licensor, in its sole discretion, or if Licensor has not received sufficient information to make such determination (Licensee agrees that if Licensor consents to the assignment or sublicense, Licensor may require a payment in an amount equal to the payment of \$400,000.00 in cash or its equivalent to be held as a security deposit in an interest-bearing account with the interest accruing in favor of Licensor, or other sufficient surety it determines in its sole discretion to be satisfactory if the financial condition of the assignee or sublicensee is not as good as that of Licensor as of the date of assignment.)

- (ii) The assignee is disreputable.
 - (iii) Licensee is then in default under this lease.
- c. In the event of a sublicense or assignment, the proposed sublicensee or assignee shall agree to the following:
 - (I) To assume all obligations and duties of Licensee under this Agreement and to be bound as an original party to this Agreement;
 - (ii) To make any and all payments due under this Agreement and sublicense and/or assignment to Licensor directly at its offices in Geneva, Illinois, as such payment becomes due.
- d. Licensee may not submit to Licensor for consent any assignment or sublicense on terms or conditions or with parties different from those stated in this Agreement. Notwithstanding anything to the contrary contained in this Agreement, Licensee's sole right and remedy in any dispute relating to whether Licensor's consent to a proposed assignment has been unreasonably withheld shall be action for declaratory judgment or specific performance and Licensee shall not be entitled to any damages or the payment of reasonable attorney's fees or costs if Licensor is adjudged to have unreasonably withheld such consent.
- e. Licensor's consent to one assignment or sublicensing shall not be deemed to be a consent to any subsequent assignment. Any unauthorized assignment or sublicensing shall be void and terminate this Agreement at Licensor's option.
- f. Any transfer of this Agreement from Licensee by merger, consolidation, or liquidation or any change in the ownership or power to vote the majority of the outstanding voting stock or interests of Licensee shall constitute an assignment or sublicensing for the purposes of this Section.
- g. Licensee agrees to reimburse Licensor for Licensor's reasonable attorney fees and related costs incurred in connection with the processing, review, or documentation of any requested transfer, assignment, sublicensing of this Agreement or of Licensee's interest in Licensor's Premises.
- h. Subject to the provisions of this Agreement limiting the right to assign or sublicense, this Agreement shall be binding on and inure to the benefit of the parties, and their heirs, successors and assigns. However, Licensee shall remain primarily responsible for all obligations and liabilities under this Agreement after any approved sublicense. Furthermore, in the event of an approved assignment, Licensee shall remain primarily responsible

for all obligations and liabilities of this Agreement which accrue prior to the execution of any approved assignment.

Section 27.01. Amendment; Waiver. No alteration, amendment or modification hereof shall be valid unless executed by an instrument in writing by the parties hereto with the same formality as this Agreement. The failure of Licensee or Licensor to insist in any one or more instances upon the strict performance of any of the covenants, agreements, terms, provisions or conditions of this Agreement or to exercise any election herein contained shall not be construed as a waiver or relinquishment for the future of such covenant, agreement, term, provision, condition, election or option, but the same shall continue and remain in full force and effect. No waiver by Licensee or Licensor of any covenant, agreement, term, provision or condition of this Agreement shall be deemed to have been made unless expressed in writing and signed by an appropriate official on behalf of Licensor or by an officer of Licensee. Neither the payment of sums due to be paid by either party, nor the receipt and retention by the other party of such sums, with knowledge of the breach of any covenant, agreement, term, provisions or condition herein contained, shall be deemed a waiver of such breach.
