| Was this item budgeted? N/A | Appropriation Amount: \$N/A |
| If not budgeted, explain funding source: N/A | |
| Was this item passed through the appropriate committee? Yes. | |

Summary:

Resolution to establish Kane County support of the Lubricant and Related Products Responsibility Act, which would establish a manufacturer-organized and funded stewardship program where collection and non-landfill disposal costs of automotive lubricant products and their packaging would be funded by product manufacturers. The product manufacturers and their representative trade organizations are in favor of a separate stewardship program for this class of products as opposed to inclusion in broader-reaching household hazardous waste and consumer packaging stewardship bills.
