Summary:

The attached resolution authorizes Grand Victoria Riverboat funding for twenty-four (24) projects/programs sponsored by external organizations. All projects were reviewed and recommended by the County Board's Riverboat Committee. During their deliberations, the committee considered how effectively the proposals will address the Riverboat Program's eligibility criteria (in the areas of education, environment, and economic development), the extent to which the proposals will leverage funds from other sources (thus extending the impact Riverboat funds have within the county), the soundness of the applicants' project budgets as well as their readiness to proceed and complete their projects in a timely fashion, and the impact the projects will have within the community. From a possible \$831,687.00 in funds allocated for external projects in FY2025, \$824,579.00 was recommended with \$7,108.00 remaining, which was moved and seconded to be reserved for FY2027 External awards.
